Senator Cowin moved the following amendment:

Senate Amendment

On page 14, line 23, through
page 15, line 4, delete those lines

and insert: concludes that a further medical evaluation is unnecessary; ~~or~~

(b)1. The child protective investigator, with supervisory approval has concluded after conducting a child safety assessment, that there are no findings of any of the injuries described in paragraphs (2)(a)-(h) and that there is no history in the child's household of substance abuse, domestic violence, prior reports containing indications or verified findings, prior reports that included a child protection team referral that the family did not keep, or previous law enforcement involvement; and

2. The child protection team board-certified pediatrician determines, after reviewing the child safety assessment form, that a medical evaluation is not required.

Bill No. CS for SB 1910

Amendment No. ____

1 For any child for whom one of the injuries described in
2 paragraphs (2)(a)-(h) has been alleged, the child safety
3 assessment and supervisory approval must be completed within
4 72 hours after receipt of the report and a copy must then be
5 provided to the child protection team within 24 hours.
6 Notwithstanding paragraphs (a) and (b), a child protection
7 team pediatrician or advanced registered nurse practitioner as
8 authorized in subsection (3) may determine that a face-to-face
9 medical evaluation is necessary.
