11 or without the right of prior redemption, all as may be
12 determined by resolution of the system board, which resolution
13 may prescribe the manner and terms of redemption of any bonds
14 which the system board may elect to make redeemable. The bonds
15 may be issued in coupon form or non-coupon form, may be
16 validated as permitted by law and shall bear the seal of the
17 Lee Memorial Health System. Neither the provisions of this
18 section nor any other provision of this act shall impair,
19 abate, suspend, or invalidate any bond or other debt
20 obligation of the Hospital Board of Directors of Lee County
21 issued prior to the effective date of this act. The Lee
22 Memorial Health System Board of Directors shall, without
23 interruption, continue to have all duties and responsibilities
24 regarding such bonds or obligations as were had by the
25 Hospital Board of Directors of Lee County.

26 Section 18. Lee Memorial Health System shall be
27 entitled to a lien for all reasonable charges for hospital,
28 physician, and other health care services provided by the Lee
29 Memorial Health System to ill or injured persons, upon the
30 proceeds of all causes of action, suits, claims,
31 counterclaims, and demands accruing to said persons or to

1 their legal representatives, and upon all judgments,
2 settlements, and settlement agreements rendered or entered
3 into by virtue thereof, on account of injuries giving rise to
4 such causes of action, suits, claims, counterclaims, demands,
5 judgments, settlements, or settlement agreements, which
6 injuries shall have necessitated such hospital, physician, and
7 other services provided to such ill or injured persons. Lee
8 Memorial Health System shall perfect and be entitled to
9 enforce such lien as follows:

10 (1) In order to perfect the lien provided for herein,
11 the Lee Memorial Health System chief executive officer or an
12 employee or employees of the Lee Memorial Health System
13 authorized by the chief executive officer shall, before or
14 within 10 days after such ill or injured person shall have
15 been discharged from a Lee Memorial Health System hospital,
16 file in the office of the Lee County Clerk of Circuit Court, a
17 verified written notice of lien setting forth the name and
18 address of the ill or injured person as they may appear in the
19 records of said health system hospital, the name and location
20 of said hospital, the name and address of the employee or
21 other authorized person preparing the notice of lien, the date
22 of admission to said hospital and the date of discharge from
23 said hospital, the amount claimed to be due for hospital,
24 physician, and other services provided, and to the best
25 knowledge of the person preparing the notice of lien, the
26 names and addresses of all persons, firms, or corporations who
27 may be claimed by such ill or injured person or by the legal
28 representative of such person, to be liable on account of such
29 illness or injuries. When the notice of lien is filed, a copy
30 thereof shall be sent by United States Postal Service to the
31 ill or injured person, to said person's attorney, if known,

1 and to all persons, firms, or corporations named in such
2 notice of lien. The filing and mailing of the notice of lien
3 in accordance with this section shall be notice thereof to all
4 persons, firms, or corporations who may be liable on account
5 of such illness or injuries, and to any other persons, firms,
6 or corporations that may have an interest in the aforesaid
7 causes of action, suits, claims, counterclaims, demands,
8 judgments, settlements, or settlement agreements, whether or
9 not they are named in the notice of lien, and whether or not a
10 copy of the notice of lien shall have been received by them.

11 (2) The Lee County Clerk of Circuit Court shall
12 endorse on the written notice of lien the date and hour of
13 filing and shall record said notice of lien in the Official
14 Records of Lee County. The Clerk of Circuit Court shall be
15 entitled to a fee from the Lee Memorial Health System for
16 filing and recording the notice of lien that shall be the same
17 fee as provided by general law for the filing and recording of
18 other instruments.

19 (3) No release or satisfaction of any cause of action,
20 suit, claim, counterclaim, demand, judgment, settlement, or
21 settlement agreement shall be valid or effectual as against
22 the lien of Lee Memorial Health System unless the lienholder
23 shall join therein or execute a release of its lien prior to
24 the payment of any proceeds thereof. Any acceptance of a
25 release or satisfaction of any cause of action, suit, claim,
26 counterclaim, demand, judgment, settlement, or settlement
27 agreement in the absence of a release or satisfaction of the
28 lien of Lee Memorial Health System shall prima facie
29 constitute an impairment of such lien and the lienholder shall
30 be entitled to a cause of action for damages against any and
31 all persons, firms, or corporations giving or accepting such

1 release or satisfaction, or paying or accepting the proceeds
 2 from the same. In such action, Lee Memorial Health System may
 3 recover the full amount of its charges for such hospital,
 4 physician, or other health care services; regardless of the
 5 amount of proceeds paid or received in impairment of its lien.
 6 Satisfaction of a judgment rendered in favor of Lee Memorial
 7 Health System in such action shall operate as a satisfaction
 8 of the lien. The action by the lienholder shall be brought in
 9 the court in Lee County having jurisdiction of the amount of
 10 the lienholder's claim. If Lee Memorial Health System shall
 11 prevail in such action, it shall be entitled to recover from
 12 the defendant or defendants, in addition to costs otherwise
 13 allowable by law, all reasonable attorney fees and expenses.

14 (4) No person shall be entitled to recover or receive
 15 damages based on the expense of hospital, physician, or other
 16 health care services provided by Lee Memorial Health System
 17 unless that person shall affirmatively show that Lee Memorial
 18 Health System's charges have been paid. Provided, however,
 19 that in any action, suit, or counterclaim brought on account
 20 of illness or injury, the plaintiff or counterclaimant may
 21 include as an item of damages the expense of such hospital,
 22 physician, or other health care services provided by Lee
 23 Memorial Health System, if prior to trial he or she shall have
 24 notified Lee Memorial Health System in writing of the pendency
 25 of such action, suit, or counterclaim; whereupon the
 26 lienholder shall have the right, without leave of court, to
 27 intervene in the case and prove the amount of its charges for
 28 such hospital, physician, or other health care services. Any
 29 judgment rendered in favor of the plaintiff or counterclaimant
 30 shall provide that the amount proved by the lienholder to be
 31

1 due shall be deducted from the damages awarded and paid to the
2 Lee Memorial Health System.

3 (5) The provisions of this section shall not be
4 applicable to accidents or injuries within the purview of the
5 workers' compensation laws of Florida.

6 Section 19. In the event of a conflict of the
7 provisions of this act with the provisions of any other act,
8 the provisions of this act shall control to the extent of such
9 conflict.

10 Section 20. This act shall take effect upon becoming a
11 law.
