A bill to be entitled

An act relating to information technology;
providing legislative intent to foster
statewide infrastructure and technology
development in information technologies;
providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. It is the intent of the Legislature to
establish information-technology policies that will foster the
free-market development and the beneficial use of advanced
telecommunications networks and information technologies in
this state.

Section 2. This act shall take effect upon becoming a
law.

SENATE SUMMARY

Expresses the legislative intent to establish
information-technology policies that will foster the
development and use of advanced telecommunications
networks.
