11 of the activities for which the license is required. The
12 license must be in the possession of the licenseholder or
13 aboard the vessel and shall be subject to inspection at any
14 time that harvesting activities for which a license is
15 required are being conducted. A restricted species endorsement
16 on the saltwater products license is required to sell to a
17 licensed wholesale dealer those species which the state, by
18 law or rule, has designated as "restricted species." This
19 endorsement may be issued only to a person who is at least 16
20 years of age, or to a firm certifying that over 25 percent of

1 the income of the person, firm, or corporation is attributable
2 to the sale of saltwater products pursuant to a license issued
3 under this paragraph or a similar license from another state,
4 in order to be issued the endorsement. Such income attribution
5 must apply to at least 1 year out of the last 3 years. For the
6 purpose of this section "income" means that income which is
7 attributable to work, employment, entrepreneurship, pensions,
8 retirement benefits, and social security benefits. To renew an

3 saltwater products to supply his or her retail store and has
4 had a saltwater products license for 1 of the past 3 years
5 prior to January 1, 1990, may provide proof of his or her
6 verification of income and sales value at the person's retail
7 seafood market and/or restaurant and in his or her saltwater
8 products enterprise by affidavit and shall thereupon be issued
9 a restricted species endorsement.

10 2. Exceptions from income requirements shall be as
11 follows:

13 available to those persons age 62 and older who have qualified
14 for such endorsement for at least 3 out of the last 5 years.

16 consideration of time necessary to qualify and shall not be
17 counted against the applicant for purposes of qualifying.

19 owned by a person, firm, or corporation possessing or eligible
20 for a restricted species endorsement, the purchaser of such
21 vessel shall be exempted from the qualifying income

7 be issued on an individual saltwater products license to a
8 person age 70 or older who has held a saltwater products
9 license for at least 3 of the last 5 license years.

10 g. Any resident who is certified to be totally and
11 permanently disabled by a verified written statement, based
12 upon the criteria for permanent total disability in chapter
13 440 from a physician licensed in this state, by any branch of
14 the United States Armed Services, by the Social Security
15 Administration, or by the United States Department of Veterans
16 Affairs or its predecessor, or any resident who holds a valid
