18 and insert in lieu thereof: (7) Prior to an interfacility
19 trauma transfer, the emergency medical services provider's
20 medical director or his or her designee must agree, pursuant
21 to protocols and procedures in the emergency medical services
22 provider's trauma transport protocol, that the staff of the
23 transport vehicle has the medical skills, equipment, and
24 resources to provide anticipated patient care as proposed by
25 the transferring physician. The emergency medical services
26 provider's medical director or his or her designee may require
27 appropriate staffing, equipment, and resources to ensure
28 proper patient care and safety during transfer.
