

By Senator Geller

29-1222-00

1 A bill to be entitled
2 An act relating to resource recovery and
3 management; amending s. 403.703, F.S.;
4 redefining the term "source separated;"
5 providing an effective date.

6
7 Be It Enacted by the Legislature of the State of Florida:

8
9 Section 1. Subsection (44) of section 403.703, Florida
10 Statutes, is amended to read:

11 403.703 Definitions.--As used in this act, unless the
12 context clearly indicates otherwise, the term:

13 (44) "Source separated" means the recovered materials,
14 including metals, paper, glass, plastic, textiles, and rubber,
15 are separated from solid waste where the recovered materials
16 and solid waste are generated. The term does not require that
17 various types of recovered materials be separated from each
18 other and recognizes de minimis solid waste, in accordance
19 with industry standards and practices, may be included in the
20 recovered materials. Materials are not considered source
21 separated when two or more types of recovered materials are
22 deposited in combination with each other in a commercial
23 collection container located where the materials are generated
24 and such materials contain more than 10 percent solid waste by
25 volume.

26 Section 2. This act shall take effect July 1, 2000.

27
28 *****

29 SENATE SUMMARY

30 Redefines the term "source separated" to exclude certain
31 recovered materials containing more than 10 percent solid
 waste by volume.
