A bill to be entitled
An act relating to pari-mutuel wagering;
amending s. 550.0555, F.S.; providing
legislative intent; providing for the
relocation of jai alai permittees within a
county in the same manner as is currently
provided for the relocation of greyhound
dogracing permittees within a county; providing
an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Section 550.0555, Florida Statutes, is amended to read:

550.0555 Greyhound dogracing and jai alai permits; relocation within a county; conditions.--

(1) It is the finding of the Legislature that pari-mutuel wagering on greyhound dogracing and jai alai provides substantial revenues to the state. It is the further finding that, in some cases, this revenue-producing ability is hindered due to the lack of provisions allowing the relocation of existing dogracing and jai alai operations. It is therefore declared that state revenues derived from greyhound dogracing and jai alai will continue to be jeopardized if provisions allowing the relocation of such greyhound racing and jai alai permits are not implemented. This enactment is made pursuant to, and for the purpose of, implementing such provisions.

(2) Any holder of a valid outstanding permit for greyhound dogracing or jai alai in a county in which there is only one dogracing or jai alai permit issued is authorized,

1 without the necessity of an additional county referendum
2 required under s. 550.0651, to move the location for which the
3 permit has been issued to another location within a 30-mile
4 radius of the location fixed in the permit issued in that
5 county, provided the move does not cross the county boundary,
6 that such relocation is approved under the zoning regulations
7 of the county or municipality in which the permit is to be
8 located, and that such move is approved by the department
9 after it is determined at a proceeding pursuant to chapter 120
10 in the county affected that the move is necessary to ensure
11 the revenue-producing capability of the permittee without
12 deteriorating the revenue-producing capability of any other
13 pari-mutuel permittee within 50 miles; the distance shall be
14 measured on a straight line from the nearest property line of
15 one racing plant or jai alai fronton to the nearest property
16 line of the other.

17 Section 2. This act shall take effect upon becoming a
18 law.
