31   and (18) of section 61.046, Florida Statutes, 1998 Supplement,

1 are redesignated as subsections (15), (16), (17), (18), and  
2 (19), respectively, and a new subsection (14) is added to said  
3 section, to read:

4 61.046 Definitions.--As used in this chapter:  
5 (14) "Rotating custody" means a shared parental  
6 responsibility arrangement that alternates the designation of  
7 the primary residential parent at regular intervals of  
8 essentially equal duration.

9 Section 2. Section 61.30, Florida Statutes, 1998  
10 Supplement, is amended to read:

11 61.30 Child support guidelines; retroactive child  
12 support.--

13 (1) As used in this section, the following terms have  
14 the following meanings:

15 (a) "Basic obligation of the parents" means the amount  
16 derived from the schedules in subsection (7).

17 (b) "Combined presumed child support amount" means the  
18 basic obligation of the parents plus child care costs as  
19 provided in subsection (8) and health insurance costs as  
20 provided in subsection (9).

21 (c) "Parent's presumed child support amount" or  
22 "guideline amount" means the amount derived from apportioning  
23 the combined presumed child support amount between the parents  
24 as provided in subsections (10) and (11).

25 (d) "Total child support obligation" means a parent's  
26 presumed child support amount and any deviation ordered.

27 (2)(1)(a) A parent's presumed ~~The~~ child support  
28 guideline amount as determined by this section presumptively  
29 establishes the amount the trier of fact shall order as child  
30 support in an initial proceeding for such support or in a  
31 proceeding for modification of an existing order for such

1 support, whether the proceeding arises under this or another  
2 chapter. The trier of fact may order payment of child support  
3 which varies, plus or minus 5 percent, from the parent's  
4 presumed child support guideline amount, after considering all  
5 the factors in subsection (12)~~relevant factors, including the~~  
6 ~~needs of the child or children, age, station in life, standard~~  
7 ~~of living, and the financial status and ability of each~~  
8 ~~parent~~. The trier of fact may order payment of child support  
9 in an amount which varies more than 5 percent from a parent's  
10 presumed child support ~~such guideline~~ amount only upon a  
11 written finding explaining why ordering payment of such  
12 guideline amount would be unjust or inappropriate.

13 (b) A parent's presumed child support amount ~~The~~  
14 ~~guidelines~~ may provide the basis for proving a substantial  
15 change in circumstances upon which a modification of an  
16 existing order may be granted. However, the difference  
17 between the existing monthly obligation and the amount  
18 provided for under this section ~~the guidelines~~ shall be at  
19 least 15 percent or \$50, whichever amount is greater, before  
20 the court may find that a parent's presumed child support  
21 amount provides ~~the guidelines provide~~ a substantial change in  
22 circumstances.

23 (c) In Title IV-D cases reviewed pursuant to the  
24 3-year review and adjustment cycle, no change of circumstance  
25 need be proven to warrant a modification.

26 (3)~~(2)~~ Income shall be determined on a monthly basis  
27 for the obligor and for the obligee as follows:

28 (a) Gross income shall include, but is not limited to,  
29 the following items:

30 1. Salary or wages.

31

- 1           2. Bonuses, commissions, allowances, overtime, tips,  
2 and other similar payments.
- 3           3. Business income from sources such as  
4 self-employment, partnership, close corporations, and  
5 independent contracts. "Business income" means gross receipts  
6 minus ordinary and necessary expenses required to produce  
7 income.
- 8           4. Disability benefits.
- 9           5. Worker's compensation.
- 10          6. Unemployment compensation.
- 11          7. Pension, retirement, or annuity payments.
- 12          8. Social security benefits.
- 13          9. Spousal support received from a previous marriage  
14 or court ordered in the marriage before the court.
- 15          10. Interest and dividends.
- 16          11. Rental income, which is gross receipts minus  
17 ordinary and necessary expenses required to produce the  
18 income.
- 19          12. Income from royalties, trusts, or estates.
- 20          13. Reimbursed expenses or in kind payments to the  
21 extent that they reduce living expenses.
- 22          14. Gains derived from dealings in property, unless  
23 the gain is nonrecurring.
- 24          (b) It is presumed that an adult parent who is not  
25 prevented from working because of a disability and who is  
26 legally present in the United States has the present ability  
27 to earn income of at least the minimum wage for 35 hours  
28 weekly. Income on a monthly basis shall be imputed to an  
29 unemployed or underemployed parent when such employment or  
30 underemployment is found to be voluntary on that parent's  
31 part, absent physical or mental incapacity or other

1 circumstances over which the parent has no control. In the  
2 event of such voluntary unemployment or underemployment, the  
3 employment potential and probable earnings level of the parent  
4 shall be determined based upon his or her recent work history,  
5 occupational qualifications, and prevailing earnings level in  
6 the community; however, the court may refuse to impute income  
7 to a primary residential parent if the court finds it  
8 necessary for the parent to stay home with the child.

9 (c) Public assistance as defined in s. 409.2554 shall  
10 be excluded from gross income.

11 (4)~~(3)~~ Allowable deductions from gross income shall  
12 include:

13 (a) Federal, state, and local income tax deductions,  
14 adjusted for actual filing status after the judgment is  
15 entered and allowable dependents and income tax liabilities.  
16 Amounts withheld that exceed those required to pay the taxes  
17 owed shall not be deducted from gross income.

18 (b) Federal insurance contributions or self-employment  
19 tax.

20 (c) Mandatory union dues.

21 (d) Mandatory retirement payments.

22 (e) Health insurance payments, excluding payments for  
23 coverage of the minor child.

24 (f) Court-ordered support for other children which is  
25 actually paid.

26 (g) Spousal support paid pursuant to a court order  
27 from a previous marriage or the marriage before the court.

28 (5)~~(4)~~ Net income for the obligor and net income for  
29 the obligee shall be computed by subtracting allowable  
30 deductions from gross income.

31

1        ~~(6)~~(5) Net income for the obligor and net income for  
2 the obligee shall be added together for a combined net income.

3        ~~(7)~~(6) The following schedules shall be applied to the  
4 combined net income to determine the basic obligation of the  
5 parents ~~minimum child support need~~:

14 For combined monthly available income less than the amount set  
15 out on the above schedules, the parent should be ordered to  
16 pay a child support amount, determined on a case-by-case  
17 basis, to establish the principle of payment and lay the basis  
18 for increased orders should the parent's income increase in  
19 the future. For combined monthly available income greater  
20 than the amount set out in the above schedules, the obligation  
21 shall be the minimum amount of support provided by the  
22 schedules guidelines plus the following percentages multiplied  
23 by the amount of income over \$10,000:

1           (8)~~(7)~~ Child care costs incurred on behalf of the  
2 children due to employment, job search, or education  
3 calculated to result in employment or to enhance income of  
4 current employment of either parent shall be reduced by 25  
5 percent and then shall be added to the basic obligation of the  
6 parents. After the adjusted child care costs are added to the  
7 basic obligation of the parents, any direct payments made  
8 ~~moneys prepaid~~ by the noncustodial parent for child care costs  
9 for the child or children of this action shall be deducted  
10 from that noncustodial parent's presumed child support amount  
11 ~~obligation~~ for that child or those children. Child care costs  
12 shall not exceed the level required to provide quality care  
13 from a licensed source for the children.

14           (9)~~(8)~~ Health insurance costs resulting from coverage  
15 ordered pursuant to s. 61.13(1)(b), ~~and any noncovered~~  
16 ~~medical, dental, and prescription medication expenses of the~~  
17 ~~child~~, shall be added to the basic obligation of the parents  
18 ~~unless these expenses have been ordered to be separately paid~~  
19 ~~on a percentage basis~~. After the health insurance costs are  
20 added to the basic obligation of the parents, any direct  
21 payments made ~~moneys prepaid~~ by the noncustodial parent for  
22 health-related costs for the child or children of this action  
23 shall be deducted from that noncustodial parent's presumed  
24 child support amount ~~obligation~~ for that child or those  
25 children. When a parent has children from more than one  
26 relationship who are covered by the same health insurance, the  
27 court may apportion payments for health insurance costs among  
28 the various child support obligations. Responsibility for  
29 noncovered medical, dental, and prescription medication  
30 expenses of the child shall be apportioned between the  
31 parents.

1            (10)~~(9)~~ Each parent's percentage share of the combined  
2 presumed child support amount need shall be determined by  
3 dividing each parent's net income by the combined net income.

4            (11)~~(10)~~ Each parent's actual dollar share of the  
5 combined presumed child support amount need shall be  
6 determined by multiplying the combined presumed ~~minimum~~ child  
7 support amount need by each parent's percentage share.

8            (12)~~(11)~~ The court may adjust the combined presumed  
9 ~~minimum~~ child support amount award, or the presumed child  
10 support amount for either or both parents ~~parent's share of~~  
11 ~~the minimum child support award~~, based upon the following  
12 considerations:

13            (a) Extraordinary medical, psychological, educational,  
14 or dental expenses.

15            (b) Independent income of the child, not to include  
16 moneys received by a child from supplemental security income.

17            (c) The payment of support for a parent which  
18 regularly has been paid and for which there is a demonstrated  
19 need.

20            (d) Seasonal variations in one or both parents'  
21 incomes or expenses.

22            (e) The age of the child, taking into account the  
23 greater needs of older children.

24            (f) Special needs, such as costs that may be  
25 associated with the disability of a child, that have  
26 traditionally been met within the family budget even though  
27 the fulfilling of those needs will cause the support to exceed  
28 the parent's presumed child support amount ~~proposed~~  
29 ~~guidelines~~.

30            (g) The particular shared parental arrangement, such  
31 as where the children spend a substantial amount of their time

1 with the secondary residential parent thereby reducing the  
2 financial expenditures incurred by the primary residential  
3 parent, or the refusal of the secondary residential parent to  
4 become involved in the activities of the child, or giving due  
5 consideration to the primary residential parent's homemaking  
6 services. The schedules provided in subsection (7) were  
7 developed considering factors such as the cost of raising a  
8 child in an intact family. If a child has visitation with a  
9 noncustodial parent for more than 28 consecutive days the  
10 court may reduce the amount of support paid to the custodial  
11 parent during the time of visitation not to exceed 50 percent  
12 of the amount awarded.

13 (h) Total available assets of the obligee, obligor,  
14 and the child.

15 (i) The impact of the Internal Revenue Service  
16 dependency exemption and waiver of that exemption. The court  
17 may order the primary residential parent to execute a waiver  
18 of the Internal Revenue Service dependency exemption if the  
19 noncustodial parent is current in support payments.

20 (j) When a parent's presumed child support amount  
21 ~~application of the child support guidelines~~ requires a person  
22 to pay another person more than 55 percent of his or her gross  
23 income for a child support obligation for current support  
24 resulting from a single support order.

25 (k) When a parent's income is below the federal  
26 poverty guidelines and the parent's presumed child support  
27 amount requires a person to pay another person more than 50  
28 percent of his or her net income for a child support  
29 obligation for current support when there is a single support  
30 order.

31

1       (l) When a parent's income is below the federal  
2 poverty guidelines and the parent's presumed child support  
3 amount requires a person to pay another person more than 40  
4 percent of his or her net income for a child support  
5 obligation for current support when there are multiple support  
6 obligations.

7       (m) The needs of the child or children, the age,  
8 station in life, standard of living, and financial status and  
9 ability of each parent.

10       (n)~~(k)~~ Any other adjustment which is needed to achieve  
11 an equitable result which may include, but not be limited to,  
12 a reasonable and necessary existing expense or debt. Such  
13 expense or debt may include, but is not limited to, a  
14 reasonable and necessary expense or debt which the parties  
15 jointly incurred during the marriage.

16       (13)~~(12)~~ A parent with a support obligation may have  
17 other children living with him or her who were born or adopted  
18 after the support obligation arose. The existence of such  
19 subsequent children should not as a general rule be considered  
20 by the court as a basis for disregarding the parent's presumed  
21 child support amount provided in the guidelines. The parent  
22 with a support obligation for subsequent children may raise  
23 the existence of such subsequent children as a justification  
24 for deviation from the parent's presumed child support amount  
25 guidelines. However, if the existence of such subsequent  
26 children is raised, the income of the other parent of the  
27 subsequent children shall be considered by the court in  
28 determining whether or not there is a basis for deviation from  
29 the parent's presumed child support guideline amount. The  
30 issue of subsequent children may only be raised in a  
31

1 proceeding for an upward modification of an existing award and  
2 may not be applied to justify a decrease in an existing award.

3 (14)~~(13)~~ If the recurring income is not sufficient to  
4 meet the needs of the child, the court may order child support  
5 to be paid from nonrecurring income or assets.

6 (15)~~(14)~~ Every petition for child support or for  
7 modification of child support shall be accompanied by an  
8 affidavit which shows the party's income, allowable  
9 deductions, and net income computed in accordance with this  
10 section. The affidavit shall be served at the same time that  
11 the petition is served. The respondent, whether or not a  
12 stipulation is entered, shall make an affidavit which shows  
13 the party's income, allowable deductions, and net income  
14 computed in accordance with this section. The respondent  
15 shall include his or her affidavit with the answer to the  
16 petition or as soon thereafter as is practicable, but in any  
17 case at least 72 hours prior to any hearing on the finances of  
18 either party.

19 (16)~~(15)~~ For purposes of establishing an obligation  
20 for support in accordance with this section, if a person who  
21 is receiving public assistance is found to be noncooperative  
22 as defined in s. 409.2572, the IV-D agency is authorized to  
23 submit to the court an affidavit attesting to the income of  
24 the custodial parent based upon information available to the  
25 IV-D agency.

26 (17)~~(16)~~ The Legislature shall review the provisions  
27 of guidelines established in this section at least every 4  
28 years beginning in 1997.

29 (18)~~(17)~~ In an initial determination of child support  
30 in either a Title IV-D case or non-Title IV-D case, whether in  
31 a paternity action, dissolution of marriage action, or

1 petition for support during the marriage, the court has  
2 discretion to award child support retroactive to the date when  
3 the parents did not reside together in the same household with  
4 the child, not to exceed a period of 24 months preceding the  
5 filing of the petition, regardless of whether that date  
6 precedes the filing of the petition. In determining the  
7 retroactive award in such cases, the court shall consider the  
8 following:

9 (a) The court shall apply the provisions of this  
10 section ~~guidelines~~ in effect at the time of the hearing  
11 subject to the obligor's demonstration of his or her actual  
12 income, as defined by subsection (3) ~~(2)~~, during the  
13 retroactive period. Failure of the obligor to so demonstrate  
14 shall result in the court using the obligor's income at the  
15 time of the hearing in computing child support for the  
16 retroactive period.

17 (b) All actual payments made by the noncustodial  
18 parent to the custodial parent or the child or third parties  
19 for the benefit of the child throughout the proposed  
20 retroactive period.

21 (c) The court should consider an installment payment  
22 plan for the payment of retroactive child support.

23 (19) If the parents agree to a child support  
24 obligation as part of a settlement agreement, the court shall  
25 review the agreement to determine whether it provides for the  
26 parent's presumed child support amount. If the agreement  
27 provides a deviation from the parent's presumed child support  
28 amount, the court shall determine whether the deviation is  
29 justified based on the factors in subsection (12) or on the  
30 best interests of the child or children. If the deviation is  
31 not justified based on the factors in subsection (12) or based

1 on the best interests of the child or children, the court  
2 shall not approve the agreement of the parents.

3 Section 3. Paragraphs (a), (b), and (e) of subsection  
4 (1) and subsection (5) of section 61.13, Florida Statutes,  
5 1998 Supplement, are amended to read:

6 61.13 Custody and support of children; visitation  
7 rights; power of court in making orders.--

8 (1)(a) In a proceeding for dissolution of marriage,  
9 the court may at any time order either or both parents who owe  
10 a duty of support to a child to pay support in accordance with  
11 ~~the guidelines in s. 61.30.~~ The court initially entering an  
12 order requiring one or both parents to make child support  
13 payments shall have continuing jurisdiction after the entry of  
14 the initial order to modify the amount and terms and  
15 conditions of the child support payments when there is an  
16 involuntary substantial change in the circumstances of the  
17 parties or the child, when there is a voluntary substantial  
18 change in the circumstances of the parties and the  
19 modification is ~~found necessary by the court~~ in the best  
20 interests of the child, or when the child reaches majority, ~~or~~  
21 ~~when there is a substantial change in the circumstances of the~~  
22 ~~parties.~~ The court initially entering a child support order  
23 shall also have continuing jurisdiction to require the obligee  
24 to report to the court on terms prescribed by the court  
25 regarding the disposition of the child support payments.

26 (b) Each order for child support shall contain a  
27 provision for health insurance for the minor child when the  
28 insurance is reasonably available. Insurance is reasonably  
29 available if either the obligor or obligee has access at a  
30 reasonable rate to group insurance. The court may require the  
31 obligor either to provide health insurance coverage or to

1 reimburse the obligee for the cost of health insurance  
2 coverage for the minor child when coverage is provided by the  
3 obligee. In either event, the court shall apportion the cost  
4 of coverage, and any noncovered medical, dental, and  
5 prescription medication expenses of the child, to both parties  
6 by adding the cost to the basic obligation determined pursuant  
7 to s. 61.30(7)~~(6)~~. The court may order that payment of  
8 noncovered ~~uncovered~~ medical, dental, and prescription  
9 medication expenses of the minor child be apportioned between  
10 the parents ~~made directly to the payee on a percentage basis.~~

11 1. A copy of the court order for insurance coverage  
12 shall be served on the obligor's payor or union by the obligee  
13 or the IV-D agency when the following conditions are met:

14 a. The obligor fails to provide written proof to the  
15 obligee or the IV-D agency within 30 days of receiving  
16 effective notice of the court order, that the insurance has  
17 been obtained or that application for insurability has been  
18 made;

19 b. The obligee or IV-D agency serves written notice of  
20 its intent to enforce medical support on the obligor by mail  
21 at the obligor's last known address; and

22 c. The obligor fails within 15 days after the mailing  
23 of the notice to provide written proof to the obligee or the  
24 IV-D agency that the insurance coverage existed as of the date  
25 of mailing.

26 2. In cases in which the noncustodial parent provides  
27 health care coverage and the noncustodial parent changes  
28 employment and the new employer provides health care coverage,  
29 the IV-D agency shall transfer notice of the provision to the  
30 employer, which notice shall operate to enroll the child in  
31 the noncustodial parent's health plan, unless the noncustodial

1 parent contests the notice. Notice to enforce medical  
2 coverage under this section shall be served by the IV-D agency  
3 upon the obligor by mail at the obligor's last known address.  
4 The obligor shall have 15 days from the date of mailing of the  
5 notice to contest the notice with the IV-D agency.

6 3. Upon receipt of the order pursuant to subparagraph  
7 1. or the notice pursuant to subparagraph 2., or upon  
8 application of the obligor pursuant to the order, the payor,  
9 union, or employer shall enroll the minor child as a  
10 beneficiary in the group insurance plan and withhold any  
11 required premium from the obligor's income. If more than one  
12 plan is offered by the payor, union, or employer, the child  
13 shall be enrolled in the insurance plan in which the obligor  
14 is enrolled.

15 4. The Department of Revenue shall have the authority  
16 to adopt rules to implement the child support enforcement  
17 provisions of this section.

18 (e) In a judicial circuit with a work experience and  
19 job training pilot project, if the obligor is unemployed or  
20 has no income and does not have an account at a financial  
21 institution, then the court shall order the obligor to seek  
22 employment, if the obligor is able to engage in employment,  
23 and to immediately notify the court upon obtaining employment,  
24 upon obtaining any income, or upon obtaining any ownership of  
25 any asset with a value of \$500 or more. If the obligor is  
26 still unemployed 30 days after any order for support, the  
27 court may order the obligor to enroll in the work experience,  
28 job placement, and job training pilot program for noncustodial  
29 parents as established in s. 414.38 ~~409.2565~~, if the obligor  
30 is eligible for entrance into the pilot program.

31

1           (5) The court may make specific orders for the care  
2 and custody of the minor child as from the circumstances of  
3 the parties and the nature of the case is equitable and  
4 provide for child support in accordance with ~~the guidelines in~~  
5 s. 61.30. An award of shared parental responsibility of a  
6 minor child does not preclude the court from entering an order  
7 for child support of the child.

8           Section 4. Paragraph (a) of subsection (1) of section  
9 61.14, Florida Statutes, 1998 Supplement, is amended to read:

10           61.14 Enforcement and modification of support,  
11 maintenance, or alimony agreements or orders.--

12           (1)(a) When the parties enter into an agreement for  
13 payments for, or instead of, support, maintenance, or alimony,  
14 whether in connection with a proceeding for dissolution or  
15 separate maintenance or with any voluntary property  
16 settlement, or when a party is required by court order to make  
17 any payments, and the circumstances or the financial ability  
18 of either party changes or the child who is a beneficiary of  
19 an agreement or court order as described herein reaches  
20 majority after the execution of the agreement or the rendition  
21 of the order, either party may apply to the circuit court of  
22 the circuit in which the parties, or either of them, resided
