A bill to be entitled
An act relating to electric utilities;
establishing a study commission; providing for
its membership and responsibilities; providing
an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. The Energy 2020 Study Commission is created. The commission shall be composed of representatives of the electric industry, government, and electricity consumers. The commission shall:

(1) Examine this state's laws and rules governing the production, transmission, and delivery of electricity.

(2) Study the activities of other states concerning restructuring or deregulation.

(3) Recommend appropriate energy policies for this state which will promote competition while continuing to ensure the provision of adequate and reliable electric energy at affordable rates with minimal adverse effects to human health or the environment.

(4) Report to the Legislature concerning its findings.

Section 2. This act shall take effect upon becoming a law.

SENATE SUMMARY

Creates the Energy 2020 Study Commission and provides for its membership and duties.
