Amendment to Amendment (083181)

14 On page 3 of the amendment, line 5 after the period,
15
16 insert: In addition, the technical review advisory panel may
17 provide technical assistance and recommendations to the
18 Secretaries of the Department of Environmental Protection,
19 Department of Health, and the Department of Community Affairs
20 in their consideration of whether the current planning and
21 permitting processes applied to the use, design and placement
22 of onsite sewage treatment and disposal systems adequately
23 address their impacts, including the process of onsite sewage
24 treatment and disposal systems in which area-wide impacts,
25 including cumulative impacts, warrant development of
26 additional standards or criteria through statutory or rule
27 changes; and, whether existing processes can or should be
28 modified to reduce costs and increase predictability,
29 efficiency and effectiveness in the use, design and placement
30 of onsite sewage treatment and disposal systems. Any
31 conclusions reached by either the technical review advisory

Amendment No. 083181 (for drafter's use only)

1 panel or the Secretaries should be supported by research and
2 scientific justification applicable to Florida conditions.
