Amendment (with title amendment)

On page 1, line 19,

insert:

Section 1. (1) The Department of Management Services shall establish and maintain a central database to record and maintain all state-approved or reimbursed travel, including information related to each employee's origination and destination and any other information considered necessary by the department. The department may contract with an outside firm for the creation or maintenance of the database and may expend funds to develop, maintain, and improve the database. On January 1, 2001, and annually thereafter, the department shall furnish to the Legislature and the Governor a summary of all state travel and any recommendations for approving the efficiency or cost of that travel.

(2) The Comptroller shall establish object class codes that uniquely identify expenditures related to payments for air travel, car rental, and motel or hotel accommodations. All
