Senator King moved the following amendment:

Senate Amendment (with title amendment)

On page 60, lines 6 through 22....., delete those lines

and insert: (b) A regional workforce board may not designate as its one-stop delivery system operator any public or private entity that is eligible to provide services under any state or federal workforce program that is a mandatory or discretionary partner in the region's one-stop delivery system. Workforce Florida, Inc., may waive this prohibition upon a showing by the regional workforce board that a fair and competitive process was used in the selection. As a condition of authorizing a regional workforce board to designate such an entity as its one-stop delivery system operator, Workforce Florida, Inc., must require the regional workforce board to demonstrate that safeguards are in place to ensure that the one-stop delivery system operator will not exercise an unfair competitive advantage or unfairly refer or direct customers of the one-stop delivery system to services provided by that one-stop delivery system operator.
