21 outdoor recreation lands.

22  
23 Commercially valuable parcels, including those parcels near

12 (1) The Comptroller may make distribution of the

20 Osceola Forest Reserves are located, the number of acres of  
21 land of such forest reserve embraced in each of the counties  
22 in each of the reserves, and, also, the amount of money  
23 received by the United States Government from each of the  
24 reserves, respectively. The Comptroller shall apportion the  
25 money on hand to each county in each reserve, respectively and  
26 separately; such distribution shall be based upon the number  
27 of acres of land embraced in the Apalachicola Forest,  
28 Choctawhatchee Forest, Ocala Forest, and Osceola Forest,  
29 respectively, in each county and shall be further based upon  
30 the amount collected by the United States from each of such  
31 forests, so that such distribution, when made, will include

1 for each county the amount due each county, based upon the  
2 receipts for the particular forest and the acreage in the  
3 particular county in which such forest is located. The  
4 Comptroller shall issue two warrants on the Treasurer in each  
5 case, the sum of which shall be the amount due each of such  
6 counties from the fund. One warrant shall be payable to the  
7 county for the county general road fund, and one warrant, of

12 fully comply with subsections (1) and (2), the Comptroller may  
13 adjust the matter according to the United States statutes, or  
14 as may appear to him or her to be just and fair, and with the  
15 approval of all counties in interest.

16 (4) The moneys that may be received and credited to  
17 the Federal Use of State Lands ~~National Forest~~ Trust Fund are

20 section.

21 Section 23. Effective July 1, 1999, paragraph (a) of  
22 subsection (9) and subsection (10) of section 403.1835,  
23 Florida Statutes, 1998 Supplement, are amended to read:

24 403.1835 Sewage treatment facilities revolving loan  
25 program.--

26 (9) Funds for the loans and grants authorized under  
27 this section must be managed as follows:

28 (a) A nonlapsing trust fund with revolving loan  
29 provisions to be known as the "Wastewater ~~Sewage~~ Treatment and  
30 Stormwater Management Revolving Loan Trust Fund" is hereby  
31 established in the State Treasury to be used as a revolving

1 fund by the department to carry out the purpose of this  
2 section. Any funds therein which are not needed on an  
3 immediate basis for loans may be invested pursuant to s.  
4 215.49. The cost of administering the program shall be paid  
5 from federal funds, from reasonable service fees that may be  
6 imposed upon loans, and from proceeds from the sale of loans  
7 as permitted by federal law so as to enhance program  
8 perpetuity. Grants awarded by the Federal Government, state  
9 matching funds, and investment earnings thereon shall be  
10 deposited into the fund. Proceeds from the sale of loans must  
11 be deposited into the fund. All moneys available in the fund,  
12 including investment earnings, are hereby designated to carry  
13 out the purpose of this section. The principal and interest  
14 payments of all loans held by the fund shall be deposited into  
15 this fund.

16 (10) Because the Legislature has experienced revenue  
17 shortfalls in recent years and has been unable to provide  
18 enough funds to fully match available federal funds to help  
19 capitalize the Wastewater Sewage Treatment and Stormwater  
20 Management Revolving Loan Trust Fund, it is necessary for  
21 innovative approaches to be considered to help capitalize the  
22 revolving loan fund. The department shall evaluate potential  
23 innovative approaches that can generate funds to match  
24 available federal funds. The department may adopt approaches  
25 that will help ensure the continuing viability of the  
26 Wastewater Sewage Treatment and Stormwater Management  
27 Revolving Loan Trust Fund. The department shall consider,  
28 among other possible alternatives, the option of implementing  
29 by rule a program to allow local governments to offer funds  
30 voluntarily to the state for use as a match to available  
31

1 federal funds to capitalize the Wastewater ~~state sewage~~  
2 Treatment and Stormwater Management Revolving Loan Trust Fund.

3 Section 24. Effective July 1, 1999, section 403.1836,

12 agencies for constructing stormwater management systems  
13 authorized pursuant to s. 403.1835. During this period of  
14 time, if the department does not receive requests for projects  
15 to use the funds available for stormwater management systems,  
16 such funds shall be used for constructing sewage treatment  
17 facilities and other activities authorized by s. 403.1835.

18 Section 25. Except as otherwise provided herein, this  
19 act shall take effect July 1, 2000.
