Bill No. CS for CS for SB 1934

Amendment No. \_\_\_\_

1           3. Demonstration of commitment of the leadership of  
2 the school and district to use technology to improve teaching  
3 and learning;

4           4. If the pilot project involves wireless technology,  
5 potential cost savings or improved access resulting from the  
6 use of wireless rather than traditional connectivity  
7 technology;

8           5. The ability to use the technology infrastructure in  
9 other local government applications within the service area;

10          6. Demonstration of willingness and ability of the  
11 community to assume ongoing costs to maintain the pilot  
12 project for a minimum 5-year period. Such willingness and  
13 ability may be demonstrated through intracommunity agreements  
14 or other means; and

15          7. Such other criteria as determined by the agencies.

16          (c) The Department of Management Services, in  
17 consultation with the Department of Education, shall annually  
18 evaluate the pilot project based upon consistency with the  
19 Sunshine State Standards, as described in section 229.57,  
20 Florida Statutes, and with broader community-based standards  
21 as appropriate.
