Representative(s) Trovillion offered the following:

Amendment (with title amendment)

On page 22, between lines 27 and 28,

insert: The Agency for Health Care Administration, with the assistance of the Department of Corrections, shall conduct a feasibility study on the placement of aged, infirm or disabled correctional inmates into secure private sector long-term care facilities. The feasibility study shall determine whether such placements would result in cost-savings for the state, what alternative fiscal resources would be available for these placements, and whether such placements would be in the interest of the general public and the inmates. The study shall be completed and presented, along with any recommendations resulting therefrom, to the Legislature by November 1, 2000. The agency shall include public members and representatives of the long-term care industry in an advisory committee to assist in the study and preparation of the report to the Legislature. Members of the advisory committee shall pay their own expenses and the agency shall staff the
