8 by this state requesting this information pursuant to this
9 part. Such information contained in the records may include,
10 but is not limited to, disciplinary matters and any reason for
11 termination. Any facility releasing such records pursuant to
12 this part shall be considered to be acting in good faith and
13 may not be held liable for information contained in such
14 records, absent a showing that the facility maliciously
15 falsified such records.
