18 Section 3. Eligibility for funding and accountability  
19 standards for juvenile delinquency prevention  
20 services.--Funding for juvenile delinquency prevention  
21 services shall be as provided through legislative  
22 appropriations.

23 (1) Each agency or entity that receives or uses state  
24 appropriations to fund juvenile delinquency prevention  
25 services shall collect outcome data relative to the  
26 performance of a juvenile delinquency prevention service or  
27 services funded through the agency or entity. At a minimum,  
28 each state-funded juvenile delinquency prevention service  
29 provider shall track and submit data to the Office of  
30 Statewide Juvenile Delinquency Prevention Coordination that  
31 will enable the Office to determine the following:

Amendment No. 01 (for drafter's use only)

- 1           (a) The number of youth served by the prevention  
2 service;
- 3           (b) The number of youth who complete the prevention  
4 service;
- 5           (c) The number and percentage of youth participating  
6 in the service who were referred for delinquency while  
7 receiving the juvenile prevention service; and
- 8           (d) The number and percentage of youth participating  
9 in the service who were referred for delinquency within 6  
10 months after completing the juvenile delinquency prevention  
11 service.
- 12           (2) Each state-funded juvenile delinquency prevention  
13 service shall be operated to target risk factors associated  
14 with entering or reentering the juvenile justice system. Risk  
15 factors associated with entering or reentering the juvenile  
16 justice system include poor school attendance, unsupervised  
17 after-school activities, propensity for violence, substance  
18 use or abuse, and unemployment. In addition to the data  
19 specified in subsection (1), each state funded juvenile  
20 delinquency prevention service provider shall also submit to  
21 the Office of Statewide Juvenile Delinquency Prevention  
22 Coordination sufficient information to enable the Office to  
23 document outcome data for one or more of the following:
- 24           (a) For programs operated to encourage school  
25 attendance, which may include special assistance and tutoring  
26 to address identified deficiencies in academic performance,  
27 the number of days participants attended school during  
28 participation in the program.
- 29           (b) For programs operated to engage at-risk youth in  
30 productive and wholesome activities during nonschool hours,  
31 the number of arrests during after-school hours by program
