A bill to be entitled
An act relating to information technology;
providing legislative intent relating to
information technologies with respect to grades
K-12 in educational institutions; providing an
effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. It is the intent of the Legislature to
establish information technology policies that will promote
technological innovation and create a more productive
educational environment for grades K-12 that can navigate,
adapt, and prosper in the information economy in this state.

Section 2. This act shall take effect upon becoming a
law.

SENATE SUMMARY

Expresses legislative intent regarding information
technologies with respect to grades K-12 in educational
institutions.
