23 to read:

24 212.02 Definitions.--The following terms and phrases
25 when used in this chapter have the meanings ascribed to them
26 in this section, except where the context clearly indicates a
27 different meaning:

28 (14)(a) "Retail sale" or a "sale at retail" means a
29 sale to a consumer or to any person for any purpose other than
30 for resale in the form of tangible personal property or
31 services taxable under this chapter, and includes all such

1 transactions that may be made in lieu of retail sales or sales
2 at retail. A sale for resale includes a sale of qualifying
3 property. As used in this paragraph, "qualifying property"

5 or consumed by a government contractor in the performance of a
6 qualifying contract, as defined by s. 212.06(17)(b), the cost
7 of which property is allocated or charged as a direct item of
8 cost to such contract, and title to which property vests in or

10 use of qualifying property in performing a qualifying contract
11 shall not be deemed a "use" within the meaning of subsection
12 (20) or any other provision of this chapter.

13 (2) It is the intent of the Legislature that the

16 law with respect to the tax imposed by chapter 212, Florida

23 (17)(a) Subject to paragraph (c), the tax imposed by
24 this chapter does not apply to the sale to or use by a
25 government contractor of overhead materials.

26 (b) As used in this subsection:

27 1. "Overhead materials" means any tangible personal
28 property, other than electricity, used or consumed in the
29 performance of a qualifying contract, the cost of which is
30 allocated, in whole or in part, to two or more contracts, at
31 least one of which is a qualifying contract, title to which

1 property vests in or passes to the government under the
2 contract.

3 2. "Qualifying contract" means a contract with the
4 United States Department of Defense or the National
5 Aeronautics and Space Administration, or a subcontract

7 space flight as defined by s. 212.02(23), or to other National
8 Aeronautics and Space Administration or Department of Defense
9 aviation or aerospace efforts or programs.

22 chapter shall be applicable to 20 percent of the sales price
