PREPARED BY: Senate Committee on Governmental Oversight and Productivity
DATE: May 3, 2000

I. Amendments Contained in Message

House Amendment 1 - 633201 to Senate Bill 1578 (body with title)

II. Summary of Amendments Contained in Message

House Amendment 1 modifies s. 626.852, F.S., by adding a new subsection (5). The new subsection states that Part VI of ch. 626, F.S., which relates to insurance adjusters, does not apply to any employee or agent of the Board of Regents (BOR) providing services in support of any self-insurance program adopted by the BOR.

The amendment is similar to, but *narrower* than, SB 2158 which passed the Senate and is in messages. That bill provides that Part VI of ch. 626, F.S., does not apply to any employee or agency of *a governmental entity*, not just an employee or agent of the BOR. Statutory Revision could read the two in para materia as the amendment can be read as *part of* the SB 2158.
