14 ~~division~~ pursuant to this section shall contain a provision
15 for payment of liquidated damages to the department ~~division~~
16 for material noncompliance by a vendor with a contract

31 with its contracting HMOs to determine the nature and scope of

1 the data submission and the final requirements, format,
2 penalties associated with noncompliance, and timetables for
3 submission. These determinations shall be adopted by rule.
4 ~~Any HMO participating in the state group insurance program~~

31 health insurance providers interested in participating in the

1 state group insurance program, and the division shall issue a
2 request for proposal for insurance providers interested in
3 participating in the non-health-related components of the
4 state group insurance program. Upon receipt of all proposals,
5 the department ~~division~~ may enter into contract negotiations
6 with insurance providers submitting bids or negotiate a
7 specially designed benefit package. Insurance providers
8 offering or providing supplemental coverage as of May 30,
9 1991, which qualify for pretax benefit treatment pursuant to
10 s. 125 of the Internal Revenue Code of 1986, with 5,500 or

18 however, no state or agency funds shall be contributed toward
19 the cost of any part of the premium of such supplemental
20 benefit plans.

21 b. Pursuant to the applicable provisions of s.

1 ~~(h)(i)~~ The benefits of the insurance authorized by
2 this section shall not be in lieu of any benefits payable

4 state employee who elects to participate in the program shall
5 be prorated so that the percentage of the cost contributed for
6 the part-time permanent employee bears that relation to the
7 percentage of cost contributed for a similar full-time
8 employee that the part-time employee's normal workday bears to
9 a full-time employee's normal workday.

10 (e) No state contribution for the cost of any part of
11 the premium shall be made for retirees or surviving spouses
12 for any type of coverage under the state group insurance

26 forth in s. 112.19 or s. 112.191, as applicable until the
27 ~~child reaches the age of majority or until the end of the~~
28 ~~calendar year in which the child reaches the age of 25 if:~~

29 1. ~~At the time of the employee's death, the child is~~
30 ~~dependent upon the employee for support; and~~
31

1 2. ~~The surviving child continues to be a dependent for~~
2 ~~support, or the surviving child is a full-time or part-time~~
3 ~~student and is dependent for support.~~

4 (f) Pursuant to the request of each state officer,
5 full-time or part-time state employee, or retiree
6 participating in the state group insurance program, and upon
7 certification of the employing agency approved by the
8 department ~~Division of State Group Insurance~~, the Comptroller
9 shall deduct from the salary or retirement warrant payable to
10 each participant the amount so certified and shall handle such
11 deductions in accordance with rules established by the
12 department ~~division~~.

13 (g) No administrative or civil proceeding shall be
14 commenced to collect an underpayment or refund an overpayment
15 of premiums collected pursuant to this subsection unless such
16 claim is filed with the department ~~Division of State Group~~
17 ~~Insurance~~ within 2 years after the alleged underpayment or
18 overpayment was made. For purposes of this paragraph, a

8 orders within the meaning of s. 120.52. Any physician's fee
9 schedule used in the health and accident plan shall not be
10 available for inspection or copying by medical providers or
11 other persons not involved in the administration of the
12 program. However, in the determination of the design of the
13 program, the department ~~division~~ shall consider existing and
14 complementary benefits provided by the Florida Retirement

18 program.

19 (c) Contract on a competitive proposal basis with an
20 insurance carrier or carriers, or professional administrator,
21 determined by the Department of Insurance to be fully

26 actuarial soundness by the Department of Insurance. The
27 department ~~division~~ may contract with an insurance company or
28 professional administrator qualified and approved by the
29 Department of Insurance to administer such plan. Before
30 entering into any contract, the department ~~division~~ shall
31 advertise for competitive proposals, and such contract shall

1 be let upon the consideration of the benefits provided in
2 relationship to the cost of such benefits. In determining
3 which entity to contract with, the department ~~division~~ shall,
4 at a minimum, consider: the entity's previous experience and
5 expertise in administering group insurance programs of the
6 type it proposes to administer; the entity's ability to
7 specifically perform its contractual obligations in this state
8 and other governmental jurisdictions; the entity's anticipated
9 administrative costs and claims experience; the entity's
10 capability to adequately provide service coverage and
11 sufficient number of experienced and qualified personnel in
12 the areas of claims processing, recordkeeping, and
13 underwriting, as determined by the department ~~division~~; the
14 entity's accessibility to state employees and providers; the
15 financial solvency of the entity, using accepted business
16 sector measures of financial performance. The department
17 ~~division~~ may contract for medical services which will improve
18 the health or reduce medical costs for employees who
19 participate in the state group insurance plan.

20 (d) With respect to the state group health insurance
21 plan, be authorized to require copayments with respect to all
22 providers under the plan.

23 (e) Have authority to establish a voluntary program
24 for comprehensive health maintenance, which may include health

27 carrier or carriers or professional administrator entered into
28 by the department ~~division~~, require that the state and the
29 enrollees be held harmless and indemnified for any financial
30 loss caused by the failure of the insurance carrier or
31

1 professional administrator to comply with the terms of the
2 contract.

3 (g) With respect to any contract with an insurance
4 carrier or carriers, or professional administrator entered
5 into by the department division, require that the carrier or
6 professional administrator provide written notice to
7 individual enrollees if any payment due to any health care
8 provider of the enrollee remains unpaid beyond a period of
9 time as specified in the contract.

10 (h) Have authority to establish ~~a voluntary group~~
11 ~~long-term care program or~~ voluntary programs to be
12 funded on a pretax contribution basis or on a posttax
13 contribution basis, as the department division determines.

14 (i) Beginning November 1, 1998, and for the 1998-1999
15 fiscal year only, continue to process health insurance claims
16 for the 1996 and 1997 calendar years, subject to the review
17 and approval process provided in s. 216.177. This paragraph is
18 repealed on July 1, 1999.

19

20 Final decisions concerning enrollment, the existence of
21 coverage, or covered benefits under the state group ~~health~~
22 insurance program plan shall not be delegated or deemed to
23 have been delegated by the department division.

24 (6) DEPOSIT OF PREMIUMS AND REFUNDS.--Premium dollars
25 collected and not required to pay the costs of the program,

27 invested, and the earnings from such investment shall be
28 deposited in a trust fund to be designated in the State
29 Treasury and utilized for increased benefits or reduced
30 premiums for the participants or may be used to pay for the

1 refunds paid the state by the insurance carrier from premium
2 dollar reserves held by the carrier and earned on such refunds
3 shall be deposited in the trust fund and used for such
4 purposes.

5 (7) CONTINUATION OF AGENCY INSURANCE PLANS.--Nothing
6 contained in this section shall require the discontinuation of
7 any insurance plan provided by any state agency; however, no
8 state or agency funds shall be contributed toward the cost of
9 any part of the premium of such agency plans. Such agency
10 plans shall not be deemed to be included in the state group
11 insurance program.

12 (8) COVERAGE FOR LEGISLATIVE MEMBERS AND
13 EMPLOYEES.--The Legislature may provide coverage for its
14 members and employees under all or any part of the state group
15 insurance program; may provide coverage for its members and
16 employees under a legislative group insurance program in lieu
17 of all or any part of the state group insurance program; and,
18 notwithstanding the provisions of paragraph (4)(c), may assume
19 the cost of any group insurance coverage provided to its
20 members and employees. Effective July 1, 1999, any legislative
21 member who terminates his or her elected service after July 1,
22 1999, after having vested in the state retirement system, may
23 purchase coverage in the state group health insurance plan at
24 the same premium cost as that for retirees and surviving
25 spouses. Such legislators may also elect to continue coverage
26 under the group term life insurance program prevailing for
27 current members at the premium cost in effect for that plan.

28 (9) PUBLIC RECORDS LAW; EXEMPTION.--Patient medical
29 records and medical claims records of state employees, former
30 state employees, and their eligible covered dependents in the
31 custody or control of the state group insurance program are

1 confidential and exempt from the provisions of s. 119.07(1).
2 Such records shall not be furnished to any person other than
3 the affected state employee or former state employee or his or
4 her ~~the employee's~~ legal representative, except upon written
5 authorization of the employee or former state employee, but
6 may be furnished in any civil or criminal action, unless
7 otherwise prohibited by law, upon the issuance of a subpoena
8 from a court of competent jurisdiction and proper notice to
9 the state employee, former state employee, or his or her ~~the~~
10 ~~employee's~~ legal representative by the party seeking such
11 records.

12 (10) STATEMENTS OF PURPOSE AND INTENT AND OTHER
13 PROVISIONS REQUIRED FOR QUALIFICATION UNDER THE INTERNAL
14 REVENUE CODE OF THE UNITED STATES.--Any other provisions in
15 this chapter to the contrary notwithstanding:

16 (a) Any provision in this chapter relating to a state
17 group insurance program shall be construed and administered to
18 the extent possible to qualify such program to be a qualified
19 and nondiscriminatory employee benefit plan under existing or
20 hereafter-enacted provisions of the Internal Revenue Code of
21 the United States.

22 (b) The department ~~division~~ may adopt any rule
23 necessary to accomplish the purposes of this subsection not
24 inconsistent with this chapter.

25 (c) This subsection is declaratory of the legislative
26 intent upon the original enactment of this section and is
27 deemed to have been in effect since that date.

28 (11) NOTICE BY HEALTH CARE PROVIDERS.--Any health care
29 provider that has entered into a contract with a carrier or
30 professional administrator that has contracted with the
31 department ~~division~~ to administer the self-insurance program

1 under this section shall provide written notification to the
2 enrollee and the carrier or administrator at least 10 days

19 to be filled by any licensed pharmacy pursuant to contractual
20 claims-processing provisions. Nothing in this section may be
21 construed as prohibiting a mail order prescription drug
22 program distinct from the service provided by retail
23 pharmacies.

25 prescription medicines dispensed to members of the state group
26 health insurance plan and their dependents under the state

7 establish the reimbursement schedule for prescription
8 pharmaceuticals dispensed under the program. Reimbursement
9 rates for a prescription pharmaceutical must be based on the
10 cost of the generic equivalent drug if a generic equivalent
11 exists, unless the physician prescribing the pharmaceutical
12 clearly states on the prescription that the brand name drug is

15 and the provisions in paragraph (d) related specifically to
16 starter dose programs or the dispensing of long-term
17 maintenance medications. The prior authorization program

31 shall be made:

1 (ii) The Police and Firefighters' Premium Tax Trust
2 Fund established within the ~~Division of Retirement of the~~
3 Department of Management Services.

4
5 The enumeration of the foregoing moneys or trust funds shall
6 not prohibit the applicability thereto of s. 215.24 should the
7 Governor determine that for the reasons mentioned in s. 215.24
8 the money or trust funds should be exempt herefrom, as it is
9 the purpose of this law to exempt income from its force and
10 effect when, by the operation of this law, federal matching
11 funds or contributions or private grants to any trust fund
12 would be lost to the state.

13 Section 71. Subsection (3) of section 215.28, Florida
14 Statutes, is amended to read:

15 215.28 United States securities, purchase by state and
16 county officers and employees; deductions from salary.--

17 (3) All deductions so made by any such disbursing
18 authority shall be deposited in a trust account separate and
19 apart from the funds of the state, county, or subordinate
20 agency. Such account will be subject to withdrawal only for
21 the purchase of United States securities on behalf of officers
22 and employees, or for refunds to such persons in accordance
23 with the provisions of this law. Whenever the sum of \$18.75
24 or the purchase price of the security requested to be
25 purchased is accumulated from deductions so made from the
26 salaries or wages of an officer or employee, such disbursing
27 agent shall arrange the purchase of the bond or security
28 applied for and have it registered in the name or names
29 requested in the deduction authorization. Securities so
30 purchased will be delivered in such manner as may be
31 convenient for the issuing agent and the purchaser. Any

1 interest earned on moneys in such account while awaiting the
2 accumulation of the purchase price of the security shall be
3 transferred to the Florida Retirement System Trust Fund as
4 reimbursement for administrative costs incurred by the
5 Department of Management Services ~~Division of Retirement~~ under
6 this section.

11 the Florida Retirement System Trust Fund and the Florida
12 Survivor Benefit Trust Fund, shall collect the interest,
13 dividends, prepayments, maturities, proceeds from sales, and
14 other income accruing from such assets. As such income is
15 collected by the Treasurer, it shall be deposited directly
16 into a commercial bank to the credit of the State Board of
17 Administration. Such bank accounts as may be required for
18 this purpose shall offer satisfactory collateral security as
19 provided by chapter 280. In the event funds so deposited
20 according to the provisions of this section are required for
21 the purpose of paying benefits or other operational needs, the
22 State Board of Administration shall remit to the Florida
23 Retirement System Trust Fund in the State Treasury such
24 amounts as may be requested by the Department of Management
25 Services ~~director of the Division of Retirement~~.

26 Section 73. Subsections (2), (3), (11), and (13) of
27 section 238.01, Florida Statutes, are amended to read:

28 238.01 Definitions.--The following words and phrases

2 Management Services ~~Division of Retirement~~.

3 (3) "Teacher" means any member of the teaching or
4 professional staff and any certificated employee of any public
5 free school, of any district school system and vocational
6 school, any member of the teaching or professional staff of

18 superintendent, or who was serving as county superintendent of
19 public instruction on July 1, 1939, and any hereafter duly

11 regular interest thereon they would have made if "earnable
12 compensation" had been defined, at the time they became
13 members, as it is now defined. However, earnable compensation
14 for all plan years beginning on or after July 1, 1990, shall

3 out effectively the provisions of this chapter and shall be
4 known as the "Teachers' Retirement System of the State," and
5 by such name all of its business shall be transacted, all of
6 its funds invested, and all of its cash and securities and
7 other property held in trust for the purpose for which
8 received.

9 Section 75. Section 238.03, Florida Statutes, is
10 amended to read:

12 (1) The general administration and the responsibility
13 for the proper operation of the retirement system and for
14 making effective the provisions of this chapter are vested in
15 the Department of Management Services ~~Division of Retirement~~.
16 Subject to the limitation of this chapter, the department
17 ~~division~~ shall, from time to time, establish rules and
18 regulations for the administration and transaction of the
19 business of the retirement system and shall perform such other
20 functions as are required for the execution of this chapter.

21 (2) The department ~~division~~ shall keep in convenient

26 adviser of the department ~~division~~.

27 (4) The department ~~division~~ shall employ such agents,

6 period thereafter, the actuary shall make an actuarial
7 investigation of the mortality, service and salary experience
8 of the members and beneficiaries as defined in this chapter,

10 chapter, and having regard to such investigation and
11 valuation, the department ~~division~~ shall adopt such mortality
12 and service tables as shall be deemed necessary, and shall
13 certify the rates of contribution payable under the provisions
14 of this chapter.

15 (6) The actuary shall make an annual valuation of the
16 assets and liabilities of the funds of the retirement system
17 on the basis of the tables adopted by the department ~~division~~
18 in accordance with the requirements of this section, and shall
19 prepare an annual statement of the amounts to be contributed
20 by the state in accordance with s. 238.09.

21 (7) The department ~~division~~ shall publish annually the
22 valuation, as certified by the actuary, of the assets and

26 the funds.

27 (8) The department ~~division~~ shall keep a record of all

29 by the public.

30 (9) The department ~~division~~ is authorized to
31 photograph and reduce to microfilm as a permanent record, its

1 ledger sheets showing the salary and contributions of members
2 of the retirement system, also the records of deceased members
3 of the system and thereupon to destroy the documents from
4 which such films are photographed.

5 Section 76. Paragraph (b) of subsection (1),
6 paragraphs (a) and (b) of subsection (3), and subsection (4)
7 of section 238.05, Florida Statutes, are amended to read:

8 238.05 Membership.--

9 (1) The membership of the retirement system shall
10 consist of the following:

11 (b) All persons who became or who become teachers on
12 or after July 1, 1939, except as provided in paragraph (a) and
13 subsection (5) hereof, shall become members of the retirement
14 system by virtue of their appointment as teachers. However,
15 employees who are not members of the teaching or professional
16 staff shall only become members of the retirement system by
17 filing a notice with the department ~~division~~ of their election
18 to become members.

19 (3) Except as otherwise provided in s. 238.07(9),
20 membership of any person in the retirement system will cease
21 if he or she is continuously unemployed as a teacher for a
22 period of more than 5 consecutive years, or upon the
23 withdrawal by the member of his or her accumulated
24 contributions as provided in s. 238.07(13), or upon
25 retirement, or upon death; provided that the adjustments
26 prescribed below are to be made for persons who enter the
27 Armed Forces of the United States during a period of war or
28 national emergency and for persons who are granted leaves of
29 absence. Any member of the retirement system who within 1
30 year before the time of entering the Armed Forces of the

1 engaged in other public educational work within the state, and
2 member of the Teachers' Retirement System at the time of
3 induction, or who has been or is granted leave of absence,
4 shall be permitted to elect to continue his or her membership
5 in the Teachers' Retirement System; and membership service
6 shall be allowed for the period covered by service in the
7 Armed Forces of the United States or by leave of absence under
8 the following conditions:

9 (a) A person who has been granted leave of absence
10 shall file with the department ~~division~~ before his or her next
11 contribution is due an application to continue his or her
12 membership during the period covered by the person's leave of
13 absence and, if such application is filed, shall make his or
14 her contribution to the retirement system on the basis of his
15 or her last previous annual salary as a teacher, and shall,
16 prior to retirement, pay in full to the system such
17 contributions with accumulated regular interest. Such
18 contributions with interest may be paid at one time or in
19 monthly, quarterly, semiannual, or annual payments in the
20 person's discretion.

21 (b) A person who enters or who has entered the Armed
22 Forces of the United States may either continue his or her
23 membership according to the plan outlined under paragraph (a)
24 or, in lieu thereof, may file with the department ~~division~~ at
25 any time following the close of his or her military service an
26 application that his or her membership be continued and that
27 membership service be allowed for not more than 5 years of his
28 or her period of service in the Armed Forces of the United
29 States during any period of war or national emergency;
30 provided that any such person shall, prior to retirement, pay
31 in full his or her contributions with accumulated regular

1 interest to the retirement system for the period for which he
2 or she is entitled to membership service on the basis of his
3 or her last previous annual salary as a teacher. Such
4 contributions with interest may be paid to the department
5 ~~division~~ at one time or in monthly, quarterly, semiannual, or
6 annual payments in the person's discretion.

7 (4) The department ~~division~~ may in its discretion deny
8 the right to become members to any class of teachers who are
9 serving on a temporary or any other than a per annum basis,
10 and it may also in its discretion make optional with members
11 in any such class their individual entrance into membership.

12 Section 77. Subsections (3) and (10), paragraphs (a)
13 and (b) of subsection (12), subsections (13) and (15A), and
14 paragraphs (a) and (d) of subsection (16) of section 238.07,
15 Florida Statutes, are amended to read:

16 238.07 Regular benefits; survivor benefits.--

17 (3) Any member who, prior to July 1, 1955, elected to
18 retire under one of plans A, B, C, or D may elect, prior to
19 retirement, to retire under plan E in accordance with the
20 terms hereof. Any person who became a member on or after July
21 1, 1955, shall retire under plan E, except as provided for
22 under s. 238.31. With respect to plans A, B, C, or D, any
23 member shall have the right at any time to change to a plan of
24 retirement requiring a lower rate of contribution. The
25 Department of Management Services ~~Division of Retirement~~ shall
26 also notify the member of the rate of contribution such member
27 must make from and after selecting such plan of retirement.
28 Any member in service may retire upon reaching the age of
29 retirement formerly selected by him or her, upon the member's
30 written application to the department ~~division~~ setting forth
31 at which time, not more than 90 days subsequent to the

1 execution and filing of such application, it is his or her
2 desire to retire notwithstanding that during such period of
3 notification he or she may have separated from service. Upon
4 receipt of such application for retirement, the department
5 ~~division~~ shall retire such member not more than 90 days
6 thereafter. Before such member may retire he or she must file
7 with the department ~~division~~ his or her written selection of
8 one of the optional benefits provided in s. 238.08.

9 (10) Any member in service, who has 10 or more years
10 of creditable service, may upon the application of his or her
11 employer or upon his or her own application, be retired by the
12 department ~~division~~ not less than 30 nor more than 90 days
13 next following the date of filing such application, on a
14 disability retirement allowance; provided that a physician
15 licensed by this state examines and certifies that such member
16 is mentally or physically incapacitated for the further
17 performance of duty, that such incapacity is likely to be
18 permanent, and that such member should be retired, and the
19 department ~~division~~ concurs. In making the determination, the
20 department ~~division~~ may require other evidence of disability
21 as deemed appropriate.

22 (12)(a) Once each year during the first 5 years
23 following the retirement of a member on a disability
24 retirement allowance, and once in every 3-year period
25 thereafter, the department ~~division~~ may require any disability
26 beneficiary who has not yet attained his or her minimum
27 service retirement age to undergo a medical examination by a
28 physician licensed by this state and to submit any other
29 evidence of disability as required by the department ~~division~~.
30 Should a disability beneficiary who has not yet attained his
31 or her minimum service retirement age refuse to submit to any

1 such medical examination, his or her retirement allowance
2 shall be discontinued until his or her withdrawal of such
3 refusal, and should such refusal continue for 1 year, all of
4 the disability beneficiary's rights in and to his or her
5 pension shall be forfeited.

6 (b) If the department ~~division~~ finds that a disability
7 beneficiary is engaged in or is able to engage in a gainful
8 occupation paying more than the difference between his or her
9 disability retirement allowance and his or her average final
10 compensation, the amount of the beneficiary's pension shall be
11 reduced to an amount which, together with his or her annuity
12 and the amount earnable by him or her, shall equal the amount
13 of his or her average final compensation. Should the
14 beneficiary's earning capacity later be changed, the amount of
15 his or her pension may be further modified; provided that the
16 pension so modified shall not exceed the amount of the pension
17 allowable under subsection (11), at the time of retirement,
18 nor an amount which, when added to the amount earnable by the
19 beneficiary, together with his or her annuity, equals the
20 amount of his or her average final compensation. A
21 beneficiary restored to active service at a salary less than
22 the average final compensation upon the basis of which he or
23 she was retired shall not become a member of the retirement
24 system at that time.

25 (13) Should a member cease to be a teacher except by
26 death or by retirement under the provisions of this chapter,
27 the member shall be paid the amount of his or her accumulated
28 contributions. Should a member die before retirement, the
29 amount of his or her accumulated contributions shall be paid
30 to such person, if any, as he or she shall have nominated by
31 written designation duly executed and filed with the

1 department division; otherwise, to his or her executors or
2 administrators.

3 (15A)(a) Any member of the Teachers' Retirement System
4 who has heretofore, or who hereafter, retires with no less
5 than 10 years of creditable service and who has passed his or
6 her 65th birthday, may, upon application to the department
7 division, have his or her retirement allowance redetermined
8 and thereupon shall be entitled to a monthly service
9 retirement allowance which shall be equal to \$4 multiplied by
10 the number of years of the member's creditable service which
11 shall be payable monthly during his or her retirement;
12 provided, that the amount of retirement allowance as
13 determined hereunder, shall be reduced by an amount equal to:

14 1. Any social security benefits received by the
15 member, and

16 2. Any social security benefits that the member is
17 eligible to receive by reason of his or her own right or
18 through his or her spouse.

19 (b) No payment shall be made to a member of the
20 Teachers' Retirement System under this act, until the
21 department division has determined the social security status
22 of such member.

23 (c) Eligibility of a member of the Teachers'
24 Retirement System shall be determined under the social
25 security laws and regulations; provided, however, that a
26 member shall be considered eligible if the member or the
27 member's spouse has reached 65 years of age and would draw
28 social security if the member or the member's spouse were not
29 engaged in activity that results in the member or the member's
30 spouse receiving income that would make him or her ineligible
31 to receive social security benefits. A member of the

1 Teachers' Retirement System shall be deemed to be eligible for
2 social security benefits if the member has this eligibility in
3 his or her own right or through his or her spouse.

4 (d) The department ~~division~~ shall review, at least
5 annually, the social security status of all members of the
6 Teachers' Retirement System receiving payment under this act
7 and shall increase or decrease payments to such members as
8 shall be necessary to carry out the intent of this act.

9 (e) No member of the Teachers' Retirement System shall
10 have his or her retirement allowance reduced or any of his or
11 her rights impaired by reason of this act.

12 (f) This subsection shall take effect on January 1,
13 1962.

14 (16)(a) Definitions under survivor benefits are:

15 1. A dependent is a child, widow, widower, or parent
16 of the deceased member who was receiving not less than
17 one-half of his or her support from the deceased member at the
18 time of the death of such member.

19 2. A child is a natural or legally adopted child of a
20 member, who:

21 a. Is under 18 years of age, or

22 b. Is over 18 years of age but not over 22 years of
23 age and is enrolled as a student in an accredited educational
24 institution, or

25 c. Is 18 years of age or older and is physically or
26 mentally incapable of self-support, when such mental and
27 physical incapacity occurred prior to such child obtaining the
28 age of 18 years. Such person shall cease to be regarded as a
29 child upon the termination of such physical or mental
30 disability. The determination as to such physical or mental
31 incapability shall be vested in the department ~~division~~.

3. A parent is a natural parent of a member and includes a lawful spouse of a natural parent.

4. A beneficiary is a person who is entitled to benefits under this subsection by reason of his or her relation to a deceased member during the lifetime of such member.

(d) Limitations on rights of beneficiary are:

1. The person named as beneficiary in paragraph (b) shall, in no event, be entitled to receive the benefits set out in such paragraph unless the death of the member under whom such beneficiary claims occurs within the period of time after the member has served in Florida as follows:

Minimum number of years of service in Florida	Period after serving in Florida in which death of member occurs
3 to 5.....	2 years
6 to 9.....	5 years
10 or more.....	10 years

2. Upon the death of a member, the department ~~division~~ shall make a determination of the beneficiary or beneficiaries of the deceased member and shall pay survivor benefits to such beneficiary or beneficiaries beginning 1 month immediately

2 has not reached the age required to receive benefits under
3 paragraph (b), in which event the payment of survivor benefits
4 shall begin as of the month immediately following the month in
5 which the beneficiary reaches the required age. When required
6 by the department ~~division~~, the beneficiary or beneficiaries
7 shall file an application for survivor benefits upon forms
8 prescribed by the department ~~division~~.

9 3. The beneficiaries of a member to receive survivor
10 benefits are fixed by this subsection, and a member may not
11 buy or otherwise change such benefits. He or she may,
12 however, designate the beneficiary to receive the \$500 death
13 benefits. If a member fails to make this designation, the
14 \$500 death benefits shall be paid to his or her executor or
15 administrator.

16 4. The beneficiary or beneficiaries of a member whose
17 death occurs while he or she is in service or while he or she
18 is receiving a disability allowance under subsection (11),
19 shall receive survivor benefits under this subsection
20 determined by the years of service in Florida of the deceased
21 member as set out in paragraph (b). The requirement that the
22 death of a member must occur within a certain period of time
23 after service in Florida as set out in subparagraph (d)1.
24 shall not apply to a member receiving a disability benefit at
25 the time of his or her death.

26 Section 78. Subsection (2), paragraph (b) of
27 subsection (5), and subsections (6) and (7) of section 238.08,
28 Florida Statutes, are amended to read:

29 238.08 Optional benefits.--A member may elect to
30 receive his or her benefits under the terms of this chapter

31

1 according to the provisions of any one of the following
2 options:

3 (2) Option two. A member may elect to receive on
4 retirement the actuarial equivalent (at that time) of his or
5 her retirement allowance in a reduced retirement allowance
6 payable throughout life, with the provisions that if the
7 member dies before he or she has received in payment of his or
8 her annuity the amount of his or her accumulated
9 contributions, as they were at the time of his or her
10 retirement, the balance shall be paid to such person, if any,
11 as he or she shall nominate by written designation duly
12 acknowledged and filed with the department ~~division~~;
13 otherwise, to his or her executors or administrators.

14 (5)

15 (b) A member who elects Option three or Option four
16 shall, on a form provided for that purpose, designate his or
17 her spouse as beneficiary to receive the benefits which
18 continue to be payable upon the death of the member. After
19 such benefits have commenced under Option three or Option
20 four, the retired member may change the designation of his or
21 her spouse as beneficiary only twice. If such a retired
22 member remarries and wishes to make such a change, he or she
23 may do so by filing with the department ~~division~~ a notarized
24 change of spouse designation form and shall notify the former
25 spouse in writing of such change. Upon receipt of a completed
26 change of spouse designation form, the department ~~division~~
27 shall adjust the member's monthly benefit by the application
28 of actuarial tables and calculations developed to ensure that
29 the benefit paid is the actuarial equivalent of the present
30 value of the member's current benefit. The consent of a

31

1 retired member's formerly designated spouse as beneficiary to
2 any such change shall not be required.

3 (6) Notwithstanding any provision in this chapter to
4 the contrary, the following provisions shall apply to any
5 member of the retirement system who has accumulated at least
6 10 years of service and dies prior to retirement:

7 (a) If the deceased member's surviving spouse has
8 previously received a refund of the member's accumulated
9 contributions made to the retirement system, such spouse may
10 pay to the department ~~Division of Retirement~~ an amount equal
11 to the sum of the amount of the deceased member's
12 contributions previously refunded and regular interest
13 compounded annually on the amount of such refunded
14 contributions from the date of refund to the date of payment
15 to the department ~~division~~, and by so doing be entitled to
16 receive the monthly retirement benefit provided in paragraph
17 (c).

18 (b) If the deceased member's surviving spouse has not

20 contributions, such spouse shall, upon application to the

22 receive the monthly retirement benefit provided in paragraph
23 (c).

24 (c) The monthly benefit payable to the spouse
25 described in paragraph (a) or paragraph (b) shall be the
26 amount which would have been payable to the deceased member's
27 spouse, assuming that the member retired on the date of his or
28 her death and had selected the option in subsection (3), such
29 benefit to be based on the ages of the spouse and member as of
30 the date of death of the member. The benefit shall commence on

5 (7) The surviving spouse or other dependent of any
6 member whose employment is terminated by death shall, upon
7 application to the department ~~director of the Division of~~
8 ~~Retirement~~, be permitted to pay the required contributions for
9 any service performed by the member which could have been
10 claimed by the member at the time of his or her death. Such
11 service shall be added to the creditable service of the member
12 and shall be used in the calculation of any benefits which may
13 be payable to the surviving spouse or other surviving
14 dependent.

15 Section 79. Paragraphs (a), (c), and (d) of subsection
16 (1), paragraphs (b), (c), and (e) of subsection (3), and
17 paragraph (b) of subsection (5) of section 238.09, Florida
18 Statutes, are amended to read;

19 238.09 Method of financing.--All of the assets of the
20 retirement system shall be credited, according to the purposes
21 for which they are held, to one of four funds; namely, the
22 Annuity Savings Trust Fund, the Pension Accumulation Trust
23 Fund, the Expense Trust Fund, and the Survivors' Benefit Trust
24 Fund.

25 (1) The Annuity Savings Trust Fund shall be a fund in
26 which shall be accumulated contributions made from the
27 salaries of members under the provisions of paragraph (c) or
28 paragraph (f). Contribution to, payments from, the Annuity
29 Savings Trust Fund shall be made as follows:

30 (a) With respect to plan A, B, C, or D, upon the basis
31 of such tables as the Department of Management Services

1 ~~Division of Retirement~~ shall adopt, and regular interest, the
2 actuary of the retirement system shall determine for each
3 member the proportion of earnable compensation which, when
4 deducted from each payment of his or her prospective earnable
5 annual compensation prior to his or her minimum service
6 retirement age, and accumulated at regular interest until such
7 age, shall be computed to provide at such age:

8 1. An annuity equal to one one-hundred-fortieth of his
9 or her average final compensation multiplied by the number of
10 his or her years of membership in the case of each member
11 electing to retire under the provisions of plan A or B.

12 2. An annuity equal to one one-hundred-twentieth of
13 his or her average final compensation multiplied by the number
14 of his or her years of membership service in the case of each
15 member electing to retire under the provisions of plan C.

16 3. An annuity equal to one one-hundredth of his or her
17 average final compensation multiplied by the number of his or
18 her years of membership service in the case of each member
19 electing to retire under the provisions of plan D.

20
21 In the case of any member who has attained his or her minimum
22 service retirement age prior to becoming a member, the
23 proportion of salary applicable to such member, with respect
24 to plan A, B, C, or D, shall be the proportion computed for
25 the age 1 year younger than his or her minimum service
26 retirement age.

27 (c) The department ~~Division of Retirement~~ shall
28 certify to each employer the proportion of the earnable
29 compensation of each member who is compensated by the
30 employer, and the employer shall cause to be deducted from the
31 salary of each member on each and every payroll for each and

1 every payroll period an amount equal to the proportion of the
2 member's earnable compensation so computed. With respect to
3 plan A, B, C, or D, the employer shall not make any deduction
4 for annuity purposes from the compensation of a member who has
5 attained the age of 60 years, if such member elects not to
6 contribute.

7 (d) In determining the amount earnable by a member in
8 a payroll period, the department ~~division~~ may consider the
9 rate of compensation payable to such member on the first day
10 of the payroll period as continuing throughout such payroll
11 period, and it may omit deductions from compensation for any
12 period less than a full payroll period if a teacher was not a
13 member on the first day of the payroll period, and to
14 facilitate the making of deductions, it may modify any
15 deduction required of any member by such an amount as shall
16 not exceed one-tenth of 1 percent of the annual salary from
17 which said deduction is to be made.

18 (3) The Pension Accumulation Trust Fund shall be the
19 fund in which shall be accumulated all reserves for the
20 payment of all annuities or benefits in lieu of annuities on
21 retired members and all pensions and other benefits payable
22 from contributions made by the members and by the employers,
23 from which annuities, pensions and benefits in lieu thereof
24 shall be paid. Contributions to, and payments from, the
25 Pension Accumulation Trust Fund, other than as set forth in
26 subsections (2) and (3) herein, shall be made as follows:

27 (b) On the basis of regular interest and of such
28 mortality and other tables as shall be adopted by the
29 department ~~division~~, the actuary engaged by the department
30 ~~division~~ to make each valuation required by this chapter
31 shall, during the period over which the accrued liability

1 contribution is payable, determine, immediately after making
2 such valuation, the uniform and constant percentage of the
3 earnable compensation of the average new entrant, which, if
4 contributed on the basis of his or her compensation throughout
5 his or her entire period of service, would be sufficient to
6 provide for the payment of any pension payable by the state on
7 his or her account. The rate percent so determined shall be
8 known as the normal contribution rate. After the accrued
9 liability contribution has ceased to be payable, the normal
10 contribution rate shall be the rate percent of the earnable
11 compensation of all members, obtained by deducting from the
12 total liabilities of the Pension Accumulation Trust Fund the
13 amount of the funds in hand to the credit of that fund and
14 dividing the remainder by 1 percent of the present value of
15 the prospective future salaries of all members as computed on
16 the basis of the mortality and service tables adopted by the
17 department ~~division~~ and on the basis of regular interest. The
18 normal rate of contribution shall be determined and certified
19 to the department ~~division~~ by the actuary after each valuation
20 and shall continue in force until a new valuation and
21 certification are made.

22 (c) Immediately succeeding the first valuation, the
23 actuary engaged by the department ~~division~~ shall compute the
24 rate percent of the total earnable compensation of all members
25 which is equivalent to 4 percent of the amount of the total
26 liability for pensions on account of all members and
27 beneficiaries and not dischargeable by the present assets of
28 the Pension Accumulation Trust Fund and by the aforesaid
29 normal contribution if made on account of such members during
30 the remainder of their active service. The rate percent,
31

1 originally so determined, shall be known as the accrued
2 liability contribution rate.

3 (e) The accrued liability contribution shall be
4 discontinued as soon as the accumulated reserve in the Pension
5 Accumulation Trust Fund shall equal the present value, as
6 actuarially computed and approved by the department ~~division~~,
7 of the total liability of such fund less the present value,
8 computed on the basis of the normal contribution rate, then in
9 force of the prospective normal contributions to be received
10 on account of persons who are at that time members.

11 (5)

12 (b) The department ~~division~~ shall annually certify to
13 each employer, at the time it makes the certification to the
14 employer under paragraph (1)(c), the rate of
15 twenty-five-hundredths percent to be applied by the employer
16 to the salary of each member who is compensated by the
17 employer, and the employer shall cause to be deducted from the
18 salary of each member on each and every payroll for each and
19 every payroll period an amount equal to twenty-five-hundredths
20 percent of the member's salary paid by the employer and the
21 employer shall remit monthly such deducted amounts to the
22 department ~~division~~ which shall place the same in the
23 Survivors' Benefit Trust Fund of the Teachers' Retirement
24 System of the state. The amount of contributions by a member
25 to the Survivors' Benefit Trust Fund shall, in no event, be
26 refundable to the member or his or her beneficiaries.

3 the exception of the expense fund, from the interest and
4 dividends earned from investments.
