The Committee on Health & Human Services Appropriations
offered the following:

Amendment (with title amendment)

On page 12, between lines 24 and 25 of the bill

insert:

Section 9. Contingent upon specific appropriation, the statewide child care resource and referral network, pursuant to section 402.27, Florida Statutes, shall convene a workgroup for the purpose of developing recommendations for improving the health and safety qualities of summer camp programs without over-regulation. One component of the workgroup's deliberation shall include examining the feasibility of requiring summer camp programs to register with the Department of Children and Family Services, to provide annual program information to the statewide child care resource and referral networks, or to publish their health and safety plans. The workgroup shall include representatives from summer camp program related associations, the Department of Children and Family Services, parents, and any other interested individuals

Amendment No. 03 (for drafter's use only)

1 or organizations identified by the statewide child care
2 resource and referral network. All participants in this
3 process shall attend the meetings at their own expense. A
4 report of the recommendations shall be submitted to the
5 Governor, the President of the Senate, and the Speaker of the
6 House of Representatives by January 1, 2001.
