26 Section 6. Section 420.6015, Florida Statutes, is  
27 amended to read:

28 420.6015 Legislative findings.--In addition to the  
29 findings and declarations in ss. 420.0002, 420.502, 421.02,  
30 422.02, and 423.01, ~~and 424.02~~, which are hereby reaffirmed,  
31 the Legislature finds that:

1           (1) Decent, safe, and sanitary housing for persons of  
2 very low income, low income, and moderate income are a  
3 critical need in the state.

4           (2) New and rehabilitated housing must be provided at  
5 a cost affordable to such persons in order to alleviate this  
6 critical need.

7           (3) The private sector housing construction industry  
8 primarily produces housing units for middle-income households  
9 and upper-income households and often has limited experience  
10 in housing development which provides quality housing for  
11 low-income persons in economically declining or distressed  
12 areas.

13           (4) Among other things, the high cost of project  
14 financing tends to restrict the development of housing  
15 affordable to very-low-income persons, low-income persons, and  
16 moderate-income persons.

17           (5) For these reasons, private capital and existing  
18 state housing programs do not provide an adequate remedy to  
19 this situation.

20           (6) Special programs are needed to stimulate private  
21 enterprise to build and rehabilitate housing in order to help  
22 eradicate slum conditions and provide housing for  
23 very-low-income persons, low-income persons, and  
24 moderate-income persons as a matter of public purpose.

25           (7) Public-private partnerships are an essential means  
26 of bringing together resources to provide affordable housing.

27           (8) Through the Affordable Housing Catalyst Program  
28 and other program and staff resources, the department shall  
29 facilitate the mobilization of public and private resources to  
30 provide affordable housing through its responsibilities in the  
31

1 areas of housing, comprehensive planning, and community  
2 assistance.

19 Cooperation Law), and chapter 423 (Tax Exemption of Housing  
20 Authorities), ~~and chapter 424 (Limited Dividend Housing~~  
21 ~~Companies)~~ is the responsibility of the Department of  
22 Community Affairs; and the department is the agency of state  
23 government responsible for the state's role in housing and  
24 urban development.

25 Section 9. Section 423.001, Florida Statutes, is  
26 amended to read:

28 development.--The role of state government required by part I  
29 of chapter 421 (Housing Authorities Law), chapter 422 (Housing
