Representative(s) Wallace offered the following:

**Amendment**

On page 49, line 18 through page 50, line 11,  
remove from the bill: all of said lines

and insert in lieu thereof:

(3) The board shall require a demonstration of continuing professional competency of engineers as a condition of license renewal or relicensure. Every licensee must complete 4 professional development hours, for each year of the license renewal period. For each renewal period for such continuing education hours shall relate to this chapter and the rules promulgate thereunder and the remaining 4 hours hours shall relate to the licensee's area of practice. The board shall adopt rules that are consistent with the guidelines of the National Council of Examiners for Engineering and Surveying for multijurisdictional licensees for the purpose of avoiding proprietary continuing professional competency requirements and shall allow nonclassroom hours to be credited. The board may, by rule,

Amendment No. \_\_\_\_ (for drafter's use only)

1 exempt from continuing professional competency requirements  
 2 retired professional engineers who no longer sign and seal  
 3 engineering documents and licensees in unique circumstances  
 4 that severely limit opportunities to obtain the required  
 5 professional development hours.
