Amendment

On page 39, lines 20-30, through page 40, lines 1-9
remove from the bill: all of said lines

and insert in lieu thereof: 2. In school years 1998-1999 and 1999-2000, a school's performance grade category designation shall be determined by parental involvement, the student achievement levels on the FCAT, and on other appropriate performance data, including, but not limited to, attendance, dropout rate, school discipline data, and student readiness for college, in accordance with state board rule.

3. Beginning with the 2000-2001 school year, a school's performance grade category designation shall be based on a combination of student achievement scores as measured by the FCAT, on the degree of measured learning gains of the students, parental involvement, and on other appropriate performance data, including, but not limited to, attendance, dropout rate, school discipline data, and student readiness for college.

1 4. Beginning with the 2001-2002 school year and
 2 thereafter, a school's performance grade category designation
 3 shall be based on parental involvement, student learning gains
 4 as measured by annual FCAT assessments in grades 3 through 10,
 5 and on other appropriate performance data, including, but not
 6 limited to, attendance, dropout rate, school discipline data,
 7 and student readiness for college.
