

1       (b) Beginning in the 2001-2002 fiscal year, district  
2 school boards shall allocate to each school within the  
3 district at least 65 percent of the funds generated by that  
4 school based upon the Florida Education Finance Program as  
5 provided in s. 236.081 and the General Appropriations Act,  
6 including gross state and local funds, discretionary lottery  
7 funds, and funds from the school district's current operating  
8 discretionary millage levy.

9       (c) Beginning in the 2002-2003 fiscal year, district  
10 school boards shall allocate to each school within the  
11 district at least 80 percent of the funds generated by that  
12 school based upon the Florida Education Finance Program as  
13 provided in s. 236.081 and the General Appropriations Act,  
14 including gross state and local funds, discretionary lottery  
15 funds, and funds from the school district's current operating  
16 discretionary millage levy.

17       (d) Beginning in the 2003-2004 fiscal year, district  
18 school boards shall allocate to each school within the  
19 district at least 95 percent of the funds generated by that  
20 school based upon the Florida Education Finance Program as  
21 provided in s. 236.081 and the General Appropriations Act,  
22 including gross state and local funds, discretionary lottery  
23 funds, and funds from the school district's current operating  
24 discretionary millage levy.

25  
26 Total funding for each school shall be recalculated during the  
27 year to reflect the revised calculations under the Florida  
28 Education Finance Program by the state and the actual weighted  
29 full-time equivalent students reported by the school during  
30 the full-time equivalent student survey periods designated by  
31 the Commissioner of Education. If the district school board is

1 providing programs or services to students funded by federal  
2 funds, any eligible students enrolled in the schools in the  
3 district shall be provided federal funds.

4 (3) Funds allocated to a school pursuant to this  
5 section that are unused at the end of the fiscal year shall  
6 not revert to the district, but shall remain with the school.  
7 These carryforward funds may be used for any purpose provided  
8 by law at the discretion of the principal of the school.

9 (4) Recommendations made by the Governor's Equity in  
10 Educational Opportunity Task Force shall be reviewed to  
11 identify potential categorical funds to be included in the  
12 district allocation methodology required in subsection (2).

13 Section 2. This act shall take effect July 1, 2000.

15 HOUSE SUMMARY

16  
17 Creates the "Equity in School-Level Funding Act."  
18 Requires school districts to allocate to each school  
19 within the district a specified minimum percentage of the  
20 funds generated by the school based on the Florida  
21 Education Finance Program. Provides for graduated  
22 increases in such percentage. Provides for carryforward  
23 of unused funds allocated to the schools. Provides for  
24 review of recommendations of the Governor's Equity in  
25 Educational Opportunity Task Force to identify potential  
26 categorical funds to be included in the district  
27 allocation methodology. See bill for details.
