4 and obligations under this system, including, but not limited
5 to, the following:

6 (d)1. The pilot or pilots in a port shall train and

8 train or compensate such deputy pilots shall constitute a
9 ground for disciplinary action under s. 310.101. Nothing in
10 this subsection shall be deemed to create an agency or
11 employment relationship between a pilot or deputy pilot and
12 the pilot or pilots in a port.

13 2. The pilot or pilots in a port shall establish a
14 competency-based mentor program by which minority persons, as
15 defined in s. 288.703(3), may acquire the skills for the
16 professional preparation and education competency requirements
17 of a licensed state pilot or certificated deputy pilot. The
18 department shall provide the Governor, the President of the
19 Senate, and the Speaker of the House of Representatives with a
20 report each year on the number of minority persons, as defined
21 in s. 288.703(3), who have participated in each mentor
22 program, who are licensed state pilots or certificated deputy
23 pilots, and who have applied for state pilot licensure or
24 deputy pilot certification.
