19

20 Section 1. Subsection (6) of section 403.086, Florida
21 Statutes, is amended to read:

22

23 403.086 Sewage disposal facilities; advanced and
24 secondary waste treatment.--

25

26 (6) As of July 10, 1987, any facility covered in
27 paragraph (1)(c) shall be permitted to discharge if it meets
28 the standards set forth in subsections (4) and (5). ~~Facilities~~
29 ~~that do not meet the standards in subsections (4) and (5) as~~
30 ~~of July 10, 1987, may be permitted to discharge under existing~~
31 ~~law until October 1, 1990.~~ On and after October 1, 1990, all
of the facilities covered in paragraph (1)(c) shall be

31

1 required to meet the standards set forth in subsections (4)
2 and (5).

4 Reviser's note.--Amended to delete obsolete
5 language.

7 Section 2. Paragraph (a) of subsection (11) of section
8 403.0872, Florida Statutes, is amended to read:

9 403.0872 Operation permits for major sources of air
10 pollution; annual operation license fee.--Provided that
11 program approval pursuant to 42 U.S.C. s. 7661a has been
12 received from the United States Environmental Protection
13 Agency, beginning January 2, 1995, each major source of air
14 pollution, including electrical power plants certified under
15 s. 403.511, must obtain from the department an operation
16 permit for a major source of air pollution under this section,
17 which is the only department operation permit for a major
18 source of air pollution required for such source. Operation
19 permits for major sources of air pollution, except general
20 permits issued pursuant to s. 403.814, must be issued in
21 accordance with the following procedures and in accordance
22 with chapter 120; however, to the extent that chapter 120 is
23 inconsistent with the provisions of this section, the
24 procedures contained in this section prevail:

25 (11) Commencing in 1993, each major source of air
26 pollution permitted to operate in this state must pay between
27 January 15 and March 1 of each year, upon written notice from
28 the department, an annual operation license fee in an amount
29 determined by department rule. The annual operation license
30 fee shall be terminated immediately in the event the United
31 States Environmental Protection Agency imposes annual fees

1 solely to implement and administer the major source
2 air-operation permit program in Florida under 40 C.F.R. s.
3 70.10(d).

4 (a) The annual fee must be assessed based upon the
5 source's previous year's emissions and must be calculated by
6 multiplying the applicable annual operation license fee factor
7 times the tons of each regulated air pollutant (except carbon
8 monoxide) allowed to be emitted per hour by specific condition
9 of the source's most recent construction or operation permit,
10 times the annual hours of operation allowed by permit
11 condition; provided, however, that:

12 1. ~~For 1993 and 1994, the license fee factor is \$10.~~
13 ~~For 1995, the license fee factor is \$25. In succeeding years,~~
14 The license fee factor is \$25 or another amount determined by
15 department rule which ensures that the revenue provided by
16 each year's operation license fees is sufficient to cover all
17 reasonable direct and indirect costs of the major stationary
18 source air-operation permit program established by this
19 section. The license fee factor may be increased beyond \$25
20 only if the secretary of the department affirmatively finds
21 that a shortage of revenue for support of the major stationary
22 source air-operation permit program will occur in the absence
23 of a fee factor adjustment. The annual license fee factor may
24 never exceed \$35. ~~The department shall retain a nationally~~
25 ~~recognized accounting firm to conduct a study to determine the~~
26 ~~reasonable revenue requirements necessary to support the~~
27 ~~development and administration of the major source~~
28 ~~air-operation permit program as prescribed in paragraph (b).~~
29 ~~The results of that determination must be considered in~~
30 ~~assessing whether a \$25-per-ton fee factor is sufficient to~~
31 ~~adequately fund the major source air-operation permit program.~~

1 ~~The results of the study must be presented to the Governor,~~
2 ~~the President of the Senate, the Speaker of the House of~~
3 ~~Representatives, and the Public Service Commission, including~~
4 ~~the Public Counsel's Office, by no later than October 31,~~
5 ~~1994.~~

6 2. For any source that operates for fewer hours during
7 the calendar year than allowed under its permit, the annual
8 fee calculation must be based upon actual hours of operation
9 rather than allowable hours if the owner or operator of the
10 source documents the source's actual hours of operation for
11 the calendar year. For any source that has an emissions limit
12 that is dependent upon the type of fuel burned, the annual fee
13 calculation must be based on the emissions limit applicable
14 during actual hours of operation.

15 3. For any source whose allowable emission limitation
16 is specified by permit per units of material input or heat
17 input or product output, the applicable input or production
18 amount may be used to calculate the allowable emissions if the
19 owner or operator of the source documents the actual input or
20 production amount. If the input or production amount is not
21 documented, the maximum allowable input or production amount
22 specified in the permit must be used to calculate the
23 allowable emissions.

24 4. For any new source that does not receive its first
25 operation permit until after the beginning of a calendar year,
26 the annual fee for the year must be reduced pro rata to
27 reflect the period during which the source was not allowed to
28 operate.

29 5. For any source that emits less of any regulated air
30 pollutant than allowed by permit condition, the annual fee
31 calculation for such pollutant must be based upon actual

1 emissions rather than allowable emissions if the owner or
2 operator documents the source's actual emissions by means of
3 data from a department-approved certified continuous emissions
4 monitor or from an emissions monitoring method which has been
5 approved by the United States Environmental Protection Agency
6 under the regulations implementing 42 U.S.C. ss. 7651 et seq.,
7 or from a method approved by the department for purposes of
8 this section.

9 6. The amount of each regulated air pollutant in
10 excess of 4,000 tons per year allowed to be emitted by any
11 source, or group of sources belonging to the same Major Group
12 as described in the Standard Industrial Classification Manual,
13 1987, may not be included in the calculation of the fee. Any
14 source, or group of sources, which does not emit any regulated
15 air pollutant in excess of 4,000 tons per year, is allowed a
16 one-time credit not to exceed 25 percent of the first annual
17 licensing fee for the prorated portion of existing
18 air-operation permit application fees remaining upon
19 commencement of the annual licensing fees.

20 7. If the department has not received the fee by
21 February 15 of the calendar year, the permittee must be sent a
22 written warning of the consequences for failing to pay the fee
23 by March 1. If the fee is not postmarked by March 1 of the
24 calendar year, commencing with calendar year 1997, the
25 department shall impose, in addition to the fee, a penalty of
26 50 percent of the amount of the fee, plus interest on such
27 amount computed in accordance with s. 220.807. The department
28 may not impose such penalty or interest on any amount
29 underpaid, provided that the permittee has timely remitted
30 payment of at least 90 percent of the amount determined to be
31 due and remits full payment within 60 days after receipt of

1 notice of the amount underpaid. The department may waive the
2 collection of underpayment and shall not be required to refund
3 overpayment of the fee, if the amount due is less than 1
4 percent of the fee, up to \$50. The department may revoke any
5 major air pollution source operation permit if it finds that
6 the permitholder has failed to timely pay any required annual
7 operation license fee, penalty, or interest.

8 8. During the years 1993 through 1999, inclusive, no
9 fee shall be required to be paid under this section with
10 respect to emissions from any unit which is an affected unit
11 under 42 U.S.C. s. 7651c.

12 9. Notwithstanding the computational provisions of
13 this subsection, the annual operation license fee for any
14 source subject to this section shall not be less than \$250,
15 except that the annual operation license fee for sources
16 permitted solely through general permits issued under s.
17 403.814 shall not exceed \$50 per year.

18 10. Notwithstanding the provisions of s.
19 403.087(6)(a)4.a., authorizing air pollution construction
20 permit fees, the department may not require such fees for
21 changes or additions to a major source of air pollution
22 permitted pursuant to this section, unless the activity
23 triggers permitting requirements under Title I, Part C or Part
24 D, of the federal Clean Air Act, 42 U.S.C. ss. 7470-7514a.
25 Costs to issue and administer such permits shall be considered
26 direct and indirect costs of the major stationary source
27 air-operation permit program under s. 403.0873. The department
28 shall, however, require fees pursuant to the provisions of s.
29 403.087(6)(a)4.a. for the construction of a new major source
30 of air pollution that will be subject to the permitting
31 requirements of this section once constructed and for

1 activities triggering permitting requirements under Title I,
2 Part C or Part D, of the federal Clean Air Act, 42 U.S.C. ss.
3 7470-7514a.

4
5 Reviser's note.--Amended to delete language
6 that has served its purpose.

7
8 Section 3. Section 403.08851, Florida Statutes, is
9 amended to read:
10 403.08851 Implementation.--The provisions of this act
11 shall be implemented upon approval by the United States
12 Environmental Protection Agency of the National Pollutant
13 Discharge Elimination System program of the state. ~~No state~~
14 ~~permit shall be issued pursuant to the provisions of this act~~
15 ~~before July 1, 1994.~~

16
17 Reviser's note.--Amended to delete obsolete
18 language relating to issuance of state permits
19 prior to July 1, 1994.

20
21 Section 4. Paragraph (b) of subsection (17) of section
22 403.703, Florida Statutes, is amended to read:

23 403.703 Definitions.--As used in this act, unless the
24 context clearly indicates otherwise, the term:

25 (17) "Construction and demolition debris" means
26 discarded materials generally considered to be not
27 water-soluble and nonhazardous in nature, including, but not
28 limited to, steel, glass, brick, concrete, asphalt roofing
29 material, pipe, gypsum wallboard, and lumber, from the
30 construction or destruction of a structure as part of a
31 construction or demolition project or from the renovation of a

1 structure, and including rocks, soils, tree remains, trees,
2 and other vegetative matter that normally results from land
3 clearing or land development operations for a construction
4 project, including such debris from construction of structures
5 at a site remote from the construction or demolition project
6 site. Mixing of construction and demolition debris with other
7 types of solid waste will cause it to be classified as other
8 than construction and demolition debris. The term also
9 includes:

10 (b) Effective January 1, 1997, except as provided in
11 s. 403.707(12)(j)~~403.707(13)(j)~~, unpainted, nontreated wood
12 scraps from facilities manufacturing materials used for
13 construction of structures or their components and unpainted,
14 nontreated wood pallets provided the wood scraps and pallets
15 are separated from other solid waste where generated and the
16 generator of such wood scraps or pallets implements reasonable
17 practices of the generating industry to minimize the
18 commingling of wood scraps or pallets with other solid waste;
19 and

20
21 Reviser's note.--Amended to conform to the
22 redesignation of s. 403.707(13)(j) as s.
23 403.707(12)(j) necessitated by the repeal of
24 former s. 403.707(8) by s. 4, ch. 96-284, Laws
25 of Florida.

26
27 Section 5. Paragraph (f) of subsection (3) of section
28 403.705, Florida Statutes, is amended to read:

29 403.705 State solid waste management program.--

30 (3) The state solid waste management program shall
31 include, at a minimum:

1 (f) Planning guidelines and technical assistance to
2 counties and municipalities to develop and implement programs
3 for alternative disposal or processing or recycling of the
4 solid wastes prohibited from disposal in landfills under s.
5 403.708(13)~~403.708(15)~~and for special wastes.

6
7 Reviser's note.--Amended to conform to the
8 redesignation of s. 403.708(15) as s.
9 403.708(13) necessitated by the deletion of
10 former subsection (10) by s. 18, ch. 93-207,
11 Laws of Florida, and the further redesignation
12 of subunits necessitated by the deletion of
13 former subsection (3) by s. 1, ch. 97-23, Laws
14 of Florida.

15
16 Section 6. Subsection (1) and paragraphs (a) and (b)
17 of subsection (4) of section 403.706, Florida Statutes, 1998
18 Supplement, are amended to read:

19 403.706 Local government solid waste
20 responsibilities.--

21 (1) The governing body of a county has the
22 responsibility and power to provide for the operation of solid
23 waste disposal facilities to meet the needs of all
24 incorporated and unincorporated areas of the county. Unless
25 otherwise approved by an interlocal agreement or special act,
26 municipalities may not operate solid waste disposal facilities
27 unless a municipality demonstrates by a preponderance of the
28 evidence that the use of a county designated facility, when
29 compared to alternatives proposed by the municipality, places
30 a significantly higher and disproportionate financial burden
31 on the citizens of the municipality when compared to the

1 financial burden placed on persons residing within the county
2 but outside of the municipality. However, a municipality may
3 construct and operate a resource recovery facility and related
4 onsite solid waste disposal facilities without an interlocal
5 agreement with the county if the municipality can demonstrate
6 by a preponderance of the evidence that the operation of such
7 facility will not significantly impair financial commitments
8 made by the county with respect to solid waste management
9 services and facilities or result in significantly increased
10 solid waste management costs to the remaining persons residing
11 within the county but not served by the municipality's
12 facility. This section shall not prevent a municipality from
13 continuing to operate or use an existing disposal facility
14 permitted on or prior to October 1, 1988. Any municipality
15 which establishes a solid waste disposal facility under this
16 subsection and subsequently abandons such facility shall be
17 responsible for the payment of any capital expansion necessary
18 to accommodate the municipality's solid waste for the
19 remaining projected useful life of the county disposal
20 facility. Pursuant to this section and notwithstanding any
21 other provision of this chapter, counties shall have the power
22 and authority to adopt ordinances governing the disposal of
23 solid waste generated outside of the county at the county's
24 solid waste disposal facility. In accordance with this
25 section, municipalities are responsible for collecting and
26 transporting solid waste from their jurisdictions to a solid
27 waste disposal facility operated by a county or operated under
28 a contract with a county. Counties may charge reasonable fees
29 for the handling and disposal of solid waste at their
30 facilities. The fees charged to municipalities at a solid
31 waste management facility specified by the county shall not be

1 greater than the fees charged to other users of the facility
2 except as provided in s. 403.7049(5)~~403.7049(4)~~. Solid waste
3 management fees collected on a countywide basis shall be used
4 to fund solid waste management services provided countywide.

5 (4)(a) A county's solid waste management and recycling
6 programs shall be designed to provide for sufficient reduction
7 of the amount of solid waste generated within the county and
8 the municipalities within its boundaries in order to meet
9 goals for the reduction of municipal solid waste prior to the
10 final disposal or the incineration of such waste at a solid
11 waste disposal facility. ~~The goals shall provide, at a~~
12 ~~minimum, that the amount of municipal solid waste that would~~
13 ~~be disposed of within the county and the municipalities within~~
14 ~~its boundaries is reduced by at least 30 percent by the end of~~
15 ~~1994.~~In determining whether the municipal solid waste
16 reduction goal established by this subsection has been
17 achieved, no more than one-half of the goal may be met with
18 yard trash, white goods, construction and demolition debris,
19 and tires that are removed from the total amount of municipal
20 solid waste. However, if a county that is a special district
21 created by chapter 67-764, Laws of Florida, demonstrates that
22 yard trash, construction and demolition debris, white goods,
23 and waste tires comprise more than 50 percent of the municipal
24 solid waste generated in the county and municipalities within
25 its boundaries, the county may meet the reduction goal
26 established by this subsection by reducing the Class I
27 municipal solid waste generated in the county and
28 municipalities within its boundaries at a rate equal to the
29 average rate Class I municipal solid waste is reduced in the
30 20 most populous counties, as determined by the department for
31 the previous reporting period. As used in this subsection,

1 "Class I municipal solid waste" means municipal solid waste
2 other than yard trash, construction and demolition debris,
3 white goods, and waste tires.

4 (b) Notwithstanding the limitation on the waste
5 reduction goal in paragraph (a), a county may receive credit
6 for one-half of the goal for waste reduction from one or a
7 combination of the following:

8 1. The use of pelletized paper waste as a supplemental
9 fuel in permitted boilers other than waste-to-energy
10 facilities.

11 2. The use of yard trash, or other clean wood waste or
12 paper waste, in innovative programs including, but not limited
13 to, programs that produce alternative clean-burning fuels such
14 as ethanol or that provide for the conversion of yard trash or
15 other clean wood waste or paper waste to clean-burning fuel
16 for the production of energy for use at facilities other than
17 a waste-to-energy facility as defined in s. 403.7061 ~~403.7895~~.
18 The provisions of this subparagraph only apply if a county can
19 demonstrate that:

20 a. The county has implemented a yard trash mulching or
21 composting program, and

22 b. As part of the program, compost and mulch made from
23 yard trash is available to the general public and in use at
24 county-owned or maintained and municipally owned or maintained
25 facilities in the county and state agencies operating in the
26 county as required by this section.

27
28 Reviser's note.--Subsection (1) is amended to
29 conform to the redesignation of s. 403.7049(4)
30 as s. 403.7049(5) necessitated by the addition
31 of a new subsection (4) by s. 13, ch. 93-207,

1 Laws of Florida. Paragraph (4)(a) is amended
2 to delete obsolete language relating to goals
3 established for the reduction of the amount
4 municipal solid waste disposed of within a
5 county and the municipalities within the county
6 by the end of 1994. Paragraph (4)(b) is
7 amended to correct an apparent error and
8 facilitate correct interpretation. The
9 reference to s. 403.7061 was originally cited
10 as "section 57 of this act" by s. 15 of C.S.
11 for H.B. 461, 1993, which became ch. 93-207.
12 Section 57 became s. 403.7895. Section
13 403.7061 was in s. 57 of the bill as it
14 appeared in a House amendment; a section of
15 that amendment was subsequently deleted without
16 updating the reference to conform.

17
18 Section 7. Subsections (3), (4), (5), and (6) of
19 section 403.708, Florida Statutes, are amended to read:

20 403.708 Prohibition; penalty.--

21 (3) For purposes of subsections (2), (9), and (10)
22 ~~(3), (10), and (11)~~:

23 (a) "Degradable," with respect to any material, means
24 that such material, after being discarded, is capable of
25 decomposing to components other than heavy metals or other
26 toxic substances, after exposure to bacteria, light, or
27 outdoor elements.

28 (b) "Beverage" means soda water, carbonated natural or
29 mineral water, or other nonalcoholic carbonated drinks; soft
30 drinks, whether or not carbonated; beer, ale, or other malt
31

1 drink of whatever alcoholic content; or a mixed wine drink or
2 a mixed spirit drink.

3 (c) "Beverage container" means an airtight container
4 which at the time of sale contains 1 gallon or less of a
5 beverage, or the metric equivalent of 1 gallon or less, and
6 which is composed of metal, plastic, or glass or a combination
7 thereof.

8 (4) The Division of Alcoholic Beverages and Tobacco of
9 the Department of Business and Professional Regulation may
10 impose a fine of not more than \$100 on any person currently
11 licensed pursuant to s. 561.14 for each violation of the
12 provisions of subsection (2) ~~or subsection (3)~~. If the
13 violation is of a continuing nature, each day during which
14 such violation occurs shall constitute a separate and distinct

4 3. The services of the foster care program shall
5 continue only for an individual under this paragraph who is a
6 full-time student but shall continue for not more than:

7 a. Two consecutive years for an individual in a

15 consecutive years or six semesters; or

16 c. Four consecutive years, 8 semesters, or 12 quarters
17 for an individual enrolled in a college or university unless
18 the individual is participating in college-preparatory

21 programs, in which case such services shall continue for not
22 more than 5 consecutive years, 10 semesters, or 15 quarters.

23 4.a. As a condition for continued foster care
24 services, an individual shall have earned a grade point
25 average of at least 2.0 on a 4.0 scale for the previous term,
26 maintain at least an overall grade point average of 2.0 for
27 only the previous term, and be eligible for continued
28 enrollment in the institution. If the postsecondary
29 vocational-technical school program does not operate on a
30 grade point average as described above, then the individual

20 Supplement, are amended to read:

21 409.905 Mandatory Medicaid services.--The agency may
22 make payments for the following services, which are required
23 of the state by Title XIX of the Social Security Act,
24 furnished by Medicaid providers to recipients who are
25 determined to be eligible on the dates on which the services
26 were provided. Any service under this section shall be
27 provided only when medically necessary and in accordance with
28 state and federal law. Nothing in this section shall be
29 construed to prevent or limit the agency from adjusting fees,
30 reimbursement rates, lengths of stay, number of visits, number
31 of services, or any other adjustments necessary to comply with

1 the availability of moneys and any limitations or directions
2 provided for in the General Appropriations Act or chapter 216.

3 (5) HOSPITAL INPATIENT SERVICES.--The agency shall pay
4 for all covered services provided for the medical care and
5 treatment of a recipient who is admitted as an inpatient by a
6 licensed physician or dentist to a hospital licensed under
7 part I of chapter 395. However, the agency shall limit the
8 payment for inpatient hospital services for a Medicaid
9 recipient 21 years of age or older to 45 days or the number of
10 days necessary to comply with the General Appropriations Act.

14 inpatient portion of the Medicaid program except as provided
15 in federal law. However, the department shall apply for a
16 waiver, within 9 months after June 5, 1991, designed to
17 provide hospitalization services for mental health reasons to
18 children and adults in the most cost-effective and lowest cost
19 setting possible. Such waiver shall include a request for the
20 opportunity to pay for care in hospitals known under federal
21 law as "institutions for mental disease" or "IMD's." The
22 waiver proposal shall propose no additional aggregate cost to
23 the state or Federal Government, and shall be conducted in
24 Hillsborough County, Highlands County, Hardee County, Manatee
25 County, and Polk County. The waiver proposal may incorporate
26 competitive bidding for hospital services, comprehensive
27 brokering, prepaid capitated arrangements, or other mechanisms
28 deemed by the department to show promise in reducing the cost
29 of acute care and increasing the effectiveness of preventive
30 care. When developing the waiver proposal, the department
31 shall take into account price, quality, accessibility,

1 linkages of the hospital to community services and family
2 support programs, plans of the hospital to ensure the earliest
3 discharge possible, and the comprehensiveness of the mental
4 health and other health care services offered by participating
5 providers. ~~The department is directed to monitor and evaluate~~
6 ~~the implementation of this waiver program if it is granted and~~
7 ~~report to the chairs of the appropriations committees of the~~
8 ~~Senate and the House of Representatives by February 1, 1992.~~

9 (8) NURSING FACILITY SERVICES.--The agency shall pay
10 for 24-hour-a-day nursing and rehabilitative services for a

15 is licensed under part I of chapter 395, and in accordance
16 with provisions set forth in s. 409.908(2)(a), which services
17 are ordered by and provided under the direction of a licensed
18 physician. However, if a nursing facility has been destroyed
19 or otherwise made uninhabitable by natural disaster or other
20 emergency and another nursing facility is not available, the
21 agency must pay for similar services temporarily in a hospital
22 licensed under part I of chapter 395 provided federal funding
23 is approved and available.

24
25 Reviser's note.--Paragraph (5)(b) is amended to
26 delete language that has had its effect.

27 Subsection (8) is amended to conform to the
28 redesignation of s. 395.002(9) as s.
29 395.002(11) by the reviser incident to the

31 Florida Statutes 1997.

1 Section 29. Paragraph (c) of subsection (12) of
2 section 409.908, Florida Statutes, 1998 Supplement, is amended
3 to read:

4 409.908 Reimbursement of Medicaid providers.--Subject
5 to specific appropriations, the agency shall reimburse
6 Medicaid providers, in accordance with state and federal law,
7 according to methodologies set forth in the rules of the
8 agency and in policy manuals and handbooks incorporated by
9 reference therein. These methodologies may include fee
10 schedules, reimbursement methods based on cost reporting,
11 negotiated fees, competitive bidding pursuant to s. 287.057,
12 and other mechanisms the agency considers efficient and
13 effective for purchasing services or goods on behalf of
14 recipients. Payment for Medicaid compensable services made on
15 behalf of Medicaid eligible persons is subject to the
16 availability of moneys and any limitations or directions
17 provided for in the General Appropriations Act or chapter 216.
18 Further, nothing in this section shall be construed to prevent
19 or limit the agency from adjusting fees, reimbursement rates,
20 lengths of stay, number of visits, or number of services, or
21 making any other adjustments necessary to comply with the
22 availability of moneys and any limitations or directions
23 provided for in the General Appropriations Act, provided the
24 adjustment is consistent with legislative intent.

25 (12)

26 (c) The agency shall monitor closely the utilization
27 rate for physician services and identify any trends which may
28 indicate an effort to increase the volume of services to
29 counteract any losses that might result from the new fee
30 schedule. ~~The agency shall prepare a report to the Legislature~~
31

1 ~~on the overall effect of the resource-based relative value~~
2 ~~scale fee schedule by December 31, 1996.~~

3

5 that has served its purpose. The report was
6 due December 31, 1996.

7
8 Section 30. Subsection (17) of section 409.910,
9 Florida Statutes, 1998 Supplement, is amended to read:

10 409.910 Responsibility for payments on behalf of
11 Medicaid-eligible persons when other parties are liable.--

12 (17) A recipient or his or her legal representative or
13 any person representing, or acting as agent for, a recipient
14 or the recipient's legal representative, who has notice,
15 excluding notice charged solely by reason of the recording of
16 the lien pursuant to paragraph (6)(c)~~(6)(d)~~, or who has actual
17 knowledge of the department's rights to third-party benefits
18 under this section, who receives any third-party benefit or
19 proceeds therefrom for a covered illness or injury, is
20 required either to pay the department, within 60 days after
21 receipt of settlement proceeds, the full amount of the
22 third-party benefits, but not in excess of the total medical
23 assistance provided by Medicaid, or to place the full amount
24 of the third-party benefits in a trust account for the benefit
25 of the department pending judicial or administrative
26 determination of the department's right thereto. Proof that
27 any such person had notice or knowledge that the recipient had
28 received medical assistance from Medicaid, and that
29 third-party benefits or proceeds therefrom were in any way
30 related to a covered illness or injury for which Medicaid had
31 provided medical assistance, and that any such person

1 knowingly obtained possession or control of, or used,
2 third-party benefits or proceeds and failed either to pay the
3 department the full amount required by this section or to hold
4 the full amount of third-party benefits or proceeds in trust
5 pending judicial or administrative determination, unless
6 adequately explained, gives rise to an inference that such
7 person knowingly failed to credit the state or its agent for
8 payments received from social security, insurance, or other
9 sources, pursuant to s. 414.39(4)(b), and acted with the
10 intent set forth in s. 812.014(1).

11 (a) In cases of suspected criminal violations or
12 fraudulent activity, the department may take any civil action
13 permitted at law or equity to recover the greatest possible
14 amount, including, without limitation, treble damages under
15 ss. 772.11 and 812.035(7).

16 (b) The department is authorized to investigate and to
17 request appropriate officers or agencies of the state to
18 investigate suspected criminal violations or fraudulent
19 activity related to third-party benefits, including, without
20 limitation, ss. 414.39 and 812.014. Such requests may be
21 directed, without limitation, to the Medicaid Fraud Control
22 Unit of the Office of the Attorney General, or to any state
23 attorney. Pursuant to s. 409.913, the Attorney General has
24 primary responsibility to investigate and control Medicaid
25 fraud.

26 (c) In carrying out duties and responsibilities
27 related to Medicaid fraud control, the department may subpoena
28 witnesses or materials within or outside the state and,
29 through any duly designated employee, administer oaths and
30 affirmations and collect evidence for possible use in either
31 civil or criminal judicial proceedings.

1 (d) All information obtained and documents prepared
2 pursuant to an investigation of a Medicaid recipient, the
3 recipient's legal representative, or any other person relating
4 to an allegation of recipient fraud or theft is confidential
5 and exempt from s. 119.07(1):

6 1. Until such time as the department takes final
7 agency action;

8 2. Until such time as the Department of Legal Affairs
9 refers the case for criminal prosecution;

10 3. Until such time as an indictment or criminal
11 information is filed by a state attorney in a criminal case;
12 or

13 4. At all times if otherwise protected by law.

14
15 Reviser's note.--Amended to conform to the
16 redesignation of paragraph (6)(d) of s. 409.910
17 as paragraph (6)(c) by s. 1, ch. 98-411, Laws
18 of Florida.

19
20 Section 31. Section 409.9116, Florida Statutes, 1998
21 Supplement, is amended to read:

22 409.9116 Disproportionate share/financial assistance
23 program for rural hospitals.--In addition to the payments made
24 under s. 409.911, the Agency for Health Care Administration
25 shall administer a federally matched disproportionate share
26 program and a state-funded financial assistance program for
27 statutory rural hospitals. The agency shall make
28 disproportionate share payments to statutory rural hospitals
29 that qualify for such payments and financial assistance
30 payments to statutory rural hospitals that do not qualify for
31 disproportionate share payments. The disproportionate share

1 program payments shall be limited by and conform with federal
2 requirements. ~~In fiscal year 1993-1994, available funds shall~~
3 ~~be distributed in one payment, as soon as practicable after~~
4 ~~the effective date of this act. In subsequent fiscal years,~~
5 Funds shall be distributed quarterly in each fiscal year for
6 which an appropriation is made. Notwithstanding the provisions
7 of s. 409.915, counties are exempt from contributing toward
8 the cost of this special reimbursement for hospitals serving a
9 disproportionate share of low-income patients.

10 (1) The following formula shall be used by the agency
11 to calculate the total amount earned for hospitals that
12 participate in the rural hospital disproportionate share
13 program or the financial assistance program:

$$14 \qquad \qquad \qquad \text{TAERH} = (\text{CCD} + \text{MDD}) / \text{TPD}$$

15
16
17 Where:

18 CCD = total charity care-other, plus charity care-Hill
19 Burton, minus 50 percent of unrestricted tax revenue from
20 local governments, and restricted funds for indigent care,
21 divided by gross revenue per adjusted patient day; however, if
22 CCD is less than zero, then zero shall be used for CCD.

23 MDD = Medicaid inpatient days plus Medicaid HMO
24 inpatient days.

25 TPD = total inpatient days.

26 TAERH = total amount earned by each rural hospital.

27
28 In computing the total amount earned by each rural hospital,
29 the agency must use the most recent actual data reported in
30 accordance with s. 408.061(4)(a).

31

1 (2) In determining the payment amount for each rural
2 hospital under this section, the agency shall first allocate
3 all available state funds by the following formula:

4
5 DAER = (TAERH x TARH)/STAERH
6

7 Where:

8 DAER = distribution amount for each rural hospital.

9 STAERH = sum of total amount earned by each rural
10 hospital.

11 TAERH = total amount earned by each rural hospital.

12 TARH = total amount appropriated or distributed under
13 this section.

14
15 Federal matching funds for the disproportionate share program
16 shall then be calculated for those hospitals that qualify for
17 disproportionate share payments under this section.

18 (3) The Agency for Health Care Administration may
19 recommend to the Legislature a formula to be used in
20 subsequent fiscal years to distribute funds appropriated for
21 this section that includes charity care, uncompensated care to
22 medically indigent patients, and Medicaid inpatient days.

23 (4) In the event that federal matching funds for the
24 rural hospital disproportionate share program are not
25 available, state matching funds appropriated for the program
26 may be utilized for the Rural Hospital Financial Assistance
27 Program and shall be allocated to rural hospitals based on the
28 formulas in subsections (1) and (2).

29 (5) In order to receive payments under this section, a
30 hospital must be a rural hospital as defined in s. 395.602 and
31 must meet the following additional requirements:

1 (a) Agree to conform to all agency requirements to
2 ensure high quality in the provision of services, including
3 criteria adopted by agency rule concerning staffing ratios,
4 medical records, standards of care, equipment, space, and such
5 other standards and criteria as the agency deems appropriate
6 as specified by rule.

7 (b) Agree to accept all patients, regardless of
8 ability to pay, on a functional space-available basis.

9 (c) Agree to provide backup and referral services to
10 the county public health departments and other low-income
11 providers within the hospital's service area, including the
12 development of written agreements between these organizations
13 and the hospital.

14 (d) For any hospital owned by a county government
15 which is leased to a management company, agree to submit on a
16 quarterly basis a report to the agency, in a format specified
17 by the agency, which provides a specific accounting of how all
18 funds dispersed under this act are spent.

19 (6) For the 1998-1999 fiscal year only, the Agency for
20 Health Care Administration shall use the following formula for
21 distribution of the funds in Specific Appropriation 240 of the
22 1998-1999 General Appropriations Act for the disproportionate
23 share/financial assistance program for rural hospitals.

24 (a) The agency shall first determine a preliminary
25 payment amount for each rural hospital by allocating all
26 available state funds using the following formula:

27

$$28 \text{ PDAER} = (\text{TAERH} \times \text{TARH}) / \text{STAERH}$$

29

30 Where:

31

1 PDAER = preliminary distribution amount for each rural
2 hospital.

3 TAERH = total amount earned by each rural hospital.

4 TARH = total amount appropriated or distributed under
5 this section.

6 STAERH = sum of total amount earned by each rural
7 hospital.

8 (b) Federal matching funds for the disproportionate
9 share program shall then be calculated for those hospitals
10 that qualify for disproportionate share in paragraph (a).

11 (c) The state-funds-only payment amount is then
12 calculated for each hospital using the formula:

13

14 SFOER = Maximum value of (1) SFOL - PDAER or (2) 0

15

16 Where:

17 SFOER = state-funds-only payment amount for each rural
18 hospital.

19 SFOL = state-funds-only payment level, which is set at
20 4 percent of TARH.

21 (d) The adjusted total amount allocated to the rural
22 disproportionate share program shall then be calculated using
23 the following formula:

24

25
$$ATARH = (TARH - SSFOER)$$

26

27 Where:

28 ATARH = adjusted total amount appropriated or
29 distributed under this section.

30 SSFOER = sum of the state-funds-only payment amount
31 calculated under paragraph (c) for all rural hospitals.

1 (e) The determination of the amount of rural
2 disproportionate share hospital funds is calculated by the
3 following formula:

$$4 \qquad \qquad \qquad \text{TDAERH} = [(\text{TAERH} \times \text{ATARH})/\text{STAERH}]$$

6
7 Where:

8 TDAERH = total distribution amount for each rural
9 hospital.

10 (f) Federal matching funds for the disproportionate
11 share program shall then be calculated for those hospitals
12 that qualify for disproportionate share in paragraph (e).

13 (g) State-funds-only payment amounts calculated under
14 paragraph (c) are then added to the results of paragraph (f)
15 to determine the total distribution amount for each rural
16 hospital.

17 (h) This subsection is repealed on July 1, 1999.

18 (7) This section only applies to hospitals that were
19 defined as statutory rural hospitals, or their
20 successor-in-interest hospital, prior to July 1, 1998. Any
21 additional hospital that is defined as a statutory rural
22 hospital, or its successor-in-interest hospital, on or after
23 July 1, 1998, is not eligible for programs under this section
24 unless additional funds are appropriated each fiscal year
25 specifically to the rural hospital disproportionate share and
26 financial assistance programs in an amount necessary to
27 prevent any hospital, or its successor-in-interest hospital,
28 eligible for the programs prior to July 1, 1998, from
29 incurring a reduction in payments because of the eligibility
30 of an additional hospital to participate in the programs.

7 agency shall purchase goods and services for Medicaid
8 recipients in the most cost-effective manner consistent with

10 maximize the use of prepaid per capita and prepaid aggregate
11 fixed-sum basis services when appropriate and other

13 including competitive bidding pursuant to s. 287.057, designed
14 to facilitate the cost-effective purchase of a case-managed
15 continuum of care. The agency shall also require providers to
16 minimize the exposure of recipients to the need for acute
17 inpatient, custodial, and other institutional care and the
18 inappropriate or unnecessary use of high-cost services.

19 (26) Beginning July 1, 1996, the agency shall perform

25 the agency or its agents. For the purposes of this section,
26 "preenrollment" means the provision of marketing and
27 educational materials to a Medicaid recipient and assistance
28 in completing the application forms, but shall not include
29 actual enrollment into a managed care plan. An application
30 for enrollment shall not be deemed complete until the agency
31 or its agent verifies that the recipient made an informed,

1 voluntary choice. The agency, in cooperation with the
2 Department of Health and Rehabilitative Services, may test new
3 marketing initiatives to inform Medicaid recipients about
4 their managed care options at selected sites. The agency
5 shall report to the Legislature on the effectiveness of such
6 initiatives. The agency may contract with a third party to
7 perform managed care plan and MediPass choice-counseling,
8 enrollment, and disenrollment services for Medicaid recipients
9 and is authorized to adopt rules to implement such services.
10 ~~Until October 1, 1996, or the receipt of necessary federal~~
11 ~~waivers, whichever is earlier, the agency shall adjust the~~
12 ~~capitation rate to cover any implementation, staff, or other~~
13 ~~costs associated with enrollment, disenrollment, and~~
14 ~~choice-counseling activities. Thereafter,~~The agency may
15 adjust the capitation rate only to cover the costs of a
16 third-party choice-counseling, enrollment, and disenrollment
17 contract, and for agency supervision and management of the
18 managed care plan choice-counseling, enrollment, and
19 disenrollment contract.

27 is to support activities of the adult protective services

30 disabled adults or elderly persons upon referral. Services
31 must be provided with the consent of the disabled adult, or

21 professional testimony in court cases.

22 (g) Case staffings to develop, implement, and monitor
23 treatment plans for disabled adults and elderly persons whose
24 cases have been referred to the team. An adult protection

25 (c) Reported medical, physical, or emotional neglect
26 of a disabled adult or an elderly person.

27 (d) Reported financial exploitation of a disabled
28 adult or elderly person.

29

30 In all instances in which an adult protection team is
31 providing certain services to abused, neglected, or exploited

1 disabled adults or elderly persons, other offices and units of
2 the department shall avoid duplicating the provisions of those
3 services.

4
5 Reviser's note.--Section 6, ch. 98-182, Laws of

1 (a) Permanent impairment.--If an employee who has a
2 preexisting permanent physical impairment incurs a subsequent
3 permanent impairment from injury or occupational disease
4 arising out of, and in the course of, her or his employment
5 which merges with the preexisting permanent physical
6 impairment to cause a permanent impairment, the employer
7 shall, in the first instance, pay all benefits provided by

9 subsection (6), such employer shall be reimbursed from the
10 Special Disability Trust Fund created by subsection(9)~~(8)~~for

22 specified in subsection (6), such employer shall be reimbursed
23 from the Special Disability Trust Fund created by subsection

3 defined in paragraph (2)(c)~~subparagraph (1)(b)2.~~, the
4 employer shall provide all benefits provided by this chapter,
5 but, subject to the limitations specified in subsection (7),
6 the employer shall be reimbursed by the Special Disability

26 except when the merger comes within the definition of
27 paragraph (2)(c)~~subparagraph (2)(b)2.~~and such apportionment
28 or deduction relieves the employer or carrier from providing
29 the materially and substantially greater permanent disability
30 benefits otherwise contemplated in those paragraphs.

31 (7) REIMBURSEMENT OF EMPLOYER.--

1 (e) For dates of accident on or after January 1, 1994,

7 shall give rise to the right to request a hearing on the claim
8 for reimbursement. If the Special Disability Trust Fund
9 through its representative denies or controverts the claim,
10 the right to such reimbursement shall be barred unless an
11 application for a hearing thereon is filed with the division

27 by the division. In the event liabilities on the Special
28 Disabilities Trust Fund are transferred to and assumed by a
29 qualified entity, such entity shall provide the state with

30 assessed as a specific amount or as a percentage of net
31 premiums payable as the division may direct, provided such

2 premiums. The insurance companies may elect to make the
3 payments required under s. 440.15(1)(f)~~440.15(1)(e)~~ rather

16 Labor and to secure to this state the full reimbursement of
17 the federal share of extended benefits paid under this chapter
18 that are reimbursable under the federal act.

10 Section 110. Subsections (2) and (3) of section
11 497.255, Florida Statutes, 1998 Supplement, are amended to
12 read:

13 497.255 Standards for construction and significant
14 alteration or renovation of mausoleums and columbaria.--

15 (2) The board shall adopt, by no later than July 1,
16 1999, rules establishing minimum standards for all newly
17 constructed and significantly altered or renovated mausoleums
18 and columbaria; however, in the case of significant
19 alterations or renovations to existing structures, the rules
20 shall apply only, when physically feasible, to the newly
21 altered or renovated portion of such structures, except as
22 specified in subsection (4). In developing and promulgating
23 said rules, the board may define different classes of
24 structures or construction standards, and may provide for
25 different rules to apply to each of said classes, if the
26 designation of classes and the application of different rules
27 is in the public interest and is supported by findings by the
28 board based on evidence of industry practices, economic and
29 physical feasibility, location, or intended uses; provided,
30 that the rules shall provide minimum standards applicable to
31 all construction. For example, and without limiting the

1 generality of the foregoing, the board may determine that a
2 small single-story ground level mausoleum does not require the
3 same level of construction standards that a large multistory
4 mausoleum might require; or that a mausoleum located in a
5 low-lying area subject to frequent flooding or hurricane
6 threats might require different standards than one located on
7 high ground in an area not subject to frequent severe weather
8 threats. The board shall develop the rules in cooperation
9 with, and with technical assistance from, the Florida Building
10 Commission ~~Board of Building Codes and Standards~~ of the
11 Department of Community Affairs, to ensure that the rules are
12 in the proper form and content to be included as part of the
13 State Minimum Building Codes under part VII of chapter 553. If
14 the Florida Building Commission ~~Board of Building Codes and~~
15 ~~Standards~~ advises that some of the standards proposed by the
16 board are not appropriate for inclusion in such building
17 codes, the board may choose to include those standards in a
18 distinct chapter of its rules entitled "Non-Building-Code
19 Standards for Mausoleums" or "Additional Standards for
20 Mausoleums," or other terminology to that effect. If the board
21 elects to divide the standards into two or more chapters, all
22 such rules shall be binding on licensees and others subject to
23 the jurisdiction of the board, but only the chapter containing
24 provisions appropriate for building codes shall be transmitted
25 to the Florida Building Commission ~~Board of Building Codes and~~
26 ~~Standards~~ pursuant to subsection (3). Such rules may be in the
27 form of standards for design and construction; methods,
28 materials, and specifications for construction; or other
29 mechanisms. Such rules shall encompass, at a minimum, the
30 following standards:
31

1 (a) No structure may be built or significantly altered
2 for use for interment, entombment, or inurnment purposes
3 unless constructed of such material and workmanship as will
4 ensure its durability and permanence, as well as the safety,
5 convenience, comfort, and health of the community in which it
6 is located, as dictated and determined at the time by modern
7 mausoleum construction and engineering science.

8 (b) Such structure must be so arranged that the
9 exterior of any vault, niche, or crypt may be readily examined
10 at any time by any person authorized by law to do so.

11 (c) Such structure must contain adequate provision for
12 drainage and ventilation.

13 (d) Such structure must be of fire-resistant
14 construction. Notwithstanding the requirements of s. 553.895
15 and chapter 633, any mausoleum or columbarium constructed of
16 noncombustible materials, as defined in the Standard Building
17 Code, shall not require a sprinkler system.

18 (e) Such structure must be resistant to hurricane and
19 other storm damage to the highest degree provided under
20 applicable building codes for buildings of that class.

21 (f) Suitable provisions must be made for securely and
22 permanently sealing each crypt with durable materials after
23 the interment or entombment of human remains, so that no
24 effluvia or odors may escape therefrom except as provided by
25 design and sanitary engineering standards. Panels for
26 permanent seals must be solid and constructed of materials of
27 sufficient weight, permanence, density, imperviousness, and
28 strength as to ensure their durability and continued
29 functioning. Permanent crypt sealing panels must be securely
30 installed and set in with high quality fire-resistant,
31 resilient, and durable materials after the interment or

1 entombment of human remains. The outer or exposed covering of
2 each crypt must be of a durable, permanent, fire-resistant
3 material; however, plastic, fiberglass, and wood are not
4 acceptable materials for such outer or exposed coverings.

5 (g) Interior and exterior fastenings for hangers,
6 clips, doors, and other objects must be of copper, copper-base
7 alloy, aluminum, or stainless steel of adequate gauges, or
8 other materials established by rule which provide equivalent
9 or better strength and durability, and must be properly
10 installed.

11 (3) The board shall transmit the rules as adopted
12 under subsection (2), hereinafter referred to as the
13 "mausoleum standards," to the Florida Building Commission
14 ~~Board of Building Codes and Standards~~, which shall initiate
15 rulemaking under chapter 120 to consider such mausoleum
16 standards. If such mausoleum standards are not deemed
17 acceptable, they shall be returned by the Florida Building
18 Commission ~~Board of Building Codes and Standards~~ to the board
19 with details of changes needed to make them acceptable. If
20 such mausoleum standards are acceptable, the Florida Building
21 Commission ~~Board of Building Codes and Standards~~ shall adopt a
22 rule designating the mausoleum standards as an approved
23 revision to the State Minimum Building Codes under part VII of
24 chapter 553. When so designated by the Florida Building
25 Commission ~~Board of Building Codes and Standards~~, such
26 mausoleum standards shall become a required element of the
27 State Minimum Building Codes under s. 553.73(2) and shall be
28 transmitted to each local enforcement agency, as defined in s.
29 553.71(5). Such local enforcement agency shall consider and
30 inspect for compliance with such mausoleum standards as if
31 they were part of the local building code, but shall have no

1 continuing duty to inspect after final approval of the
2 construction pursuant to the local building code. Any further
3 amendments to the mausoleum standards shall be accomplished by
4 the same procedure. Such designated mausoleum standards, as
5 from time to time amended, shall be a part of the State
6 Minimum Building Codes under s. 553.73 until the adoption and
7 effective date of a new statewide uniform minimum building
8 code, which may supersede the mausoleum standards as provided
9 by the law enacting the new statewide uniform minimum building
10 code.

11
