Senator Diaz-Balart moved the following amendment to amendment (405890):

**Senate Amendment**

On page 1, line 31, after the period,

insert: When an activity of a farm operation takes place within a wellfield protection area as defined in any wellfield protection ordinance adopted by a local government, and the adopted best management practice or interim measure does not specifically address wellfield protection, a local government may regulate that activity pursuant to such ordinance.
