Senator Saunders moved the following amendment:

**Senate Amendment (with title amendment)**

On page 69, between lines 9 and 10,

insert:

Section 56. Subsection (11) of section 409.906, Florida Statutes, 1998 Supplement, is amended to read:

409.906 Optional Medicaid services.--Subject to specific appropriations, the agency may make payments for services which are optional to the state under Title XIX of the Social Security Act and are furnished by Medicaid providers to recipients who are determined to be eligible on the dates on which the services were provided. Any optional service that is provided shall be provided only when medically necessary and in accordance with state and federal law. Nothing in this section shall be construed to prevent or limit the agency from adjusting fees, reimbursement rates, lengths of stay, number of visits, or number of services, or making any other adjustments necessary to comply with the availability of moneys and any limitations or directions

Bill No. CS for SB 2220

Amendment No. \_\_\_\_

1 provided for in the General Appropriations Act or chapter 216.  
2 Optional services may include:

3 (11) HEALTHY START SERVICES.--The agency may pay for a  
4 continuum of risk-appropriate medical and psychosocial  
5 services for the Healthy Start program in accordance with a  
6 federal waiver. The agency may not implement the federal  
7 waiver unless the waiver permits the state to limit enrollment  
8 or the amount, duration, and scope of services to ensure that  
9 expenditures will not exceed funds appropriated by the  
10 Legislature or available from local sources. If the Health  
11 Care Financing Administration does not approve a federal  
12 waiver for Healthy Start services, the agency, in consultation  
13 with the Department of Health and the Florida Association of  
14 Healthy Start Coalitions, is authorized to establish a  
15 Medicaid certified-match program for Healthy Start services.  
16 Participation in the Healthy Start certified-match program  
17 shall be voluntary and reimbursement shall be limited to the  
18 federal Medicaid share to Medicaid-enrolled Healthy Start  
19 coalitions for services provided to Medicaid recipients. The  
20 agency shall take no action to implement a certified-match  
21 program without ensuring that the amendment and review  
22 requirements of ss. 216.177 and 216.181 have been met.

23 Section 57. Subsection (21) of section 409.910,  
24 Florida Statutes, 1998 Supplement, is renumbered as subsection  
25 (22), and a new subsection (21) is added to that section to  
26 read:

27 409.910 Responsibility for payments on behalf of  
28 Medicaid-eligible persons when other parties are liable.--

29 (21) Entities providing health insurance as defined in  
30 s. 624.603, and health maintenance organizations as defined in  
31 chapter 641, requiring tape or electronic billing formats from

Bill No. CS for SB 2220

Amendment No. \_\_\_\_

1 the agency shall accept Medicaid billings that are prepared  
2 using the current Medicare standard billing format. If the  
3 insurance entity or health maintenance organization is unable  
4 to use the agency format, the entity shall accept paper claims  
5 from the agency in lieu of tape or electronic billing,  
6 provided that these claims are prepared using current Medicare  
7 standard billing formats.

8 Section 58. Section 409.9101, Florida Statutes, is  
9 created to read:

10 409.9101 Recovery for payments made on behalf of  
11 Medicaid-eligible persons.--

12 (1) This section may be cited as the "Medicaid Estate  
13 Recovery Act."

14 (2) It is the intent of the Legislature by this  
15 section to supplement Medicaid funds that are used to provide  
16 medical services to eligible persons. Medicaid estate recovery  
17 shall generally be accomplished through the filing of claims  
18 against the estates of deceased Medicaid recipients. The  
19 recoveries shall be made pursuant to federal authority in s.  
20 13612 of the Omnibus Budget Reconciliation Act of 1993, which  
21 amends s. 1917(b)(1) of the Social Security Act (42 U.S.C. s.  
22 1396p(b)(1)).

23 (3) Pursuant to s. 733.212(4)(a), the personal  
24 representative of the estate of the decedent shall serve the  
25 agency with a copy of the notice of administration of the  
26 estate within 3 months after the first publication of the  
27 notice, unless the agency has already filed a claim pursuant  
28 to this section.

29 (4) The acceptance of public medical assistance, as  
30 defined by Title XIX (Medicaid) of the Social Security Act,  
31 including mandatory and optional supplemental payments under

Bill No. CS for SB 2220

Amendment No. \_\_\_\_

1 the Social Security Act, shall create a claim, as defined in  
2 s. 731.201, in favor of the agency as an interested person as  
3 defined in s. 731.201. The claim amount is calculated as the  
4 total amount paid to or for the benefit of the recipient for  
5 medical assistance on behalf of the recipient after he or she  
6 reached 55 years of age. There is no claim under this section  
7 against estates of recipients who had not yet reached 55 years  
8 of age.

9 (5) At the time of filing the claim, the agency may  
10 reserve the right to amend the claim amounts based on medical  
11 claims submitted by providers subsequent to the agency's  
12 initial claim calculation.

13 (6) The claim of the agency shall be the current total  
14 allowable amount of Medicaid payments as denoted in the  
15 agency's provider payment processing system at the time the  
16 agency's claim or amendment is filed. The agency's provider  
17 processing system reports shall be admissible as prima facie  
18 evidence in substantiating the agency's claim.

19 (7) The claim of the agency under this section shall  
20 constitute a Class 3 claim under s. 733.707(1)(c), as provided  
21 in s. 414.28(1).

22 (8) The claim created under this section shall not be  
23 enforced if the recipient is survived by:

24 (a) A spouse;

25 (b) A child or children under 21 years of age; or

26 (c) A child or children who are blind or permanently  
27 and totally disabled pursuant to the eligibility requirements  
28 of Title XIX of the Social Security Act.

29 (9) In accordance with s. 4, Art. X of the State  
30 Constitution, no claim under this section shall be enforced  
31 against any property that is determined to be the homestead of

Bill No. CS for SB 2220

Amendment No. \_\_\_\_

1 the deceased Medicaid recipient and is determined to be exempt  
2 from the claims of creditors of the deceased Medicaid  
3 recipient.

4 (10) The agency shall not recover from an estate if  
5 doing so would cause undue hardship for the qualified heirs,  
6 as defined in s. 731.201. The personal representative of an  
7 estate and any heir may request that the agency waive recovery  
8 of any or all of the debt when recovery would create a  
9 hardship. A hardship does not exist solely because recovery  
10 will prevent any heirs from receiving an anticipated  
11 inheritance. The following criteria shall be considered by the  
12 agency in reviewing a hardship request:

13 (a) The heir:

14 1. Currently resides in the residence of the decedent;  
15 2. Resided there at the time of the death of the  
16 decedent;

17 3. Has made the residence his or her primary residence  
18 for the 12 months immediately preceding the death of the  
19 decedent; and

20 4. Owns no other residence;

21 (b) The heir would be deprived of food, clothing,  
22 shelter, or medical care necessary for the maintenance of life  
23 or health;

24 (c) The heir can document that he or she provided  
25 full-time care to the recipient which delayed the recipient's  
26 entry into a nursing home. The heir must be either the  
27 decedent's sibling or the son or daughter of the decedent and  
28 must have resided with the recipient for at least 1 year prior  
29 to the recipient's death; or

30 (d) The cost involved in the sale of the property  
31 would be equal to or greater than the value of the property.

Bill No. CS for SB 2220

Amendment No. \_\_\_\_

1           (11) Instances arise in Medicaid estate-recovery cases  
 2 where the assets include a settlement of a claim against a  
 3 liable third party. The agency's claim under s. 409.910 must  
 4 be satisfied prior to including the settlement proceeds as  
 5 estate assets. The remaining settlement proceeds shall be  
 6 included in the estate and be available to satisfy the  
 7 Medicaid estate-recovery claim. The Medicaid estate-recovery  
 8 share shall be one-half of the settlement proceeds included in  
 9 the estate. Nothing in this subsection is intended to limit  
 10 the agency's rights against other assets in the estate not  
 11 related to the settlement. However, in no circumstances shall  
 12 the agency's recovery exceed the total amount of Medicaid  
 13 medical assistance provided to the recipient.

14           (12) In instances where there are no liquid assets to  
 15 satisfy the Medicaid estate-recovery claim, if there is  
 16 nonhomestead real property and the costs of sale will not  
 17 exceed the proceeds, the property shall be sold to satisfy the  
 18 Medicaid estate-recovery claim. Real property shall not be  
 19 transferred to the agency in any instance.

20           (13) The agency is authorized to adopt rules to  
 21 implement the provisions of this section.

22           Section 59. Paragraph (d) of subsection (3) of section  
 23 409.912, Florida Statutes, 1998 Supplement, is amended to  
 24 read:

25           409.912 Cost-effective purchasing of health care.--The  
 26 agency shall purchase goods and services for Medicaid  
 27 recipients in the most cost-effective manner consistent with  
 28 the delivery of quality medical care. The agency shall  
 29 maximize the use of prepaid per capita and prepaid aggregate  
 30 fixed-sum basis services when appropriate and other  
 31 alternative service delivery and reimbursement methodologies,

Bill No. CS for SB 2220

Amendment No. \_\_\_\_

1 including competitive bidding pursuant to s. 287.057, designed  
2 to facilitate the cost-effective purchase of a case-managed  
3 continuum of care. The agency shall also require providers to  
4 minimize the exposure of recipients to the need for acute  
5 inpatient, custodial, and other institutional care and the  
6 inappropriate or unnecessary use of high-cost services.

7 (3) The agency may contract with:

8 (d) No more than four provider service networks for  
9 demonstration projects to test Medicaid direct contracting.

10 ~~One demonstration project must be located in Orange County.~~

11 The demonstration projects may be reimbursed on a  
12 fee-for-service or prepaid basis. A provider service network  
13 which is reimbursed by the agency on a prepaid basis shall be  
14 exempt from parts I and III of chapter 641, but must meet  
15 appropriate financial reserve, quality assurance, and patient  
16 rights requirements as established by the agency. The agency  
17 shall award contracts on a competitive bid basis and shall  
18 select bidders based upon price and quality of care. Medicaid  
19 recipients assigned to a demonstration project shall be chosen  
20 equally from those who would otherwise have been assigned to  
21 prepaid plans and MediPass. The agency is authorized to seek  
22 federal Medicaid waivers as necessary to implement the  
23 provisions of this section. A demonstration project awarded  
24 pursuant to this paragraph shall be for 2 years from the date  
25 of implementation.

26 Section 60. Paragraph (a) of subsection (24) of  
27 section 409.913, Florida Statutes, is amended to read:

28 409.913 Oversight of the integrity of the Medicaid  
29 program.--The agency shall operate a program to oversee the  
30 activities of Florida Medicaid recipients, and providers and  
31 their representatives, to ensure that fraudulent and abusive

Bill No. CS for SB 2220

Amendment No. \_\_\_\_

1 behavior and neglect of recipients occur to the minimum extent  
2 possible, and to recover overpayments and impose sanctions as  
3 appropriate.

4           (24)(a) The agency may withhold Medicaid payments, in  
5 whole or in part, to a provider upon receipt of reliable  
6 evidence that the circumstances giving rise to the need for a  
7 withholding of payments involve fraud or willful  
8 misrepresentation under the Medicaid program, or a crime  
9 committed while rendering goods or services to Medicaid  
10 recipients, up to the amount of the overpayment as determined  
11 by final agency audit report, pending completion of legal  
12 proceedings under this section. If the agency withholds  
13 payments under this section, the Medicaid payment may not be  
14 reduced by more than 10 percent. If it is has been determined  
15 that fraud, willful misrepresentation, or a crime did not  
16 occur an overpayment has not occurred, the payments withheld  
17 must be paid to the provider within 14 60 days after such  
18 determination with interest at the rate of 10 percent a year.  
19 Any money withheld in accordance with this paragraph shall be  
20 placed in a suspended account, readily accessible to the  
21 agency, so that any payment ultimately due the provider shall  
22 be made within 14 days. Furthermore, the authority to withhold  
23 payments under this paragraph shall not apply to physicians  
24 whose alleged overpayments are being determined by  
25 administrative proceedings pursuant to chapter 120. If the  
26 amount of the alleged overpayment exceeds \$75,000, the agency  
27 may reduce the Medicaid payments by up to \$25,000 per month.

28           Section 61. Section 409.9131, Florida Statutes, is  
29 created to read:

30           409.9131 Special provisions relating to integrity of  
31 the Medicaid program.--

Bill No. CS for SB 2220

Amendment No. \_\_\_\_

1           (1) LEGISLATIVE FINDINGS AND INTENT.--It is the intent  
 2 of the Legislature that physicians, as defined in this  
 3 section, be subject to Medicaid fraud and abuse investigations  
 4 in accordance with the provisions set forth in this section as  
 5 a supplement to the provisions contained in s. 409.913. If a  
 6 conflict exists between the provisions of this section and s.  
 7 409.913, it is the intent of the Legislature that the  
 8 provisions of this section shall control.

9           (2) DEFINITIONS.--For purposes of this section, the  
 10 term:

11           (a) "Active practice" means a physician must have  
 12 regularly provided medical care and treatment to patients  
 13 within the past 2 years.

14           (b) "Medical necessity" or "medically necessary" means  
 15 any goods or services necessary to palliate the effects of a  
 16 terminal condition or to prevent, diagnose, correct, cure,  
 17 alleviate, or preclude deterioration of a condition that  
 18 threatens life, causes pain or suffering, or results in  
 19 illness or infirmity, which goods or services are provided in  
 20 accordance with generally accepted standards of medical  
 21 practice. For purposes of determining Medicaid reimbursement,  
 22 the agency is the final arbiter of medical necessity. In  
 23 making determinations of medical necessity, the agency must,  
 24 to the maximum extent possible, use a physician in active  
 25 practice, either employed by or under contract with the  
 26 agency, of the same specialty or subspecialty as the physician  
 27 under review. Such determination must be based upon the  
 28 information available at the time the goods or services were  
 29 provided.

30           (c) "Peer" means a Florida licensed physician who is,  
 31 to the maximum extent possible, of the same specialty or

Bill No. CS for SB 2220

Amendment No. \_\_\_\_

1 subspecialty, licensed under the same chapter, and in active  
2 practice.

3 (d) "Peer review" means an evaluation of the  
4 professional practices of a Medicaid physician provider by a  
5 peer or peers in order to assess the medical necessity,  
6 appropriateness, and quality of care provided, as such care is  
7 compared to that customarily furnished by the physician's  
8 peers and to recognized health care standards, and to  
9 determine whether the documentation in the physician's records  
10 is adequate.

11 (e) "Physician" means a person licensed to practice  
12 medicine under chapter 458 or a person licensed to practice  
13 osteopathic medicine under chapter 459.

14 (f) "Professional services" means procedures provided  
15 to a Medicaid recipient, either directly by or under the  
16 supervision of a physician who is a registered provider for  
17 the Medicaid program.

18 (3) ONSITE RECORDS REVIEW.--As specified in s.  
19 409.913(8), the agency may investigate, review, or analyze a  
20 physician's medical records concerning Medicaid patients. The  
21 physician must make such records available to the agency  
22 during normal business hours. The agency must provide notice  
23 to the physician at least 24 hours before such visit. The  
24 agency and physician shall make every effort to set a mutually  
25 agreeable time for the agency's visit during normal business  
26 hours and within the 24-hour period. If such a time cannot be  
27 agreed upon, the agency may set the time.

28 (4) NOTICE OF DUE PROCESS RIGHTS REQUIRED.--Whenever  
29 the agency seeks an administrative remedy against a physician  
30 pursuant to this section or s. 409.913, the physician must be  
31 advised of his or her rights to due process under chapter 120.

Bill No. CS for SB 2220

Amendment No. \_\_\_\_

1 This provision shall not limit or hinder the agency's ability  
2 to pursue any remedy available to it under s. 409.913 or other  
3 applicable law.

4 (5) DETERMINATIONS OF OVERPAYMENT.--In making a  
5 determination of overpayment to a physician, the agency must:

6 (a) Use accepted and valid auditing, accounting,  
7 analytical, statistical, or peer-review methods, or  
8 combinations thereof. Appropriate statistical methods may  
9 include, but are not limited to, sampling and extension to the  
10 population, parametric and nonparametric statistics, tests of  
11 hypotheses, other generally accepted statistical methods,  
12 review of medical records, and a consideration of the  
13 physician's client case mix. Before performing a review of the  
14 physician's Medicaid records, however, the agency shall make  
15 every effort to consider the physician's patient case mix,  
16 including, but not limited to, patient age and whether  
17 individual patients are clients of the Children's Medical  
18 Services network established in chapter 391. In meeting its  
19 burden of proof in any administrative or court proceeding, the  
20 agency may introduce the results of such statistical methods  
21 and its other audit findings as evidence of overpayment.

22 (b) Refer all physician service claims for peer review  
23 when the agency's preliminary analysis indicates a potential  
24 overpayment, and before any formal proceedings are initiated  
25 against the physician, except as required by s. 409.913.

26 (c) By March 1, 2000, the agency shall study and  
27 report to the Legislature on its current statistical model  
28 used to calculate overpayments and advise the Legislature  
29 what, if any, changes, improvements, or other modifications  
30 should be made to the statistical model. Such review shall  
31 include, but not be limited to, a review of the

Bill No. CS for SB 2220

Amendment No. \_\_\_\_

1 appropriateness of including physician specialty and case-mix  
 2 parameters within the statistical model.

3 Section 62. Section 641.261, Florida Statutes, is  
 4 amended to read:

5 641.261 Other reporting requirements.--

6 (1) Each authorized health maintenance organization  
 7 shall provide records and information to the Agency for Health  
 8 Care Administration ~~Department of Health and Rehabilitative~~  
 9 ~~Services~~ pursuant to s. 409.910(20) and (21)(22) for the sole  
 10 purpose of identifying potential coverage for claims filed  
 11 with the agency ~~Department of Health and Rehabilitative~~  
 12 ~~Services~~ and its fiscal agents for payment of medical services  
 13 under the Medicaid program.

14 (2) Any information provided by a health maintenance  
 15 organization under this section to the agency ~~Department of~~  
 16 ~~Health and Rehabilitative Services~~ shall not be considered a  
 17 violation of any right of confidentiality or contract that the  
 18 health maintenance organization may have with covered persons.  
 19 The health maintenance organization is immune from any  
 20 liability that it may otherwise incur through its release of  
 21 information to the agency ~~Department of Health and~~  
 22 ~~Rehabilitative Services~~ under this section.

23 Section 63. Section 641.411, Florida Statutes, is  
 24 amended to read:

25 641.411 Other reporting requirements.--

26 (1) Each prepaid health clinic shall provide records  
 27 and information to the Agency for Health Care Administration  
 28 ~~Department of Health and Rehabilitative Services~~ pursuant to  
 29 s. 409.910(20) and (21)(22) for the sole purpose of  
 30 identifying potential coverage for claims filed with the  
 31 agency ~~Department of Health and Rehabilitative Services~~ and

Bill No. CS for SB 2220

Amendment No. \_\_\_\_

1 its fiscal agents for payment of medical services under the  
2 Medicaid program.

3 (2) Any information provided by a prepaid health  
4 clinic under this section to the agency ~~Department of Health~~  
5 ~~and Rehabilitative Services~~ shall not be considered a  
6 violation of any right of confidentiality or contract that the  
7 prepaid health clinic may have with covered persons. The  
8 prepaid health clinic is immune from any liability that it may  
9 otherwise incur through its release of information to the  
10 agency ~~Department of Health and Rehabilitative Services~~ under  
11 this section.

12 Section 64. Paragraph (a) of subsection (4) of section  
13 733.212, Florida Statutes, is amended to read:

14 733.212 Notice of administration; filing of objections  
15 and claims.--

16 (4)(a) The personal representative shall promptly make  
17 a diligent search to determine the names and addresses of  
18 creditors of the decedent who are reasonably ascertainable and  
19 shall serve on those creditors a copy of the notice within 3  
20 months after the first publication of the notice. Under s.  
21 409.9101, the Agency for Health Care Administration is  
22 considered a reasonably ascertainable creditor in instances  
23 where the decedent had received Medicaid assistance for  
24 medical care after reaching 55 years of age. Impracticable and  
25 extended searches are not required. Service is not required  
26 on any creditor who has filed a claim as provided in this  
27 part; a creditor whose claim has been paid in full; or a  
28 creditor whose claim is listed in a personal representative's  
29 timely proof of claim if the personal representative notified  
30 the creditor of that listing.
