30 in nonpartisan elections by the electors of the district.
31 Except as provided in this act, such elections shall be held

1 at a time and in a manner prescribed by law for holding
2 general elections in accordance with section 189.405(2)(a) and
3 (3), Florida Statutes, and each member shall be elected for a

7 candidates may qualify by paying a filing fee of at least \$25
8 or by obtaining the signatures of at least 25 registered
9 electors of the district on petition forms provided by the
10 supervisor of elections, which petitions shall be submitted
11 and checked in the same manner as petitions filed by
12 nonpartisan judicial candidates pursuant to section 105.035,
13 Florida Statutes.

14 (2) The members of the board shall be elected by the
15 electors of the district in the manner provided in this
16 section. The office of each member of the board is designated
17 as being a seat on the board, distinguished from each of the

16 at which the board will consider a salary change for a board
17 member shall be published at least once, at least 14 days
18 prior to the meeting, in a newspaper of general circulation in
19 Okaloosa County. Separate compensation for the board member
20 serving as treasurer may be authorized by like vote so long as
21 total compensation for the board member does not exceed \$500
22 per month. Members may be reimbursed for travel and per diem
23 expenses as provided in section 112.061, Florida Statutes.

24 (6) If a vacancy occurs on the board due to the
25 resignation, death, or removal of a board member or the
26 failure of anyone to qualify for a board seat, the remaining
27 members may appoint a qualified person to fill the seat until
28 the next general election, at which time an election shall be
29 held to fill the vacancy for the remaining term, if any. The
30 board shall remove any member who has three consecutive
31 unexcused absences from regularly scheduled meetings. The

1 board shall adopt policies by resolution defining excused and
2 unexcused absences.

3 (7) Each member shall, upon assuming office, take and
4 subscribe to the oath of office prescribed by s. 5(b), Art. II
5 of the State Constitution and section 876.05, Florida
6 Statutes. Each member, within 30 days after assuming office,
7 must give the Governor a good and sufficient surety bond in
8 the sum of \$5,000, the cost thereof being borne by the
9 district, conditioned on the member's faithful performance of
10 his or her duties of office.

12 entitled "Record of Proceedings of the Destin Fire Control
13 District," in which the minutes of all meetings, resolutions,
14 proceedings, certificates, bonds given by commissioners, and
15 corporate acts shall be recorded. The record book shall be
16 open to inspection in the same manner as state, county, and
17 municipal records are open under chapter 119, Florida
18 Statutes, and s. 24, Art. I of the State Constitution. The
19 record book shall be kept at the office or other regular place
20 of business maintained by the board for the Destin Fire
21 Control District.

22 (9) All meetings of the board shall be open to the
23 public consistent with chapter 286, Florida Statutes, section
24 189.417, Florida Statutes, and other applicable general laws.

25 (10) The officers of the board of commissioners shall
26 have the duties usually pertaining to like officers. A record
27 shall be kept of all meetings of the board in a manner
28 consistent with this section and in such meeting concurrence
29 of a majority of the commissioners shall be necessary to any
30 affirmative action by the board unless a greater affirmative
31

1 vote of the board is required for any specific act as
2 otherwise specified in this act.

3 (11) The books and records of the district shall be
4 audited as outlined in section 11.45(3)(a), Florida Statutes.

5 (12) No suit, action, or proceeding shall be
6 instituted or maintained in a court against the district or
7 the commissioners, or any commissioner, unless the person
8 making such claim shall have within 30 days after the accrual
9 of such claim given to the commissioners, or one of them, a
10 notice in writing setting forth its nature, amount, and the
11 place and manner in which it is accrued together with the
12 names and addresses of all witnesses, with sufficient detail
13 to enable the commissioners to fully investigate. No suit,
14 action, or proceedings shall be instituted within 3 months
15 after such notice shall have been given.

16 Section 6. General powers.--The district shall have,
17 and the board may exercise by majority vote, the following
18 powers:

19 (1) To sue and be sued in the name of the district, to
20 adopt and use a seal and authorize the use of a facsimile
21 thereof, and to make and execute contracts and other
22 instruments necessary or convenient to the exercise of its
23 powers.

24 (2) To provide for a pension or retirement plan for
25 its employees. Notwithstanding the prohibition against extra
26 compensation as provided in section 215.425, Florida Statutes,
27 the board may provide for an extra compensation program,
28 including a lump-sum bonus payment program, to reward
29 outstanding employees whose performance exceeds standards, if
30 the program provides that a bonus payment may not be included
31

1 in an employee's regular base rate of pay and may not be
2 carried forward in subsequent years.

3 (3) To contract for the services of consultants to
4 perform planning, engineering, legal, or other professional
5 services.

6 (4) To borrow money and accept gifts, to apply for and
7 use grants or loans of money or other property from the United
8 States, the state, a unit of local government, or any person

10 in connection therewith, and to hold, use, sell, and dispose
11 of such moneys or property for any district purpose in
12 accordance with the terms of the gift, grant, loan, or
13 agreement relating thereto.

14 (5) To adopt resolutions and procedures prescribing
15 the powers, duties, and functions of the officers of the
16 district, the conduct of the business of the district, the
17 maintenance of records, and the form of other documents and
18 records of the district. The board may also adopt ordinances
19 and resolutions that are necessary to conduct district
20 business, if such ordinances do not conflict with any
21 ordinances of a local general purpose government within whose
22 jurisdiction the district is located. Any resolution or
23 ordinance adopted by the board and approved by referendum vote
24 of district electors may only be repealed by referendum vote
25 of district electors. All rules and regulations must conform
26 to chapter 120, Florida Statutes.

27 (6) To maintain an office at places it designates
28 within a county or municipality in which the district is
29 located and appoint an agent of record.

30 (7) To acquire by purchase, lease, gift, dedication,
31 devise, or otherwise, real and personal property or any estate

1 therein for any purpose authorized by this act and to trade,
2 sell, or otherwise dispose of surplus real or personal
3 property. The board may purchase equipment by an installment
4 sales contract if funds are available to pay the current
5 year's installments on the equipment and to pay the amounts
6 due that year on all other installments and indebtedness.

7 (8) To hold, control, and acquire by donation or
8 purchase any public easement, dedication to public use,
9 platted reservation for public purposes, or reservation for
10 those purposes authorized by this act and to use such
11 easement, dedication, or reservation for any purpose
12 authorized by this act consistent with applicable adopted
13 local government comprehensive plans and land development
14 regulations.

15 (9) To lease as lessor or lessee to or from any
16 person, firm, corporation, association, or body, public or
17 private, any facility or property of any nature for the use of
18 the district when necessary to carry out the district's duties
19 and authority under this act.

20 (10) To borrow money and issue bonds, revenue
21 anticipation notes, or certificates payable from and secured
22 by a pledge of funds, revenues, taxes and assessments,
23 warrants, notes, or other evidence of indebtedness, and
24 mortgage real and personal property when necessary to carry
25 out the district's duties and authority under this act.

26 (11) To charge user and impact fees authorized by
27 resolution of the board, in amounts necessary to conduct
28 district activities and services, and to enforce their receipt
29 and collection in the manner prescribed by resolution and
30 authorized by law. However, the imposition of impact fees may
31

1 only be authorized as provided by section 9(4) of this
2 charter.

3 (12) To exercise the right and power to eminent
4 domain, pursuant to chapter 73, Florida Statutes, or chapter
5 74, Florida Statutes, over any property within the district,
6 except municipal, county, state, special district, or federal
7 property used for a public purpose, for the uses and purposes
8 of the district relating solely to the establishment and
9 maintenance of fire stations and fire substations,
10 specifically including the power to take easements that serve
11 such facilities consistent with applicable adopted local
12 government comprehensive plans and land development
13 regulations.

14 (13) To cooperate or contract with other persons or
15 entities, including other governmental agencies, as necessary,
16 convenient, incidental, or proper in connection with providing
17 effective mutual aid and furthering any power, duty, or
18 purpose authorized by this act.

19 (14) To assess and impose upon real property in the
20 district ad valorem taxes and non-ad valorem assessments as
21 authorized by this act.

22 (15) To impose and foreclose non-ad valorem assessment
23 liens as provided by this act or to impose, collect, and
24 enforce non-ad valorem assessments pursuant to chapter 197,
25 Florida Statutes.

26 (16) To select as a depository for its funds any
27 qualified public depository as defined in section 280.02,
28 Florida Statutes, which meets all the requirements of chapter
29 280, Florida Statutes, and has been designated by the State

31

1 and conditions as to the payment of interest upon the funds
2 deposited as the board deems just and reasonable.

4 personal property, equipment, employees, volunteer
5 firefighters, and other personnel.

6 (18) To organize, participate in, and contribute
7 monetarily to organizations or associations relating to the

9 emergency rescue services, or district administration.

10 (19) No contract shall be made or entered into by or
11 on behalf of the district for a period in excess of 20 years.

12 Section 7. Exemption from taxation.--Since the
13 exercise of the powers conferred by this act constitutes
14 action by a political subdivision performing essential public
15 functions and since the property of the district constitutes
16 public property used for public purposes, all assets and
17 properties of the district, including property acquired
18 through the foreclosure of any tax or assessment lien, are
19 exempt from all taxes imposed by the state or any political
20 subdivision, agency, or instrumentality of the state.

21 Section 8. Special powers.--The district shall provide
22 for fire suppression and prevention by establishing and
23 maintaining fire stations and fire substations and acquiring
24 and maintaining such firefighting and fire protection
25 equipment deemed necessary to prevent or fight fires. All
26 construction shall be in compliance with applicable state,
27 regional, and local regulations, including adopted
28 comprehensive plans and land development regulations. The
29 board shall have and may exercise any or all of the following
30 special powers relating to facilities and duties authorized by
31 this act:

1 (1) Establish and maintain emergency medical and
2 rescue response services and acquire and maintain rescue,
3 medical, and other emergency equipment pursuant to the
4 provisions of chapter 401, Florida Statutes, and any
5 certificate of public convenience and necessity or its
6 equivalent issued thereunder.

7 (2) Employ, train, and equip such personnel and train,
8 coordinate, and equip such firefighters, including volunteers,
9 as are necessary to accomplish the duties of the district. The
10 board may employ and fix the compensation of a fire chief or
11 chief administrator. The board shall prescribe the duties of
12 such person, which shall include supervision and management of
13 the operations of the district and its employees and
14 maintenance and operation of its facilities and equipment. The
15 fire chief or chief administrator may employ or terminate the
16 employment of such other persons, including, without
17 limitation, professional, supervisory, administrative,
18 maintenance, and clerical employees, as are necessary and
19 authorized by the board. The compensation and other conditions
20 of employment of the officers and employees of the district
21 shall be provided by the board.

22 (3) Conduct public education to promote awareness of
23 methods to prevent fires and reduce the loss of life and
24 property from fires or other public safety concerns.

25 (4) Adopt and enforce fire safety standards and codes
26 and enforce the rules of the State Fire Marshal consistent
27 with the exercise of the duties authorized by chapter 553,

30 enforcement.

31

1 (5) Conduct arson investigations and cause-and-origin
2 investigations.

3 (6) Adopt hazardous material safety plans and
4 emergency response plans in coordination with the county
5 emergency management agency as provided in chapter 252,
6 Florida Statutes.

7 (7) Contract with general purpose local government for
8 emergency management planning and services.

9 Section 9. Taxes; non-ad valorem assessments; impact
10 fees and user charges.--

11 (1) Ad valorem taxes.--The board of commissioners may
12 levy and assess ad valorem taxes on all taxable property in
13 the district to construct, operate, and maintain district
14 facilities and services, to pay the principal of and interest
15 on general obligation bonds of the district, and to provide
16 for any sinking or other funds established in connection with
17 such bonds. An ad valorem tax levied by the board for
18 operating purposes, exclusive of debt service on bonds, may
19 not exceed 1 mill on the dollar of assessed value as approved
20 by referendum of the electors of the district when it was
21 recreated on October 5, 1982, under the authority of chapter
22 82-335, Laws of Florida. The levy of ad valorem taxes
23 pursuant to this section must be approved by referendum called
24 by the board when the proposed levy of ad valorem taxes
25 exceeds the amount as authorized in the referendum under the
26 prior special act as referenced above. Nothing in this act
27 shall require a referendum on the levy of ad valorem taxes in
28 an amount previously authorized by special act, general law of
29 local application, or county ordinance approved by referendum.
30 Such tax shall be assessed, levied, and collected in the same
31 manner as county taxes. The levy of ad valorem taxes approved

1 by referendum shall be reported within 60 days after the vote
2 to the Department of Community Affairs. The millage rate shall
3 be fixed by annual resolution of the board of commissioners of
4 the fire control district.

5 (2) Non-ad valorem assessments.--The district may levy
6 non-ad valorem assessments as defined in section 197.3632,
7 Florida Statutes, to construct, operate, and maintain district
8 facilities and services. The rate of such assessments must be
9 fixed by resolution of the board pursuant to the procedures
10 contained in section 10. Non-ad valorem assessment rates set
11 by the board may exceed the maximum rates established by
12 special act, county ordinances, the previous year's
13 resolution, or referendum in an amount not to exceed the
14 average annual growth rate in Florida personal income over the
15 previous 5 years. Non-ad valorem assessment rate increases
16 within the personal income threshold are deemed to be within
17 the maximum rate authorized by law at the time of initial
18 imposition. Proposed non-ad valorem assessment increases which
19 exceed the rate set the previous fiscal year or the rate
20 previously set by special act or county ordinance, whichever
21 is more recent, by more than the average annual growth rate in
22 Florida personal income over the last 5 years, or the
23 first-time levy of non-ad valorem assessments in the district,
24 must be approved by referendum of the electors of the
25 district. The referendum on the first-time levy of an
26 assessment shall include a notice of the future non-ad valorem
27 assessment rate increase permitted by this act without a
28 referendum. Non-ad valorem assessments shall be imposed,
29 collected, and enforced pursuant to section 10.

30 (3) User charges.--
31

1 (a) The board may provide a reasonable schedule of
2 charges for special emergency services, including firefighting
3 occurring in or to structures outside the district, motor
4 vehicles, marine vessels, aircraft, or rail cars, or as a
5 result of the operation of such motor vehicles or marine
6 vessels, to which the district is called to render such
7 emergency service, and may charge a fee for the services
8 rendered in accordance with the schedule.

9 (b) The board may provide a reasonable schedule of
10 charges for fighting fires occurring in or at refuse dumps or
11 as a result of an illegal burn, which fire, dump, or burn is
12 not authorized by general or special law, rule, regulation,
13 order, or ordinance and which the district is called upon to
14 fight or extinguish.

15 (c) The board may provide a reasonable schedule of
16 charges for responding to or assisting or mitigating
17 emergencies that either threaten or could threaten the health
18 and safety of persons, property, or the environment, to which
19 the district has been called, including a charge for
20 responding to false alarms.

21 (d) The board may provide a reasonable schedule of
22 charges for inspecting structures, plans, and equipment to
23 determine compliance with fire safety codes and standards.

24 (e) The district shall have a lien upon any real
25 property, motor vehicle, marine vessel, aircraft, or rail car
26 for any charge assessed under this subsection.

27 (4) Impact fees.--If the general purpose local
28 government has not adopted an impact fee for fire services
29 which is distributed to the district for construction within
30 its jurisdictional boundaries, the board may establish a
31 schedule of impact fees for new construction to pay for the

1 cost of new facilities and equipment, the need for which is in
2 whole or in part the result of new construction. The impact
3 fees collected by the district under this subsection shall be
4 kept separate from other revenues of the district and must be
5 used exclusively to acquire, purchase, or construct new
6 facilities or portions thereof needed to provide fire
7 protection and emergency services to new construction. As used
8 in this subsection, "new facilities" means land, buildings,
9 and capital equipment, including, but not limited to, fire and
10 emergency vehicles, radiotelemetry equipment, and other
11 firefighting or rescue equipment. The board shall maintain
12 adequate records to ensure that impact fees are expended only
13 for permissible new facilities or equipment. The board may
14 enter into agreements with general purpose local governments
15 to share in the revenues from fire protection impact fees
16 imposed by such governments.

17 Section 10. Procedures for the levy and collection of
18 non-ad valorem assessments.--

19 (1) The district may provide for the levy of non-ad
20 valorem assessments under this act on the lands and real
21 estate benefited by the exercise of the powers authorized by
22 this act, or any part thereof, for all or any part of the cost
23 thereof. Non-ad valorem assessments may be levied only on
24 benefited real property at a rate of assessment based on the
25 special benefit accruing to such property from such services
26 or improvements. The district may use any assessment
27 apportionment methodology that meets fair apportionment
28 standards.

29 (2) The board may determine to exercise any power
30 authorized by this act and defray the whole or any part of the
31 expense thereof by non-ad valorem assessments. The district

1 shall adopt a non-ad valorem assessment roll pursuant to the
2 procedures contained in this section or in section 197.3632,
3 Florida Statutes, if:

4 (a) The non-ad valorem assessment is levied for the
5 first time;

6 (b) The non-ad valorem assessment is increased beyond
7 the maximum rate authorized by general law or special act at
8 the time of initial imposition as defined in section 9;

9 (c) The district's boundaries have changed, unless all
10 newly affected property owners have provided written consent
11 for such assessment to the board; or

12 (d) There is a change in the purpose for such
13 assessment or in the use of the revenue generated by such
14 assessment.

15

16 The board shall so declare by resolution stating the nature of
17 the proposed service, the location of any capital facilities,
18 personnel, and equipment needed to provide the service, and
19 any other projected expense of providing the service or
20 improvement, and the part or portion of the expense thereof to
21 be paid by non-ad valorem assessments, the manner in which the
22 assessments shall be made, when the assessments are to be
23 paid, and what part, if any, shall be apportioned to be paid
24 from other revenues or funds of the district. The resolution
25 shall also designate the lands upon which the non-ad valorem
26 assessments shall be levied. Such lands may be designated by
27 an assessment plat. The resolution shall also state the total
28 estimated costs of the service or improvement. The estimated
29 cost may include the cost of operations, including personnel,
30 equipment, construction or reconstruction, the cost of all
31 labor and materials, the cost of all lands, property, rights,

1 easements, and franchises acquired, financing charges,
2 interest prior to and during construction, and for one year
3 after completion of construction, discount on the sale of
4 assessment bonds, cost of plans and specifications, surveys of
5 estimates of costs and of revenues, cost of engineering and
6 legal services, and all other expenses necessary or incident
7 to determining the feasibility or practicability of the
8 construction or reconstruction, administrative expense, and
9 such other expenses as may be necessary or incident to the
10 financing authorized by this act.

11 (3) At the time of the adoption of the resolution
12 provided for in subsection (2), there shall be on file at the
13 district's offices an assessment plat showing the area to be
14 assessed, with construction and operational plans and
15 specifications and an estimate of the cost of the proposed
16 service or improvement, which assessment plat, plans, and
17 specifications and estimates shall be open to the inspection
18 of the public.

19 (4) Upon adoption of the resolution provided for in
20 subsection (2) or completion of the preliminary assessment
21 roll provided for in subsection (5), whichever is later, the
22 board shall publish notice of the resolution once in a
23 newspaper of general circulation in Okaloosa County. The
24 notice shall state in brief and general terms a description of
25 the proposed service or improvements and that the plans,
26 specifications, and estimates are available to the public at
27 the district's offices. The notice shall also state the date
28 and time of the hearing to hear objections provided for in
29 subsection (7), which hearing shall be no earlier than 15 days
30 after publication of the notice. The publication shall be
31

1 verified by the affidavit of the publisher and filed with the
2 secretary to the board.

3 (5) Upon the adoption of the resolution provided for
4 in subsection (2), the board shall cause to be made a
5 preliminary assessment roll in accordance with the method of
6 assessment provided for in the resolution. The assessment roll
7 shall show the lots and lands assessed and the amount of the
8 benefit to, and the assessment against each lot or parcel of
9 land, and, if the assessment is to be paid in installments,
10 the number of annual installments in which the assessment is
11 divided shall also be entered and shown upon the assessment
12 roll.

13 (6) Upon the completion of the preliminary assessment
14 roll, the board shall by resolution fix a time and place at
15 which the owners of the property to be assessed or any other
16 persons interested therein may appear before the board and be
17 heard as to the advisability of providing the service or
18 making the improvements, as to the cost thereof, as to the
19 manner of payment therefore, and as to the amount thereof to
20 be assessed against each property so improved. Ten days'
21 notice in writing of the time and place shall be given to the
22 property owners. The notice shall include the amount of the
23 assessment and shall be served by mailing a copy to each of
24 the property owners at his or her last known address, the
25 names and addresses of the property owners to be obtained from
26 the records of the property appraiser, and proof of such
27 mailing to be made by the affidavit of the board's secretary.

28 (7) At the time and place named in the notice provided
29 for in subsection (4), the board shall meet and hear testimony
30 from affected property owners as to the advisability of
31 providing the service or making the improvements and funding

1 them with non-ad valorem assessments on property. Following
2 the testimony, the board shall make a final decision on
3 whether to levy the non-ad valorem assessments, adjusting
4 assessments as may be warranted by information received at or
5 prior to the hearing. If any property which may be chargeable
6 under this section has been omitted from the preliminary roll
7 or if the prima facie assessment has not been made against it,
8 the board may place on the roll an apportionment to that
9 property. The owners of any property so added to the
10 assessment roll shall be mailed a copy of the notice provided
11 for in subsection (6), and granted 15 days from the date of
12 mailing to file any objections with the board. When so
13 approved by resolution of the board, a final assessment roll
14 shall be filed with the vice chair of the board, and the
15 assessments shall stand confirmed and remain legal, valid, and
16 binding first liens upon the property against which the
17 assessments are made until paid. The assessment so made shall
18 be final and conclusive as to each lot or parcel assessed
19 unless proper steps are taken within 30 days after the filing
20 of the final assessment roll in a court of competent
21 jurisdiction to secure relief. If the assessment against any
22 property is sustained or reduced or abated by the court, the
23 vice chair shall note that fact on the assessment roll
24 opposite the description of the proper affected and notify the
25 county property appraiser and the tax collector in writing.
26 The amount of the non-ad valorem assessment against any lot or
27 parcel which may be abated by the court, unless the assessment
28 upon the entire district is abated, or the amount by which the
29 assessment is so reduced, may by resolution of the board be
30 made chargeable against the district at large, or at the
31 discretion of the board, a new assessment roll may be prepared

1 and confirmed in the manner provided in this section for the
2 preparation and confirmation of the original assessment roll.
3 The board may by resolution grant a discount equal to all or a
4 part of the payee's proportionate share of the cost of a
5 capital project consisting of bond financing costs, such as
6 capitalized interest, funded reserves, and bond discount
7 included in the estimated cost of the project, upon payment in
8 full of any assessment during the period prior to the time the
9 financing costs are incurred as may be specified by the board.

10 (8) The non-ad valorem assessments:

11 (a) Shall be payable at the time and in the manner
12 stipulated in the resolution providing for the improvement or
13 services.

14 (b) Shall remain liens, co-equal with the lien of all
15 state, county, district, and municipal taxes, superior in
16 dignity to all other liens, titles, and claims, until paid.

17 (c) Shall bear interest as provided by section 170.09,
18 Florida Statutes, or, if bonds have been issued, at a rate not
19 to exceed 1 percent above the rate of interest at which the
20 bonds authorized pursuant to this act and used for a capital
21 improvement are sold, from the date of the acceptance of the
22 improvement.

23 (d) May, by resolution and only for capital outlay
24 projects, be made payable in equal installments over a period
25 not to exceed 20 years, to which, if not paid when due, there
26 shall be added a penalty at the rate of 1 percent per month,
27 until paid.

28
29 However, the assessments may be paid without interest at any
30 time within 30 days after the improvement is completed and a
31 resolution accepting the same has been adopted by the board.

1 (9) The non-ad valorem assessments approved by the
2 board may be levied, assessed, and collected pursuant to
3 sections 197.363-197.3635, Florida Statutes. The collection
4 and enforcement of the non-ad valorem assessment levied by the
5 district shall be at the same time and in like manner as
6 county taxes.

7 (10) All assessments shall constitute a lien upon the
8 property so assessed from the date of confirmation of the
9 resolution ordering the improvement of the same nature and to
10 the same extent as the lien for general county, municipal, or
11 district taxes falling due in the same year or years in which
12 such assessments or installments thereof fall due, and any
13 assessment or installment not paid when due shall be collected
14 with such interest and with a reasonable attorney's fee and
15 costs, but without penalties, by the district by proceedings
16 in a court of equity to foreclose the lien of assessment as a
17 lien for mortgages is or may be foreclosed under the laws of
18 the state, provided any such proceedings to foreclose shall
19 embrace all installments of principal remaining unpaid with
20 accrued interest thereon, which installments shall, by virtue
21 of the institution of such proceedings immediately become due
22 and payable. If, prior to any sale of the property under
23 decree of foreclosure in such proceedings, payment is made of
24 the installment or installments which are shown to be due
25 under the provisions of the resolution passed pursuant to
26 subsection (9) and this subsection, and all costs including
27 attorney's fees, the payment shall have the effect of
28 restoring the remaining installments to their original
29 maturities and the proceedings shall be dismissed. The
30 district shall enforce the prompt collection of assessments by
31 the means provided in this section and this duty may be

1 enforced at the suit of any holder of bonds issued under this
2 act in a court of competent jurisdiction by mandamus or other
3 appropriate proceedings or action. Not later than 30 days
4 after annual installments are due and payable, the board shall
5 direct the attorney or attorneys whom the board shall
6 designate to institute actions within 3 months after such
7 direction to enforce the collection of all non-ad valorem
8 assessments remaining due and unpaid at the time of such
9 direction. Such action shall be prosecuted in the manner and
10 under the conditions in and under which mortgages are
11 foreclosed under the laws of the state. It is lawful to join
12 in one action the collection of assessments against any or all
13 property assessed by virtue of the same assessment roll unless
14 the court deems such joinder prejudicial to the interest of any
15 defendant. The court shall allow a reasonable attorney's fee
16 for the attorney or attorneys of the district, and the fee
17 shall be collectible as a part of or in addition to the costs
18 of the action. At the sale pursuant to decree in any such
19 action, the district may be a purchaser to the same extent as
20 an individual person or corporation, except that the part of
21 the purchase price represented by the assessments sued upon
22 and the interest thereon need not be paid in cash. Property so
23 acquired by the district may be sold or otherwise disposed of,
24 the proceeds of such disposition to be placed in the fund
25 provided for by subsection (11), provided no sale or other
26 disposition thereof shall be made unless the notice calling
27 for bids therefor to be received at a stated time and place
28 was published in a newspaper of general circulation in the
29 district once in each of 4 successive weeks prior to such
30 disposition.
31

1 (11) All assessments and charges made under the
2 provisions of this section for the payment of all or any part
3 of the cost of any improvements for which assessment bonds
4 have been issued under the provisions of this act are hereby
5 pledged to the payment of the principal of and the interest on
6 the assessment bonds and shall, when collected, be placed in a
7 separate fund, properly designated, which fund shall be used
8 for no other purpose than the payment of such principal and
9 interest.

10 Section 11. District issuance of bonds, notes, bond
11 anticipation notes, or other evidences of indebtedness.--

12 (1) The district may issue general obligation bonds,
13 assessment bonds, revenue bonds, notes, bond anticipation
14 notes, or other evidences of indebtedness to finance all or a
15 part of any proposed improvements authorized to be undertaken
16 under this act or under general or special law, provided the
17 total annual payments for the principal and interest on such
18 indebtedness shall not exceed 50 percent of the total annual
19 budgeted revenues of the district. The bonds shall be issued
20 in such denominations, mature on such dates and in such
21 amounts, and may be subject to optional and mandatory
22 redemption as determined by resolutions adopted by the board.
23 Bonds of the district may bear interest at a fixed or floating
24 or adjustable rate and may be issued as interest bearing,
25 interest accruing bonds, or zero coupon bonds at such rate or
26 rates, not exceeding the maximum rate permitted by general
27 law, as determined by resolutions of the board. Principal and
28 interest shall be payable in the manner determined by the
29 board. The bonds shall be signed by manual or facsimile
30 signature of the chair or vice chair of the board, attested
31 with the seal of the district and by the manual or facsimile

1 signature of the secretary or assistant secretary of the
2 board.

3 (2) The bonds shall be payable from the non-ad valorem
4 assessment or other non-ad valorem revenues, including,
5 without limitation, user fees or charges or rental income
6 authorized to be levied or collected or received pursuant to
7 this act or general law. General obligation bonds payable from
8 ad valorem taxes may also be issued by the district, but only
9 after compliance with s. 12, Art. VII of the State
10 Constitution. Subject to referendum approval, the district may
11 pledge its full faith and credit for the payment of principal
12 and interest on such general obligation bonds and for any
13 reserve funds provided therefor and may unconditionally and
14 irrevocably pledge itself to levy ad valorem taxes on all
15 property in the district to the extent necessary for the
16 payment thereof. The district is authorized, after notice and
17 opportunity to be heard has been afforded to those affected,
18 to impose, charge, and collect non-ad valorem revenues in
19 connection with any of the improvements authorized under this
20 act and to pledge the same for the payment of bonds.

21 (3) In connection with the sale and issuance of bonds,
22 the district may enter into any contracts which the board
23 determines to be necessary or appropriate to achieve a
24 desirable effective interest rate in connection with the bonds
25 by means of, but not limited to, contacts commonly known as
26 investment contracts, funding agreements, interest rate swap
27 agreements, currency swap agreements, forward payment
28 conversion agreements, futures, or contracts providing for
29 payments based on levels of or changes in interest rates, or
30 contracts to exchange cash flows or a series of payments, or
31 contracts, including, without limitation, options, puts, or

1 calls to hedge payment, rate, spread, or similar exposure.
2 Such contracts or arrangements may also be entered into by the
3 district in connection with, or incidental to, entering into
4 any agreement which secures bonds or provides liquidity
5 therefor. Such contracts and arrangements shall be made upon
6 the terms and conditions established by the board, after
7 giving due consideration for the credit worthiness of the
8 counterparties, where applicable, including any rating by a
9 nationally recognized rating service or any other criteria as
10 may be appropriate.

11 (4) In connection with the sale and issuance of the
12 bonds, or entering into any of the contracts or arrangements
13 referred to in subsection (3), the district may enter into
14 such credit enhancement or liquidity agreements, with such
15 payment, interest rate, security, default, remedy, and any
16 other terms and conditions as the board shall determine.

17 (5) Notwithstanding any provisions of law relating to
18 the investment or reinvestment of surplus funds of any
19 governmental unit, proceeds of the bonds and any money set
20 aside or pledged to secure payment of the principal of,
21 premium, if any, and interest on the bonds, or any of the
22 contracts entered into pursuant to subsection (3) may be
23 invested in securities or obligations described in the
24 resolution providing for the issuance of bonds.

25 (6) The bonds shall be sold in any manner not
26 inconsistent with general law, shall show the purpose for
27 which they are issued, and shall be payable out of the money
28 pledged therefor. The funds derived from the sale of said
29 bonds or any of them shall be used for the purpose of paying
30 the cost of the services or improvements and such costs,
31 expenses, fees, and salaries as may be authorized by law.

1 (7) Non-ad valorem assessments or any portion thereof
2 levied to pay principal on bonds issued pursuant to this act
3 with respect to improvements financed therewith shall not
4 exceed the benefits assessed regarding such works or
5 improvements. If the bonds are sold at a discount, the amount
6 of the discount shall be treated as interest, not as
7 principal. Premiums payable upon the redemption of bonds shall
8 also be treated as interest. Interest to accrue on account of
9 issuing bonds shall not be construed as part of the costs of
10 the works or improvements in determining whether or not the
11 costs of making such improvements are equal to or in excess of
12 the benefits assessed. If the property appraiser and tax
13 collector deduct their fees and charges from the amount of
14 non-ad valorem assessments levied and collected, and if the
15 landowners receive the statutorily permitted discount for
16 early payment of such non-ad valorem assessments, the amount
17 of such fees, charges, and discounts shall not be included in
18 the amount of a non-ad valorem assessments levied by the
19 district in determining whether such assessments are equal to
20 or in excess of the benefits assessed.

21 (8) The district may, whenever in the judgment of the
22 board it is advisable and in the best interest of the
23 landowners in the district, issue bonds to refund any or all
24 of the then outstanding bonded indebtedness of the district.

25 (9) The principal amount of refunding bonds may be in
26 any amount not in excess of the benefits assessed against the
27 lands with respect to which the refunded bonds were issued
28 less the principal amount of the refunded bonds previously
29 paid from non-ad valorem assessments. The proceeds of such
30 refunding bonds shall be used only to pay the principal,
31 premium, if any, and interest on the bonds to be refunded, any

1 discount or expense of the sale of the refunding bonds, and to
2 provide a debt service reserve fund for the refunding bonds.
3 The district may also use other available revenues to pay
4 costs associated with the issuance or administration of the
5 refunding bonds.

6 (10) Assessments shall be levied for the payment of
7 the refunding bonds in the same manner as the assessments
8 levied for the refunded bonds and the refunding bonds shall be
9 secured by the same lien as the refunded bonds, and any
10 additional interest which accrues on account of the refunding
11 bonds shall be included and added to the original assessment
12 and shall be secured by the same lien, provided any interest
13 accrued shall not be considered as a part of the cost of
14 construction in determining whether the assessment exceeds the
15 benefits assessed.

16 (11) No proceedings shall be required for the issuance
17 of bonds or refunding bonds other than those provided by this
18 section and by general law.

19 Section 12. Intergovernmental coordination.--

20 (1) The district shall adopt a 5 year plan to identify
21 the facilities, equipment, personnel, and revenue needed by
22 the district during that 5 year period. The plan shall be
23 updated in accordance with section 189.415, Florida Statutes,
24 and shall satisfy the requirement for a public facilities
25 report required by section 189.415(2), Florida Statutes.

26 Section 13. District expansion, and merger.--

27 (1) The boundaries of the district may be modified,
28 extended, or enlarged upon approval or ratification by the
29 Legislature.

30 (2) The merger of the district with all or portions of
31 other independent special districts or dependent fire control

1 districts is effective only upon ratification by the
2 Legislature. The district may not, solely by reason of a
3 merger with another governmental entity, increase ad valorem
4 taxes on property within the original limits of the district
5 beyond the maximum established by the district's enabling
6 legislation, unless approved by the electors of the district
7 by referendum.

8 Section 14. Use of funds.--No funds of the district
9 shall be used for any purpose other than the administration of
10 the affairs and business of the district, for the
11 construction, care, maintenance, upkeep, operation, and
12 purchase of standard firefighting equipment which shall meet
13 the requirement of the fire inspector and the underwriters
14 association, fire stations, installation of fire hydrants,
15 payment of public utilities such as electric lights and water,
16 salaries of a fire inspector and one or more firefighters, and
17 such other expenses as the board of commissioners may
18 determine to be for the best interest of the district.

19 Section 3. If any clause, section, or provision of
20 this act shall be declared unconstitutional or invalid for any
21 reason, it shall be eliminated from this act, and the
22 remaining portion of the act shall be in force and effect and
23 be as valid as if such invalid portion thereof had not been
24 incorporated therein.

25 Section 4. Chapter 71-787, Laws of Florida, chapter
26 77-608, Laws of Florida, chapter 82-335, Laws of Florida, and
27 chapter 85-470, Laws of Florida, are repealed.

28 Section 5. In case of a conflict of the provisions of
29 this act, with the provisions of any other act, the provisions
30 of this act shall control to the extent of such conflict.

31

1 Section 6. Nothing contained in this act shall require
2 any modification to district financing or operations which
3 would impair existing contracts, including collective
4 bargaining agreements, debt obligations, or covenants and
5 agreements relating to bonds validated or issued by the
6 district. Further, this act does not repeal any authorization
7 within a special act or general law of local application
8 providing for the levy and assessment of ad valorem taxes,
9 special assessments, non-ad valorem assessments, impact fees,
10 or other fees or charges by a district.

11 Section 7. This act shall take effect upon becoming a
12 law.
