8 (12) The corporation may acquire by lease, and
9 maintain, use, and operate, any real or personal property
10 necessary to perform the duties provided by the contract and
11 this section.

12 (13) No later than October 1, 2000, the department
13 shall contract with a corporation in accordance with
14 subsection (3) for the provision of services for architects
15 and interior designers.

16 (14) The department shall retain the independent
17 authority to open, investigate, or prosecute any cases or
18 complaints, as necessary, to protect the public health,
19 safety, or welfare. In addition, the department shall retain
20 sole authority to issue emergency suspension or restriction
21 orders pursuant to s. 120.60 and to prosecute unlicensed
22 activity cases pursuant to ss. 455.228 and 455.2281.

23 (15) Corporation records are public records subject to
24 the provisions of s. 119.07(1) and s. 24(a), Art. I of the
25 State Constitution; however, public records exemptions set
26 forth in ss. 455.217 and 455.229 for records created or
27 maintained by the department shall apply to records created or
28 maintained by the corporation. The exemptions set forth in s.
29 455.225, relating to complaints and information obtained
30 pursuant to an investigation by the department, shall apply to
31 such records created or obtained by the corporation only until

1 an investigation ceases to be active. For the purposes of this
2 subsection, an investigation is considered active so long as
3 the corporation or any law enforcement or administrative
4 agency is proceeding with reasonable dispatch and has a
5 reasonable, good faith belief that it may lead to the filing
6 of administrative, civil, or criminal proceedings. An
7 investigation ceases to be active when the case is dismissed
8 prior to a finding of probable cause and the board has not
9 exercised its option to pursue the case or 10 days after the
10 board makes a determination regarding probable cause. All
11 information, records, and transcriptions regarding a complaint
12 that has been determined to be legally sufficient to state a
13 claim within the jurisdiction of the board become available to
14 the public when the investigation ceases to be active, except
15 information that is otherwise confidential or exempt from s.
16 119.07(1). However, in response to an inquiry about the
17 licensure status of an individual, the corporation shall
18 disclose the existence of an active investigation if the
19 nature of the violation under investigation involves the
20 potential for substantial physical or financial harm. The
21 department and the board shall have access to all records of
22 the corporation, as necessary, to exercise their authority to
23 approve and supervise the contract.

24 (16) If any provision of this section is held to be
25 unconstitutional or is held to violate the state or federal
26 antitrust laws, the following shall occur:

27 (a) The corporation shall cease and desist from
28 exercising any powers and duties enumerated in this section.

29 (b) The department shall resume the performance of
30 such activities. The department shall regain and receive,
31

1 hold, invest, and administer property and make expenditures
2 for the benefit of the board.

3 (c) The Executive Office of the Governor,
4 notwithstanding chapter 216, is authorized to reestablish
5 positions, budget authority, and salary rate necessary to
6 carry out the department's responsibilities related to the
7 board.

8 (17) This section is repealed on October 1, 2005, and
9 shall be reviewed by the Legislature prior to that date for
10 the purpose of determining its continued existence.

11 Section 9. Subsection (8) is added to section 468.382,
12 Florida Statutes, to read:

13 468.382 Definitions.--As used in this act, the term:

14 (8) "Absolute auction" means an auction that requires
15 no minimum opening bid that limits the sale other than to the
16 highest bidder.

1 study, consisting of not less than 80 classroom hours of
2 instruction, that meets standards adopted by the board;
3 (b) Has passed the required ~~an~~ examination ~~conducted~~
4 ~~by the department~~; and
5 (c) Is approved by the board.
6 (7)(a) Any auction that is subject to the provisions
7 of this part must be conducted by an auctioneer who has an
8 active license or an apprentice who has an active apprentice
9 auctioneer license and who has received prior written sponsor
10 consent.
11 (b) No business shall auction or offer to auction any
12 property in this state unless it is licensed as an auction
13 business by the board or is exempt from licensure under this
14 act. Each application for licensure shall include the names
15 of the owner and the business, the business mailing address
16 and location, and any other information which the board may
17 require. The owner of an auction business shall report to the
18 board within 30 days of any change in this required

23 (1) An auctioneer may not sponsor more than three
24 apprentices at one time. Any auctioneer who serves as a
25 sponsor must have held an active, valid license for 3
26 consecutive years preceding the date on which that auctioneer
27 is named as sponsor of the apprentice.
28 (2) Any auctioneer who undertakes the sponsorship of
29 an apprentice shall ensure that the apprentice receives
30 training as required by board rule.
31

1 (3) An apprentice must actively participate in auction
2 sales as required by board rule, and a record of each auction
3 for which participation credit is claimed must be made as
4 required by board rule.

5 (4) Apprentices are prohibited from conducting any
6 auction without the prior express written consent of the
7 sponsor. The apprentice's sponsor must be present at the
8 auction site at any time the apprentice is actively
9 participating in the conduct of the auction. If the
10 apprentice's sponsor cannot attend a particular auction, the
11 sponsor may appoint a qualified auctioneer who meets the
12 requirements of board rule to attend the auction in his or her
13 place. Prior written consent must be given by the apprentice's
14 sponsor for each substitution.

15 (5) Each apprentice and sponsor shall file reports as
16 required by board rule.

17 (6) A sponsor may not authorize an apprentice to
18 conduct an auction or act as principal auctioneer unless the
19 sponsor has determined that the apprentice has received
20 adequate training to do so.

21 (7) The sponsor shall be responsible for any acts or
22 omissions of the apprentice which constitute a violation of
23 law in relation to the conduct of an auction.

24 (8) All apprentice applications shall be valid for a
25 period of 6 months after board approval. Any applicant who
26 fails to complete the licensure process within that time shall
27 be required to make application as a new applicant.

28 (9) Any licensed apprentice who wishes to change the
29 sponsor under whom he or she is licensed must submit a new
30 application and application fee. However, a new license fee
31 shall not be required and credit shall be awarded for training

1 received or any period of apprenticeship served under the
2 previous sponsor.

3 (10) Credit for training received or any period of
4 apprenticeship served shall not be allowed unless it occurred
5 under the supervision of the sponsor under whose supervision
6 the apprentice is licensed.

7 Section 12. Section 468.388, Florida Statutes, is
8 amended to read:

9 468.388 Conduct of an auction.--

10 (1) Prior to conducting an auction in this state, an
11 auctioneer or auction business shall execute a written
12 agreement with the owner, or the agent of the owner, of any
13 property to be offered for sale, stating:

14 (a) The name and address of the owner of the property;

15 (b) The name and address of the person employing the
16 auctioneer or auction business, if different from the owner;
17 and

18 (c) The terms or conditions upon which the auctioneer
19 or auction business will receive the property for sale and
20 remit the sales proceeds to the owner.

21 (2) The auctioneer or auction business shall give the
22 owner one copy of the agreement and shall keep one copy for 2
23 years after the date of the auction.

24 ~~(3) A written agreement shall not be required if:~~

25 ~~(a) The auction is to be conducted at an auction house~~
26 ~~or similar place where the public regularly offers property~~
27 ~~for sale;~~

28 ~~(b) There has been no prior negotiation between the~~
29 ~~owner or the owner's agent and the auctioneer or auction~~
30 ~~business involving terms or conditions pertaining to the~~
31 ~~property being offered for sale; and~~

1 ~~(c) The total estimated value of the property is \$500~~
2 ~~or less. If the actual sale price of the property exceeds~~
3 ~~\$550, the written agreement required by subsection (1) shall~~
4 ~~be executed after the sale.~~

5 ~~(3)~~(4) Each auctioneer or auction business shall
6 maintain a record book of all sales for which a written
7 agreement is required. The record book shall be open to
8 inspection by the board at reasonable times.

9 (4) Each auction must be conducted by an auctioneer
10 who has an active license or by an apprentice who has an
11 active apprentice auctioneer license and who has received
12 prior written sponsor consent. Each auction must be conducted
13 under the auspices of a licensed auction business. Any
14 auctioneer or apprentice auctioneer conducting an auction, and
15 any auction business under whose auspices such auction is
16 held, shall be responsible for determining that any
17 auctioneer, apprentice, or auction business with whom they are
18 associated in conducting such auction has an active Florida
19 auctioneer, apprentice, or auction business license.

20 (5) The principal auctioneer shall prominently display
21 at the auction site the licenses of the principal auctioneer,
22 the auction business, and any other licensed auctioneers or
23 apprentices who are actively participating in the auction. If
24 such a display is not practicable, then an oral announcement
25 at the beginning of the auction or a prominent written
26 announcement that these licenses are available for inspection
27 at the auction site must be made.~~Each auctioneer or auction~~
28 ~~business shall prominently display his or her license, or make~~
29 ~~it otherwise available for inspection, at each auction in~~
30 ~~which he or she participates.~~

31

1 (6) If a buyer premium or any surcharge is a condition
2 to sale at any auction, the amount of the premium or surcharge
3 must be announced at the beginning of the auction and a
4 written notice of this information must be conspicuously
5 displayed or distributed to the public at the auction site.

6 (7) At the beginning of an auction must be announced
7 the terms of bidding and sale and whether the sale is with
8 reserve, without reserve, or absolute or if a minimum bid is
9 required. If the sale is absolute and has been announced or
10 advertised as such, an article or lot may not be withdrawn
11 from sale once a bid has been accepted. If no bid is received
12 within a reasonable time, the item or lot may be withdrawn.

13 (8) If an auction has been advertised as absolute, no
14 bid shall be accepted from the owner of the property or from
15 someone acting on behalf of the owner unless the right to bid
16 is specifically permitted by law.

17 (9) The auction business under which the auction is
18 conducted is responsible for all other aspects of the auction
19 as required by board rule. The auction business may delegate
20 in whole, or in part, different aspects of the auction only to
21 the extent that such delegation is permitted by law and that
22 such delegation will not impede the principal auctioneer's
23 ability to ensure the proper conduct of his or her independent
24 responsibility for the auction. The auction business under
25 whose auspices the auction is conducted is responsible for
26 ensuring compliance as required by board rule.

27 (10)(a) When settlement is not made immediately after
28 an auction, all sale proceeds received for another person must
29 be deposited in an escrow or trust account in an insured bank
30 or savings and loan association located in this state within 2
31

1 working days after the auction. A maximum of \$100 may be kept
2 in the escrow account for administrative purposes.

3 (b) Each auction business shall maintain, for not less
4 than 2 years, a separate ledger showing the funds held for
5 another person deposited and disbursed by the auction business
6 for each auction. The escrow or trust account must be
7 reconciled monthly with the bank statement. A signed and dated
8 record shall be maintained for a 2-year period and be
9 available for inspection by the department or at the request
10 of the board.

11 (c) Any interest which accrues to sale proceeds on
12 deposit shall be the property of the seller for whom the funds
13 were received unless the parties have agreed otherwise by
14 written agreement executed prior to the auction.

15 (d) Unless otherwise provided by written agreement
16 executed prior to the auction, funds received by a licensee
17 from the seller or his or her agent for expenses, including
18 advertising, must be expended for the purposes advanced or
19 refunded to the seller at the time of final settlement. Any
20 funds so received shall be maintained in an escrow or trust
21 account in an insured bank or savings and loan association
22 located in this state. However, this does not prohibit
23 advanced payment of a flat fee.

24 (11)(a)(6) All advertising by an auctioneer or auction
25 business shall include the name and Florida license number of
26 such auctioneer and auction business. The term "advertising"
27 shall not include articles of clothing, directional signs, or
28 other promotional novelty items.

29 (b) No licensed auctioneer, apprentice, or auction
30 business may disseminate or cause to be disseminated any
31 advertisement or advertising which is false, deceptive,

1 misleading, or untruthful. Any advertisement or advertising
2 shall be deemed to be false, deceptive, misleading, or
3 untruthful if it:
4 1. Contains misrepresentations of facts.
5 2. Is misleading or deceptive because, in its content
6 or in the context in which it is presented, it makes only a
7 partial disclosure of relevant facts.
8 3. Creates false or unjustified expectations of the
9 services to be performed.
10 4. Contains any representation or claim which the
11 advertising licensee fails to perform.
12 5. Fails to include the name and license number of the
13 principal auctioneer and the auction business.
14 6. Fails to include the name and license number of the
15 sponsor if an apprentice is acting as the principal
16 auctioneer.
17 7. Advertises an auction as absolute without
18 specifying any and all items to be sold with reserve or with
19 minimum bids.
20 8. Fails to include the percentage amount of any
21 buyer's premium or surcharge which is a condition to sale.
22 (c) The provisions of this subsection apply to media
23 exposure of any nature, regardless of whether it is in the
24 form of paid advertising.
25 (d) The auction business shall be responsible for the
26 content of all advertising disseminated in preparation for an
27 auction.
28 Section 13. Paragraph (c) of subsection (1) of section
29 468.389, Florida Statutes, is amended to read:

4 a reasonable time not to exceed 30 days, money or property
5 belonging to another which has come into the control of an
6 auctioneer or auction business through an auction.

8 amendment to section 468.389, Florida Statutes, in references
9 thereto, paragraph (b) of subsection (3) of section 468.385
10 and section 468.391, Florida Statutes, are reenacted to read:

11 468.385 Licenses required; qualifications;
12 examination; bond.--

13 (3) No person shall be licensed as an auctioneer or

16 any other jurisdiction which would constitute a basis for
17 disciplinary action under s. 468.389.

18 468.391 Penalty.--Any auctioneer, apprentice, or
19 auction business or any owner or manager thereof, or, in the
20 case of corporate ownership, any substantial stockholder of
21 the corporation owning the auction business, who operates
22 without an active license or violates any provision of the
23 prohibited acts listed under s. 468.389 commits a felony of
24 the third degree, punishable as provided in s. 775.082 or s.
25 775.083.

26 Section 15. Subsection (2) of section 468.392, Florida

28 including appeals and proceedings supplemental to judgment for
29 collection purposes, file a verified application to the board
30 in the court in which the judgment was entered for an order
