and insert in lieu thereof: delinquency by the state attorney. The Legislature strongly recommends that in cases in which the juvenile is securely detained that petitions for delinquency should be filed by the state attorney within 14 days after the arrest or within 25 days after the arrest if the state attorney determines that forensic evidence is required. The state attorney in each circuit shall report every case in which the juvenile is securely detained and a petition for delinquency was not filed within this recommended time to the Florida Prosecuting Attorneys Association and the House Juvenile Justice Committee and the Senate Criminal Justice Committee. The failure to file a petition within this recommended time shall not entitle a juvenile to release from custody or a dismissal of any charges.
