Amendment

On page 18, lines 18-25,
remove from the bill: all of said lines
and insert in lieu thereof: The duration of the opportunity scholarship is limited to the grades offered by the private school. Upon completion of the highest grade exit point offered by the private school, the student will return to the public school system. The duration of the opportunity scholarship is also limited to the geographical residence of the student. If a student changes their home residence to a location where the student would no longer be assigned to the critically low-performing school, the opportunity scholarship would no longer be effective.
