BILL #: HB 235

RELATING TO: Motor Vehicle Registration/MADD

SPONSOR(S): Representatives Ogles, Byrd, Heyman, and others

COMPANION BILL(S): SB 816 (s)

ORIGINATING COMMITTEE(S)/COMMITTEE(S) OF REFERENCE:

- (1) TRANSPORTATION
 - (2) TRANSPORTATION & ECONOMIC DEVELOPMENT APPROPRIATIONS
 - (3)
 - (4)
 - (5)

I. SUMMARY:

A checkoff on motor vehicle registrations for a voluntary contribution to the Florida Mothers Against Drunk Driving Inc., is currently not authorized.

Florida law requires specific authorization for a voluntary contribution checkoff on the application for motor vehicle registration. The requirements are similar to the application requirements used for specialty license plates. The requesting organization must submit the following to the Department of Highway Safety and Motor Vehicles (DHS&MV) at least 90 days before the next regular legislative session:

- A request that describes the proposed voluntary contribution in general terms.
- An application fee, not to exceed \$10,000 to defray the Department's cost for reviewing the application and developing the voluntary contribution checkoff. State funds cannot be used to pay the application fee.
- A marketing strategy outlining short-term and long-term marketing plans for the requested voluntary contribution, and a financial analysis outlining the anticipated revenues and planned expenditures from the voluntary contribution.

On January 11, 1999, DHS&MV indicated that no organizations had met the voluntary contribution application requirements for the 1999 Session.

The bill authorizes DHS&MV to collect voluntary contributions from registrants as part of the motor vehicle registration and renewal process. Such voluntary contributions would be transferred monthly to Florida Mothers Against Drunk Driving, Inc.

The bill would require DHS&MV to modify its computer software system at a cost of \$12,500.

II. SUBSTANTIVE ANALYSIS:

A. PRESENT SITUATION:

Florida law requires specific authorization for a voluntary contribution checkoff on the application for motor vehicle registration. A checkoff for a voluntary contribution to the Florida Mothers Against Drunk Driving, Inc., is currently not authorized.

Section 320.023, F.S., establishes requirements for entities seeking to create a voluntary checkoff on motor vehicle registrations. The requirements are similar to the application requirements used for specialty license plates. The requesting organization must submit the following to DHS&MV at least 90 days before the next regular legislative session:

- A request that describes the proposed voluntary contribution in general terms.
- An application fee, not to exceed \$10,000 to defray the Department's cost for reviewing the application and developing the voluntary contribution checkoff. State funds cannot be used to pay the application fee.
- A marketing strategy outlining short-term and long-term marketing plans for the requested voluntary contribution, and a financial analysis outlining the anticipated revenues and planned expenditures from the voluntary contribution.

Voluntary contributions may not be used for commercial or for-profit activities, nor for general or administrative expenses, except as authorized by law or to pay the cost of an audit or report required by law. Any voluntary contributions authorized by law shall only be distributed under an appropriation by the Legislature.

During FY 1997-98, DHS&MV collected the following amounts from voluntary contributions on motor vehicle registrations:

**Motor Vehicle Registrations - Voluntary Contributions
