18 created to read:

19 395.6061 Rural hospital capital improvement.--There is
20 established a rural hospital capital improvement grant
21 program.

22 (1) A rural hospital as defined in s. 395.602 may
23 apply to the department for a grant. The grant application
24 must provide information that includes:

25 (a) A statement indicating the problem the rural
26 hospital proposes to solve with the grant funds;

27 (b) The strategy proposed to resolve the problem;

28 (c) The organizational structure, financial system,
29 and facilities that are essential to the proposed solution;

30 (d) The projected longevity of the proposed solution
31 after the grant funds are expended;

1 (e) Evidence of participation in a rural health
2 network as defined in s. 381.0406;

3 (f) Evidence that the rural hospital has difficulty in
4 obtaining funding or that funds available for the proposed
5 solution are inadequate;

6 (g) Evidence that the grant funds will assist in
7 maintaining or returning the hospital to an economically
8 stable condition or that any plan for closure or realignment
9 of services will involve development of innovative
10 alternatives for the discontinued services;

11 (h) Evidence of a satisfactory record-keeping system
12 to account for grant fund expenditures within the rural
13 county;

14 (i) A rural health network plan that includes a

19 physical and operational condition of the hospital.

20 (2) Each rural hospital as defined in s. 395.602 shall
21 receive a minimum of \$100,000 annually, subject to legislative
22 appropriation, upon application to the Department of Health,
23 for projects to acquire, repair, improve, or upgrade systems,
24 facilities, or equipment.

25 (3) Any remaining funds shall annually be disbursed to
26 rural hospitals in accordance with this section. The
27 Department of Health shall establish, by rule, criteria for
28 awarding grants for any remaining funds, which must be used
29 exclusively for the support and assistance of rural hospitals
30 as defined in s. 395.602, including criteria relating to the
31 level of uncompensated care rendered by the hospital, the

1 participation in a rural health network as defined in s.
2 381.0406, and the proposed use of the grant by the rural
3 hospital to resolve a specific problem. The department must
4 consider any information submitted in an application for the
5 grants in accordance with subsection (1) in determining
6 eligibility for and the amount of the grant, and none of the
7 individual items of information by itself may be used to deny
8 grant eligibility.

9 (4) The department shall ensure that the funds are
10 used solely for the purposes specified in this section.
