The amount of subsidy shall be consistent with the 8 9 rates for special needs child care established by the department. Dependent care needed for employment may be 10 provided as transitional services for up to 2 years after 11 12 eligibility for temporary cash WAGES assistance ends. (5) Notwithstanding any provision of s. 414.105 to the 13 14 contrary, the time limitation on receipt of assistance under 15 this section shall be the limit established pursuant to s. 408(a)(7) of the Social Security Act, as amended, 42 U.S.C. s. 16 17 608(a)(7). Section 445.024, Florida Statutes, is 18 Section 24. 19 created to read: 20 445.024 Work requirements .--21 (1) WORK ACTIVITIES.--The following activities may be 22 used individually or in combination to satisfy the work requirements for a participant in the temporary cash 23 24 assistance program: (a) Unsubsidized employment.--Unsubsidized employment 25 26 is full-time employment or part-time employment that is not directly supplemented by federal or state funds. Paid 27 28 apprenticeship and cooperative education activities are 29 included in this activity. 30 (b) Subsidized private sector employment.--Subsidized 31 private sector employment is employment in a private 91

2000 Legislature

for-profit enterprise or a private not-for-profit enterprise 1 2 which is directly supplemented by federal or state funds. A 3 subsidy may be provided in one or more of the forms listed in 4 this paragraph. 5 1. Work supplementation. -- A work supplementation 6 subsidy diverts a participant's temporary cash assistance 7 under the program to the employer. The employer must pay the 8 participant wages that equal or exceed the applicable federal 9 minimum wage. Work supplementation may not exceed 6 months. At the end of the supplementation period, the employer is 10 expected to retain the participant as a regular employee 11 12 without receiving a subsidy. A work supplementation agreement 13 may not be continued with any employer who exhibits a pattern 14 of failing to provide participants with continued employment 15 after the period of work supplementation ends. 2. On-the-job training.--On-the-job training is 16 17 full-time, paid employment in which the employer or an educational institution, in cooperation with the employer, 18 19 provides training needed for the participant to perform the 20 skills required for the position. The employer or the 21 educational institution on behalf of the employer receives a subsidy to offset the cost of the training provided to the 22 23 participant. Upon satisfactory completion of the training, the employer is expected to retain the participant as a regular 24 employee without receiving a subsidy. An on-the-job training 25 26 agreement may not be continued with any employer who exhibits 27 a pattern of failing to provide participants with continued 28 employment after the on-the-job training subsidy ends. 29 3. Incentive payments. -- Regional workforce boards may 30 provide additional incentive payments to encourage employers 31 to employ program participants. Incentive payments may include 92

2000 Legislature

payments to encourage the employment of hard-to-place 1 2 participants, in which case the amount of the payment shall be 3 weighted proportionally to the extent to which the participant 4 has limitations associated with the long-term receipt of 5 welfare and difficulty in sustaining employment. Incentive 6 payments may also include payments to encourage employers to 7 provide health care insurance benefits to current or former 8 program participants. In establishing incentive payments, 9 regional workforce boards shall consider the extent of prior receipt of welfare, lack of employment experience, lack of 10 education, lack of job skills, and other appropriate factors. 11 12 A participant who has complied with program requirements and who is approaching the time limit for receiving temporary cash 13 14 assistance may be defined as "hard to place." Incentive 15 payments may include payments in which an initial payment is made to the employer upon the employment of a participant, and 16 17 the majority of the incentive payment is made after the employer retains the participant as a full-time employee for 18 19 at least 12 months. An incentive agreement may not be 20 continued with any employer who exhibits a pattern of failing 21 to provide participants with continued employment after the incentive payments cease. 22 Tax credits.--An employer who employs a program 23 4. participant may qualify for enterprise zone property tax 24 credits under s. 220.182, the tax refund program for qualified 25 26 target industry businesses under s. 288.106, or other federal or state tax benefits. The regional workforce board shall 27 provide information and assistance, as appropriate, to use 28 29 such credits to accomplish program goals. 30 Training bonus.--An employer who hires a 5. 31 participant in the welfare transition program and pays the 93

participant a wage that precludes the participant's 1 2 eligibility for temporary cash assistance may receive \$250 for 3 each full month of employment for a period that may not exceed 4 3 months. An employer who receives a training bonus for an 5 employee may not receive a work supplementation subsidy for 6 the same employee. "Employment" is defined as 35 hours per 7 week at a wage of no less than minimum wage. 8 (c) Subsidized public sector employment.--Subsidized 9 public sector employment is employment by an agency of the federal, state, or local government which is directly 10 supplemented by federal or state funds. The applicable 11 12 subsidies provided under paragraph (b) may be used to subsidize employment in the public sector, except that 13 14 priority for subsidized employment shall be employment in the 15 private sector. Public sector employment is distinguished from work experience in that the participant is paid wages and 16 17 receives the same benefits as a nonsubsidized employee who performs similar work. Work-study activities administered by 18 19 educational institutions are included in this activity. 20 (d) Community service work experience.--Community 21 service work experience is job training experience at a 22 supervised public or private not-for-profit agency. A 23 participant shall receive temporary cash assistance in the form of wages, which, when combined with the value of food 24 25 stamps awarded to the participant, is proportional to the 26 amount of time worked. A participant in the welfare transition 27 program or the Food Stamp Employment and Training program assigned to community service work experience shall be deemed 28 29 an employee of the state for purposes of workers' compensation 30 coverage and is subject to the requirements of the drug-free 31 workplace program. Community service work experience may be 94

2000 Legislature

CS for SB 2050, 2nd Engrossed

selected as an activity for a participant who needs to 1 2 increase employability by improving his or her interpersonal 3 skills, job-retention skills, stress management, and job 4 problem solving, and by learning to attain a balance between 5 job and personal responsibilities. Community service is 6 intended to: 7 1. Assess compliance with requirements of the welfare 8 transition program before referral of the participant to 9 costly services such as career education; 2. Maintain work activity status while the participant 10 awaits placement into paid employment or training; 11 12 3. Fulfill a clinical practicum or internship 13 requirement related to employment; or 14 4. Provide work-based mentoring. 15 16 As used in this paragraph, the terms "community service 17 experience," "community work," and "workfare" are synonymous. 18 (e) Work experience.--Work experience is an 19 appropriate work activity for participants who lack 20 preparation for or experience in the workforce. It must 21 combine a job training activity in a public or private not-for-profit agency with education and training related to 22 23 an employment goal. To qualify as a work activity, work experience must include education and training in addition to 24 25 the time required by the work activity, and the work activity 26 must be intensively supervised and structured. Regional workforce boards shall contract for any services provided for 27 clients who are assigned to this activity and shall require 28 29 performance benchmarks, goals, outcomes, and time limits 30 designed to assure that the participant moves toward full-time paid employment. A participant shall receive temporary cash 31 95

assistance proportional to the time worked. A participant 1 2 assigned to work experience is an employee of the state for 3 purposes of workers' compensation coverage and is subject to 4 the requirements of the drug-free workplace program. 5 (f) Job search and job readiness assistance.--Job 6 search assistance may include supervised or unsupervised 7 job-seeking activities. Job readiness assistance provides 8 support for job-seeking activities, which may include: 9 1. Orientation to the world of work and basic job-seeking and job retention skills. 10 2. Instruction in completing an application for 11 12 employment and writing a resume. 13 3. Instruction in conducting oneself during a job 14 interview, including appropriate dress. 15 4. Instruction in how to retain a job, plan a career, 16 and perform successfully in the workplace. 17 18 Job readiness assistance may also include providing a 19 participant with access to an employment resource center that 20 contains job listings, telephones, facsimile machines, typewriters, and word processors. Job search and job readiness 21 activities may be used in conjunction with other program 22 23 activities, such as work experience, but may not be the primary work activity for longer than the length of time 24 permitted under federal law. 25 (g) Vocational education or training.--Vocational 26 27 education or training is education or training designed to 28 provide participants with the skills and certification 29 necessary for employment in an occupational area. Vocational education or training may be used as a primary program 30 31 activity for participants when it has been determined that the 96

2000 Legislature

CS for SB 2050, 2nd Engrossed

individual has demonstrated compliance with other phases of 1 2 program participation and successful completion of the 3 vocational education or training is likely to result in 4 employment entry at a higher wage than the participant would have been likely to attain without completion of the 5 6 vocational education or training. Vocational education or 7 training may be combined with other program activities and 8 also may be used to upgrade skills or prepare for a higher 9 paying occupational area for a participant who is employed. 1. Unless otherwise provided in this section, 10 vocational education shall not be used as the primary program 11 12 activity for a period which exceeds 12 months. The 12-month 13 restriction applies to instruction in a career education 14 program and does not include remediation of basic skills, 15 including English language proficiency, if remediation is 16 necessary to enable a participant to benefit from a career 17 education program. Any necessary remediation must be completed before a participant is referred to vocational education as 18 19 the primary work activity. In addition, use of vocational 20 education or training shall be restricted to the limitation established in federal law. Vocational education included in a 21 program leading to a high school diploma shall not be 22 23 considered vocational education for purposes of this section. 2. When possible, a provider of vocational education 24 or training shall use funds provided by funding sources other 25 26 than the regional workforce board. The regional workforce board may provide additional funds to a vocational education 27 or training provider only if payment is made pursuant to a 28 29 performance-based contract. Under a performance-based contract, the provider may be partially paid when a 30 31 participant completes education or training, but the majority 97

of payment shall be made following the participant's 1 2 employment at a specific wage or job retention for a specific 3 duration. Performance-based payments made under this 4 subparagraph are limited to education or training for targeted 5 occupations identified by the Workforce Estimating Conference 6 under s. 216.136, or other programs identified by Workforce 7 Florida, Inc., as beneficial to meet the needs of designated 8 groups who are hard to place. If the contract pays the full 9 cost of training, the community college or school district may not report the participants for other state funding. 10 (h) Job skills training.--Job skills training includes 11 12 customized training designed to meet the needs of a specific employer or a specific industry. Job skills training shall 13 14 include literacy instruction, and may include English proficiency instruction or Spanish language or other language 15 instruction if necessary to enable a participant to perform in 16 17 a specific job or job training program or if the training enhances employment opportunities in the local community. A 18 19 participant may be required to complete an entrance assessment 20 or test before entering into job skills training. 21 (i) Education services related to employment for participants 19 years of age or younger.--Education services 22 23 provided under this paragraph are designed to prepare a participant for employment in an occupation. The agency shall 24 25 coordinate education services with the school-to-work 26 activities provided under s. 229.595. Activities provided 27 under this paragraph are restricted to participants 19 years of age or younger who have not completed high school or 28 29 obtained a high school equivalency diploma. 30 (j) School attendance.--Attendance at a high school or attendance at a program designed to prepare the participant to 31 98

2000 Legislature

receive a high school equivalency diploma is a required 1 2 program activity for each participant 19 years of age or 3 younger who: 4 1. Has not completed high school or obtained a high 5 school equivalency diploma; 6 2. Is a dependent child or a head of household; and 7 3. For whom it has not been determined that another program activity is more appropriate. 8 9 Teen parent services.--Participation in medical, (k) educational, counseling, and other services that are part of a 10 comprehensive program is a required activity for each teen 11 12 parent who participates in the welfare transition program. 13 (1) Extended education and training.--Notwithstanding 14 any other provisions of this section to the contrary, the 15 board of directors of Workforce Florida, Inc., may approve a 16 plan by a regional workforce board for assigning, as work 17 requirements, educational activities that exceed or are not included in those provided elsewhere in this section and that 18 19 do not comply with federal work participation requirement 20 limitations. In order to be eligible to implement this provision, a regional workforce board must continue to exceed 21 the overall federal work participation rate requirements. 22 For 23 purposes of this paragraph, the board of directors of Workforce Florida, Inc., may adjust the regional participation 24 requirement based on regional caseload decline. However, this 25 26 adjustment is limited to no more than the adjustment produced by the calculation used to generate federal adjustments to the 27 participation requirement due to caseload decline. 28 29 (m) GED preparation and literacy education .-- Satisfactory attendance at secondary school or in 30 31 a course of study leading to a graduate equivalency diploma, 99

2000 Legislature

CS for SB 2050, 2nd Engrossed

if a participant has not completed secondary school or 1 2 received such a diploma. English language proficiency 3 training may be included as a part of the education if it is 4 deemed the individual requires such training to complete 5 secondary school or to attain a graduate equivalency diploma. 6 To calculate countable hours attributable to education, a 7 participant may earn study credits equal to the number of actual hours spent in formal training per week, but the total 8 9 number of hours earned for actual hours spent in formal training and studying may not exceed a one to one and one-half 10 ratio for the week. Countable hours are subject to the 11 12 restrictions contained in 45 C.F.R. s. 261.31. (n) Providing child care services.--Providing child 13 14 care services to an individual who is participating in a 15 community service program pursuant to this section. 16 (2) WORK ACTIVITY REQUIREMENTS.--Each individual who 17 is not otherwise exempt must participate in a work activity, except for community service work experience, for the maximum 18 19 number of hours allowable under federal law, provided that no 20 participant be required to work more than 40 hours per week or less than the minimum number of hours required by federal law. 21 The maximum number of hours each month that a participant may 22 23 be required to participate in community service activities is the greater of: the number of hours that would result from 24 dividing the family's monthly amount for temporary cash 25 26 assistance and food stamps by the federal minimum wage and then dividing that result by the number of participants in the 27 family who participate in community service activities, or the 28 29 minimum required to meet federal participation requirements. However, in no case shall the maximum hours required per week 30 for community work experience exceed 40 hours. An applicant 31 100

shall be referred for employment at the time of application if 1 2 the applicant is eligible to participate in the welfare 3 transition program. 4 (a) A participant in a work activity may also be 5 required to enroll in and attend a course of instruction 6 designed to increase literacy skills to a level necessary for 7 obtaining or retaining employment, provided that the 8 instruction plus the work activity does not require more than 9 40 hours per week. (b) Program funds may be used, as available, to 10 support the efforts of a participant who meets the work 11 activity requirements and who wishes to enroll in or continue 12 13 enrollment in an adult general education program or a career 14 education program. 15 (3) EXEMPTION FROM WORK ACTIVITY REQUIREMENTS. -- The 16 following individuals are exempt from work activity 17 requirements: 18 (a) A minor child under 16 years of age. 19 (b) An individual who receives benefits under the 20 Supplemental Security Income program or the Social Security 21 Disability Insurance program. 22 (c) Adults who are not included in the calculation of 23 temporary cash assistance in child-only cases. (d) One custodial parent with a child under 3 months 24 25 of age, except that the parent may be required to attend 26 parenting classes or other activities to better prepare for the responsibilities of raising a child. If the custodial 27 parent is 19 years of age or younger and has not completed 28 29 high school or the equivalent, he or she may be required to 30 attend school or other appropriate educational activities. 31 101

(e) An individual who is exempt from the time period 1 2 pursuant to s. 415.015. 3 (4) PRIORITIZATION OF WORK REQUIREMENTS. -- Regional 4 workforce boards shall require participation in work 5 activities to the maximum extent possible, subject to federal 6 and state funding. If funds are projected to be insufficient 7 to allow full-time work activities by all program participants 8 who are required to participate in work activities, regional 9 workforce boards shall screen participants and assign priority based on the following: 10 (a) In accordance with federal requirements, at least 11 12 one adult in each two-parent family shall be assigned priority for full-time work activities. 13 14 (b) Among single-parent families, a family that has older preschool children or school-age children shall be 15 assigned priority for work activities. 16 17 (c) A participant who has access to nonsubsidized child care may be assigned priority for work activities. 18 19 (d) Priority may be assigned based on the amount of 20 time remaining until the participant reaches the applicable 21 time limit for program participation or may be based on 22 requirements of a case plan. 23 Regional workforce boards may limit a participant's weekly 24 work requirement to the minimum required to meet federal work 25 26 activity requirements in lieu of the level defined in subsection (2). Regional workforce boards may develop 27 screening and prioritization procedures based on the 28 allocation of resources, the availability of community 29 30 resources, or the work activity needs of the service district. 31 102 CODING: Words stricken are deletions; words underlined are additions.

An agency or entity that is awarded a contract 7 under this section may not charge more than 7 percent of the value of the contract for administration, unless an exception 8 9 is approved by the regional workforce board. A list of any exceptions approved must be submitted to the board of 10 directors of Workforce Florida, Inc., for review, and the 11 12 board may rescind approval of the exception. 13 (f) Regional workforce boards may enter into contracts 14 to provide short-term work experience for the chronically 15 unemployed as provided in this section. have been likely to attain without completion of the 1 vocational education or training. Vocational education or 2 3 training may be combined with other program activities and also may be used to upgrade skills or prepare for a higher 4 5 paying occupational area for a participant who is employed. 6 1. Unless otherwise provided in this section, 7 vocational education shall not be used as the primary program activity for a period which exceeds 12 months. The 12-month 8 9 restriction applies to instruction in a career education program and does not include remediation of basic skills, 10 including English language proficiency, if remediation is 11 necessary to enable a WAGES participant to benefit from a 12 career education program. Any necessary remediation must be 13 14 completed before a participant is referred to vocational education as the primary work activity. In addition, use of 15 vocational education or training shall be restricted to the 16 limitation established in federal law. Vocational education 17 included in a program leading to a high school diploma shall 18 19 not be considered vocational education for purposes of this 20 section. 21 When possible, a provider of vocational education $\frac{2}{2}$ 22 or training shall use funds provided by funding sources other 23 than the department or the local WAGES coalition. Either department may provide additional funds to a vocational 24 education or training provider only if payment is made 25 26 pursuant to a performance-based contract. Under a performance-based contract, the provider may be partially paid 27 28 when a participant completes education or training, but the 29 majority of payment shall be made following the participant's employment at a specific wage or job retention for a specific 30 duration. If the contract pays the full cost of 6 7 training, the community college or school district may not report the participants for other state funding, except that 8 9 the college or school district may report WAGES clients for performance incentives or bonuses authorized for student 10 enrollment, completion, and placement. 11 (h) Job skills training.--Job skills training includes 12 customized training designed to meet the needs of a specific 13 employer or a specific industry. Job skills training shall 14 include literacy instruction, and may include English 15 proficiency instruction or Spanish language or other language 16 instruction if necessary to enable a participant to perform in 17 a specific job or job training program or if the training 18 19 enhances employment opportunities in the local community. A 20 participant may be required to complete an entrance assessment 21 or test before entering into job skills training. 22 (i) Education services related to employment for 23 participants 19 years of age or younger.--Education services provided under this paragraph are designed to prepare a 24 25 participant for employment in an occupation. The department 26 shall coordinate education services with the school-to-work activities provided under s. 229.595. Activities provided 27 28 under this paragraph are restricted to participants 19 years 29 of age or younger who have not completed high school or 30 obtained a high school equivalency diploma. 31 129

1 (j) School attendance.--Attendance at a high school or 2 attendance at a program designed to prepare the participant to receive a high school equivalency diploma is a required 3 4 program activity for each participant 19 years of age or 5 younger who: 6 1. Has not completed high school or obtained a high 7 school equivalency diploma; 8 2. Is a dependent child or a head of household; and 9 3. For whom it has not been determined that another program activity is more appropriate. 10 11 (k) Teen parent services.--Participation in medical, educational, counseling, and other services that are part of a 12 comprehensive program is a required activity for each teen 13 14 parent who participates in the WAGES Program. 15 (1) Extended education and training. -- Notwithstanding 16 any other provisions of this section to the contrary, the WAGES Program State Board of Directors may approve a plan by a 17 local WAGES coalition for assigning, as work requirements, 18 19 educational activities that exceed or are not included in 20 those provided elsewhere in this section and that do not comply with federal work participation requirement 21 limitations. In order to be eligible to implement this 22 provision, a coalition must continue to exceed the overall 23 federal work participation rate requirements. For purposes of 24 25 this paragraph, the WAGES Program State Board of Directors may 26 adjust the regional participation requirement based on regional caseload decline. However, this adjustment is 27 28 limited to no more than the adjustment produced by the 29 calculation used to generate federal adjustments to the 30 participation requirement due to caseload decline. 31 130

(2) WORK ACTIVITY REQUIREMENTS.--Each individual who 1 2 is not otherwise exempt must participate in a work activity, 3 except for community service work experience, for the maximum 4 number of hours allowable under federal law, provided that no 5 participant be required to work more than 40 hours per week or less than the minimum number of hours required by federal law. 6 7 The maximum number of hours each month that a participant may be required to participate in community service activities is 8 the greater of: the number of hours that would result from 9 dividing the family's monthly amount for temporary cash 10 assistance and food stamps by the federal minimum wage and 11 then dividing that result by the number of participants in the 12 family who participate in community service activities; or the 13 14 minimum required to meet federal participation requirements. However, in no case shall the maximum hours required per week 15 for community work experience exceed 40 hours. An applicant 16 shall be referred for employment at the time of application if 17 the applicant is eligible to participate in the WAGES Program. 18 19 (a) A participant in a work activity may also be 20 required to enroll in and attend a course of instruction designed to increase literacy skills to a level necessary for 21 obtaining or retaining employment, provided that the 22 instruction plus the work activity does not require more than 23 40 hours per week. 24 25 (b) WAGES Program funds may be used, as available, to 26 support the efforts of a participant who meets the work activity requirements and who wishes to enroll in or continue 27 28 enrollment in an adult general education program or a career 29 education program. 30 31 131

1 EXEMPTION FROM WORK ACTIVITY REQUIREMENTS. -- The (3)2 following individuals are exempt from work activity 3 requirements: 4 (a) A minor child under age 16, except that a child 5 exempted from this provision shall be subject to the 6 requirements of paragraph (1)(i) and s. 414.125. 7 (b) An individual who receives benefits under the 8 Supplemental Security Income program or the Social Security 9 Disability Insurance program. (c) Adults who are not included in the calculation of 10 11 temporary cash assistance in child-only cases. 12 (d) One custodial parent with a child under 3 months of age, except that the parent may be required to attend 13 14 parenting classes or other activities to better prepare for the responsibilities of raising a child. If the custodial 15 parent is age 19 or younger and has not completed high school 16 17 or the equivalent, he or she may be required to attend school 18 or other appropriate educational activities. 19 (1)(4) PENALTIES FOR NONPARTICIPATION IN WORK 20 REQUIREMENTS AND FAILURE TO COMPLY WITH ALTERNATIVE 21 REQUIREMENT PLANS. -- The department shall establish procedures 22 for administering penalties for nonparticipation in work requirements and failure to comply with the alternative 23 requirement plan. If an individual in a family receiving 24 25 temporary cash assistance fails to engage in work activities 26 required in accordance with s. 445.024 this section, the 27 following penalties shall apply. Prior to the imposition of a 28 sanction, the participant shall be notified orally or in 29 writing that the participant is subject to sanction and that 30 action will be taken to impose the sanction unless the participant complies with the work activity requirements. The 31 132

participant shall be counseled as to the consequences of 1 noncompliance and, if appropriate, shall be referred for 2 3 services that could assist the participant to fully comply 4 with program requirements. If the participant has good cause 5 for noncompliance or demonstrates satisfactory compliance, the sanction shall not be imposed. If the participant has 6 7 subsequently obtained employment, the participant shall be 8 counseled regarding the transitional benefits that may be 9 available and provided information about how to access such 10 benefits. Notwithstanding provisions of this section to the contrary, if the Federal Government does not allow food stamps 11 12 to be treated under sanction as provided in this section, The department shall attempt to secure a waiver that provides for 13 14 procedures as similar as possible to those provided in this 15 section and shall administer sanctions related to food stamps consistent with federal regulations. 16 17 (a)1. First noncompliance: temporary cash assistance

Upon meeting 8 this requirement, temporary cash assistance shall be 9 reinstated to the date of compliance or the first day of the month following the penalty period, whichever is later. 10 (b) If a participant receiving temporary cash 11 12 assistance who is otherwise exempted from noncompliance 13 penalties fails to comply with the alternative requirement 14 plan required in accordance with this section, the penalties 15 provided in paragraph (a) shall apply. 16 17 If a participant fully complies with work activity 18 requirements for at least 6 months, the participant shall be 19 reinstated as being in full compliance with program 20 requirements for purpose of sanctions imposed under this 21 section. 22 (2)(5) CONTINUATION OF TEMPORARY CASH ASSISTANCE FOR 23 CHILDREN; PROTECTIVE PAYEES. --(a) Upon the second or third occurrence of 24 25 noncompliance, temporary cash assistance and food stamps for 26 the child or children in a family who are under age 16 may be 27 continued. Any such payments must be made through a protective payee or, in the case of food stamps, through an authorized 28 29 representative. 3 (e) The department may pay incidental expenses or 4 travel expenses for costs directly related to performance of 5 the duties of a protective payee as necessary to implement the 6 provisions of this subsection.

7 (f) If the department is unable to designate a

However, the individual shall comply with a plan that specifies alternative requirements 18 19 that prepare the individual for self-sufficiency while providing for the safety of the individual and the 20 individual's dependents. A participant who is determined to 21 be out of compliance with the alternative requirement plan 22 23 shall be subject to the penalties under subsection(1)(4). An exception granted under this paragraph does not 24 25 automatically constitute an exception to the time limitations 26 on benefits specified under s. 414.105. (c) Noncompliance related to treatment or remediation 27 of past effects of domestic violence.--An individual who is 28 29 determined to be unable to comply with the work requirements under this section due to mental or physical impairment 30 related to past incidents of domestic violence may be exempt 31 137

A participant who is determined to be out of compliance with the 6 7 alternative requirement plan shall be subject to the penalties under subsection(1)(4). The plan must include counseling or 8 9 a course of treatment necessary for the individual to resume participation. The need for treatment and the expected 10 duration of such treatment must be verified by a physician 11 12 licensed under chapter 458 or chapter 459; a psychologist licensed under s. 490.005(1), s. 490.006, or the provision 13 14 identified as s. 490.013(2) in s. 1, chapter 81-235, Laws of Florida; a therapist as defined in s. 491.003(2) or (6); or a 15 treatment professional who is registered under s. 39.905(1)(g) 16 17 s. 415.605(1)(g), is authorized to maintain confidentiality under s. 90.5036(1)(d), and has a minimum of 2 years 18 19 experience at a certified domestic violence center. An individual may not be 18 19 excused from a work activity unless a mental health or 20 substance abuse professional recognized by the department or regional workforce board certifies the treatment protocol and 21 provides verification of attendance at the counseling or 22 23 treatment sessions each week. The department may define by rule situations that would constitute good cause. 8 9 These situations must include caring for a disabled family member when the need for the care has been verified and 10 alternate care is not available. 11 12 (5)(8) WORK ACTIVITY REQUIREMENTS FOR NONCUSTODIAL PARENTS.--13 14 (a) The court may order a noncustodial parent who is 15 delinquent in child support payments to participate in work 16 activities under this chapter so that the parent may obtain 17 employment and fulfill the obligation to provide support payments. A noncustodial parent who fails to satisfactorily 18 19 engage in court-ordered work activities may be held in 20 contempt. 21 (b) The court may order a noncustodial parent to 22 participate in work activities under this chapter if the child 23 of the noncustodial parent has been placed with a relative, in an emergency shelter, in foster care, or in other substitute 24 care, and: 25 26 1. The case plan requires the noncustodial parent to participate in work activities; or 27 28 2. The noncustodial parent would be eligible to 29 participate in work activities the WAGES Program and subject to work activity requirements if the child were living with 30 the parent. 31 140

1 2 If a noncustodial parent fails to comply with the case plan, 3 the noncustodial parent may be removed from program 4 participation. 5 (9) PRIORITIZATION OF WORK REQUIREMENTS.--The 6 department and local WAGES coalitions shall require 7 participation in work activities to the maximum extent 8 possible, subject to federal and state funding. If funds are 9 projected to be insufficient to allow full-time work 10 activities by all program participants who are required to participate in work activities, local WAGES coalitions shall 11 12 screen participants and assign priority based on the 13 following: 14 (a) In accordance with federal requirements, at least one adult in each two-parent family shall be assigned priority 15 16 for full-time work activities. 17 (b) Among single-parent families, a family that has older preschool children or school-age children shall be 18 19 assigned priority for work activities. 20 (c) A participant who has access to nonsubsidized 21 child care may be assigned priority for work activities. (d) Priority may be assigned based on the amount of 22 23 time remaining until the participant reaches the applicable time limit for program participation or may be based on 24 25 requirements of a case plan. 26 27 Local WAGES coalitions may limit a participant's weekly work 28 requirement to the minimum required to meet federal work 29 activity requirements in lieu of the level defined in subsection (2). The department and local WAGES coalitions may 30 develop screening and prioritization procedures within service 31 141

In contracting 6 7 for work activities, training, or services, the following applies: 8 9 (a) All education and training provided under the 10 WAGES Program shall be provided through agreements with regional workforce development boards. 11 12 (b) A contract must be performance-based. Wherever possible, payment shall be tied to performance outcomes that 13 14 include factors such as, but not limited to, job entry, job entry at a target wage, and job retention, rather than tied to 15 completion of training or education or any other phase of the 16 17 program participation process. (c) A contract may include performance-based incentive 18 19 payments that may vary according to the extent to which the participant is more difficult to place. Contract payments may 20 be weighted proportionally to reflect the extent to which the 21 participant has limitations associated with the long-term 22 receipt of welfare and difficulty in sustaining employment. 23 The factors may include the extent of prior receipt of 24 welfare, lack of employment experience, lack of education, 25 26 lack of job skills, and other factors determined appropriate by the department. 27 28 (d) Notwithstanding the exemption from the competitive 29 sealed bid requirements provided in s. 287.057(3)(f) for certain contractual services, each contract awarded under this 30 chapter must be awarded on the basis of a competitive sealed 31 142

A contract must comply with federal requirements with respect to nondiscrimination and other 6 7 requirements that safeguard the rights of participants. 8 Services may be provided under contract, certificate, voucher, 9 or other form of disbursement. (f) The administrative costs associated with a 10 contract for services provided under this section may not 11 exceed the applicable administrative cost ceiling established 12 in federal law. An agency or entity that is awarded a contract 13 14 under this section may not charge more than 7 percent of the value of the contract for administration, unless an exception 15 is approved by the local WAGES coalition. A list of any 16 exceptions approved must be submitted to the WAGES Program 17 State Board of Directors for review, and the board may rescind 18 19 approval of the exception. The WAGES Program State Board of Directors may also approve exceptions for any statewide 20 contract for services provided under this section. 21 22 (g) Local WAGES coalitions may enter into contracts to provide short-term work experience for the chronically 23 unemployed as provided in this section. 24 (h) A tax-exempt organization under s. 501(c) of the 25 26 Internal Revenue Code of 1986 which receives funds under this 27 chapter must disclose receipt of federal funds on any 28 advertising, promotional, or other material in accordance with 29 federal requirements. 30 (11) PROTECTIONS FOR PARTICIPANTS.--Each participant is subject to the same health, safety, and nondiscrimination 31 143 CODING: Words stricken are deletions; words underlined are additions.

232.17 Enforcement of school attendance.--The 10 Legislature finds that poor academic performance is associated 11 12 with nonattendance and that schools must take an active role in enforcing attendance as a means of improving the 13 14 performance of many students. It is the policy of the state 15 that the superintendent of each school district be responsible for enforcing school attendance of all children and youth 16 17 subject to the compulsory school age in the school district. 18 The responsibility includes recommending to the school board 19 policies and procedures to ensure that schools respond in a timely manner to every unexcused absence, or absence for which 20 the reason is unknown, of students enrolled in the schools. 21 School board policies must require each parent or guardian of 22 23 a student to justify each absence of the student, and that justification will be evaluated based on adopted school board 24 policies that define excused and unexcused absences. The 25 26 policies must provide that schools track excused and unexcused absences and contact the home in the case of an unexcused 27 absence from school, or an absence from school for which the 28 29 reason is unknown, to prevent the development of patterns of nonattendance. The Legislature finds that early intervention 30 in school attendance matters is the most effective way of 31
