

By Representative Kelly

1 A bill to be entitled
2 An act relating to resource recovery and
3 management; amending s. 403.703, F.S.; revising
4 the definition of "source separated"; providing
5 an effective date.
6

7 Be It Enacted by the Legislature of the State of Florida:
8

9 Section 1. Subsection (44) of section 403.703, Florida
10 Statutes, is amended to read:

11 403.703 Definitions.--As used in this act, unless the
12 context clearly indicates otherwise, the term:

13 (44) "Source separated" means the recovered materials
14 are separated from solid waste where the recovered materials
15 and solid waste are generated. The term does not require that
16 various types of recovered materials be separated from each
17 other and recognizes de minimis solid waste, in accordance
18 with industry standards and practices, may be included in the
19 recovered materials. Materials shall not be deemed to be
20 source separated where two or more types of recovered
21 materials are deposited in combination with each other in a
22 commercial collection container located where the materials
23 are generated, and such materials contain more than 10 percent
24 solid waste by volume. For purposes of this subsection,
25 "various types of recovered materials" means metals, paper,
26 glass, plastic, textiles, and rubber.

27 Section 2. This act shall take effect upon becoming a
28 law.

HOUSE SUMMARY

For purposes of pt. IV of ch. 403, F.S., relating to resource recovery and management, revises the definition of "source separated" to provide that materials shall not be deemed to be source separated where two or more types of recovered materials are deposited in combination with each other in a commercial collection container located where the materials are generated, and such materials contain more than 10 percent solid waste by volume.
