PREPARED BY: Senate Committee on Comprehensive Planning, Local and Military Affairs
DATE: April 30, 1999

I. Amendments Contained in Message

House Amendment #1-- bar code #051727 (body)

II. Summary of Amendments Contained in Message

House Amendment #1--Limits the public records exemption granted by the bill for public records supplied to a condemning authority as part of presuit negotiations authorized by s. 73.015, F.S., to the situation where the disclosure of the business records would cause substantial harm to the person producing the records and the person specifically requests the records be held exempt. Allows the Attorney General, Legislature and state agencies to access the records, if necessary.
