Representative(s) Posey offered the following:

**Amendment (with title amendment)**

On page 6, after line 31, of the bill

insert:

Section 5. Each school district and community college must include a one-page summary of all moneys that were expended or encumbered for workforce development programs for which the school district or community college was responsible during the preceding fiscal year and an estimate of such moneys projected by the school district or community college for the current fiscal year. All such expenditures and estimates of such expenditures must be expressed in line items by unit costs for each output measure approved pursuant to ss. 216.0166(3) and 239.115. Unit-cost totals must equal the total amount of moneys that were expended or projected to be expended by the school district or community college and must include expenditures or projected expenditures of state funds by subordinate governmental entities and contractors, as

1 applicable. At the regular session immediately following the  
 2 submission of the summary, the Legislature shall reduce in the  
 3 General Appropriations Act for the ensuing fiscal year, by an  
 4 amount equal to at least 10 percent of the allocation for the  
 5 fiscal year preceding the current fiscal year, the funding of  
 6 each school district or community college that fails to submit  
 7 the summary required by this section. The Executive Office of  
 8 the Governor, in consultation with the Office of Program  
 9 Policy Analysis and Government Accountability, the Auditor  
 10 General, the Department of Banking and Finance, and the  
 11 legislative appropriations committees, shall develop  
 12 instructions as to the calculation of the unit-cost  
 13 information and the format and presentation of the summary  
 14 required under this section.
