Bill No. CS for SB 1604

Amendment No. \_\_\_\_

1 and insert:

2           An act relating to taxation; amending s.  
3           212.08, F.S.; revising an exemption from  
4           taxation for machinery and equipment used in  
5           silicon-technology production and research and  
6           development; making the exemption applicable to  
7           semiconductor-technology production and  
8           research and development; providing an  
9           exemption from taxation for building materials  
10          purchased for use in manufacturing or expanding  
11          clean rooms for semiconductor-manufacturing  
12          facilities; revising definitions; revising  
13          criteria and procedures; providing a partial  
14          exemption for machinery and equipment for use  
15          in defense and space technology research and  
16          development and production; providing  
17          definitions; authorizing certain school  
18          districts to levy additional discretionary  
19          millage; providing an effective date.
