1 must be implemented in order to ensure the sustainability of 2 these communities; 3 (c) The implementation of these measures will enhance cooperative efforts among the private sector, government, and 4 5 nonprofit organizations in this state to ensure the б sustainability of Florida; and 7 It would be beneficial to provide resources in (d) 8 this state to undertake a series of pilot projects that 9 demonstrate techniques and approaches to ensure health care 10 for disease prevention and health promotion for low-income 11 persons who are living in communities with environmental contamination. 12 13 (2) Community Environmental Health Program pilot 14 projects are established to promote disease prevention and health among low-income persons living near environmentally 15 contaminated sites. 16 17 The pilot projects shall build upon existing (3) environmental and economic efforts to address contaminated 18 19 sites through the Brownfields Redevelopment Act, the Eastward Brownfields Showcase Partnership, the federal Superfund 20 21 program, and other state and federal programs that address public health and the environment. 22 The pilot projects may form partnerships with 23 (4) 24 existing health care providers and units, contribute to a health care needs assessment, provide research capacity to 25 26 improve health status, and serve as the basis for health care 27 capacity in underserved areas with contamination. (5) 28 The following pilot projects are created: 29 In Pinellas County through the Greenwood Community (a) 30 Health Center in Clearwater, for the low-income communities 31

CODING: Words stricken are deletions; words underlined are additions.

1 designated as a pilot project under the Brownfields 2 Redevelopment Act. 3 (b) In Escambia County, for the low-income communities designated as a brownfields project within the Palafox 4 5 Redevelopment Area. б (c) In Hillsborough, Pinellas, Sarasota, and Manatee 7 Counties for the Urban League of Pinellas County, to operate 8 its mobile health screening unit to provide public health care 9 to persons living in low-income communities with contaminated 10 sites within those counties. 11 (d) In Palm Beach County, for the low-income communities with contaminated sites within in the City of 12 13 Riviera Beach. (e) Three additional pilot projects shall be created 14 in 2000 by the Community Environmental Health Program to serve 15 low-income communities with designated brownfield sites or 16 17 federal Superfund sites. Section 3. Section 381.103, Florida Statutes, is 18 19 created to read: 381.103 Community Environmental Health Program; duties 20 21 of department.--The department shall: 22 Assist the pilot projects in development and (1)implementation of their community programs. 23 24 (2) Facilitate the integration of the pilot projects 25 with ongoing departmental programs, so that duplication of 26 services is avoided and synergy between the programs enhanced. 27 With input from the pilot projects, develop (3) educational and outreach programs for health care providers 28 29 and communities that increase awareness of health care needs 30 for low-income persons living in communities with environmental contamination. 31

3

CODING:Words stricken are deletions; words underlined are additions.

1	(4) Develop the capacity of the pilot projects to
2	participate in research endeavors that promote disease
3	prevention and health in low-income communities with
4	environmental contamination.
5	(5) Assist the pilot projects in obtaining low-cost
6	health care services designed to prevent disease and promote
7	health in communities with environmental contamination.
8	(6) Prepare a report to be submitted to the President
9	of the Senate, the Speaker of the House of Representatives,
10	and the Governor on the findings, accomplishments, and
11	recommendations of the Community Environmental Health Program
12	and the pilot projects.
13	(7) Facilitate cooperation between affected
14	communities, appropriate agencies, and ongoing initiatives,
15	such as Front Porch Florida, in order to ensure the health and
16	economic and environmental vitality of communities in this
17	state.
18	Section 4. (1) There is hereby appropriated from the
19	General Revenue Fund the sum of \$1.825 million per year for
20	fiscal years 1999-2003 for the Community Environmental Health
21	Program pilot projects. Of this amount, for fiscal year
22	1999-2000, \$500,000 each is allocated for the Pinellas County,
23	Escambia County, and Palm Beach County pilot projects;
24	\$125,000 is allocated for the Urban League of Pinellas County;
25	and \$200,000 is allocated to the Community Environmental
26	Health Program of the Department of Health, to assist in the
27	implementation of the pilot projects. For each of fiscal years
28	2000-2001, 2001-2002, and 2002-2003, the three additional
29	pilot projects shall be allocated \$300,000 each; the pilot
30	projects in Pinellas, Escambia, and Palm Beach Counties shall
31	be allocated \$200,000 each; the Urban League of Pinellas

4

CODING:Words stricken are deletions; words <u>underlined</u> are additions.

1 County shall be allocated \$125,000; and the Department of Health shall be allocated \$200,000. 2 3 (2) The funds allocated under subsection (1) must be 4 used for: 5 Identification of health needs for low-income (a) б persons living in communities with contamination; 7 (b) Delivery of health services, including screening, 8 diagnosis of disease, treatment or routing for treatment of disease; preventive annual physical examinations; monitoring 9 10 for effects of toxic exposure; and consultation on measures to 11 prevent diseases; (c) Resources for accessing the delivery of health 12 services through Medicare, Medicaid, and third-party coverage, 13 among other sources, and for ensuring quality assurance and 14 quality control for the implementation of the Community 15 Environmental Health Program pilot projects; 16 (d) Research on improving disease prevention and 17 promoting health for low-income persons living in communities 18 19 with contamination; and (e) Preparation of a report by the Community 20 21 Environmental Health Program on the results and 22 recommendations of the pilot projects. 23 Section 5. This act shall take effect July 1, 1999. 24 25 26 27 28 29 30 31

2	HOUSE SUMMARY
3	Creates the Florida Environmental Health Protection Act. Establishes Community Environmental Health Program pilot
4	projects to promote disease prevention and health among low-income persons living near environmentally contaminated sites. Designates pilot projects in
5	specified counties, and provides for three additional
6	pilot projects beginning in 2000. Provides duties of the Department of Health to assist the pilot projects and
7	requires a report to the Governor and Legislature. Provides appropriations to implement the pilot projects and program for fiscal years 1999-2003. Specifies use of
8	and program for fiscal years 1999-2003. Specifies use of appropriations.
