Amendment (with title amendment)

On page 24, between lines 20-21,

insert:

Section 3. Subsection (2) of section 627.351, Florida Statutes, is amended to read:

627.351 Insurance risk apportionment plans.--

(2) HURRICANE ~~WINDSTORM~~ INSURANCE RISK

APPORTIONMENT.--

(a) Agreements may be made among property insurers with respect to the equitable apportionment among them of insurance which may be afforded applicants who are in good faith entitled to, but are unable to procure, such insurance through ordinary methods; and such insurers may agree among themselves on the use of reasonable rate modifications for such insurance. Such agreements and rate modifications shall be subject to the applicable provisions of this chapter.

(b) The department shall require all insurers holding a certificate of authority to transact property insurance on a

Amendment No. ____ (for drafter's use only)

1 direct basis in this state, other than joint underwriting
2 associations and other entities formed pursuant to this
3 section, to provide hurricane ~~windstorm~~ coverage to applicants
4 from areas determined to be eligible pursuant to paragraph (c)
5 who in good faith are entitled to, but are unable to procure,
6 such coverage through ordinary means; or it shall adopt a
7 reasonable plan or plans for the equitable apportionment or
8 sharing among such insurers of hurricane ~~windstorm~~ coverage,
9 which may include formation of an association for this
10 purpose. As used in this subsection, the term "property
11 insurance" means insurance on real or personal property, as
12 defined in s. 624.604, including insurance for fire,
13 industrial fire, allied lines, farmowners multiperil,
14 homeowners' multiperil, commercial multiperil, and mobile
15 homes, and including liability coverages on all such
16 insurance, but excluding inland marine as defined in s.
17 624.607(3) and excluding vehicle insurance as defined in s.
18 624.605(1)(a) other than insurance on mobile homes used as
19 permanent dwellings. The department shall adopt rules that
20 provide a formula for the recovery and repayment of any
21 deferred assessments.

22 1. For the purpose of this section, properties
23 eligible for such hurricane ~~windstorm~~ coverage are defined as
24 dwellings, buildings, and other structures, including mobile
25 homes which are used as dwellings and which are tied down in
26 compliance with mobile home tie-down requirements prescribed
27 by the Department of Highway Safety and Motor Vehicles
28 pursuant to s. 320.8325, and the contents of all such
29 properties. An applicant or policyholder is eligible for
30 coverage only if an offer of coverage cannot be obtained by or
31 for the applicant or policyholder from an admitted insurer at

Amendment No. ____ (for drafter's use only)

1 approved rates.

2 2.a.(I) All insurers required to be members of such
3 association shall participate in its writings, expenses, and
4 losses. Surplus of the association shall be retained for the
5 payment of claims and shall not be distributed to the member
6 insurers. Such participation by member insurers shall be in
7 the proportion that the net direct premiums of each member
8 insurer written for property insurance in this state during
9 the preceding calendar year bear to the aggregate net direct
10 premiums for property insurance of all member insurers, as
11 reduced by any credits for voluntary writings, in this state
12 during the preceding calendar year. For the purposes of this
13 subsection, the term "net direct premiums" means direct
14 written premiums for property insurance, reduced by premium
15 for liability coverage and for the following if included in
16 allied lines: rain and hail on growing crops; livestock;
17 association direct premiums booked; National Flood Insurance
18 Program direct premiums; and similar deductions specifically
19 authorized by the plan of operation and approved by the
20 department. A member's participation shall begin on the first
21 day of the calendar year following the year in which it is
22 issued a certificate of authority to transact property
23 insurance in the state and shall terminate 1 year after the
24 end of the calendar year during which it no longer holds a
25 certificate of authority to transact property insurance in the
26 state. The commissioner, after review of annual statements,
27 other reports, and any other statistics that the commissioner
28 deems necessary, shall certify to the association the
29 aggregate direct premiums written for property insurance in
30 this state by all member insurers.

31 (II) The plan of operation shall provide for a board

Amendment No. ____ (for drafter's use only)

1 of directors consisting of the Insurance Consumer Advocate
2 appointed under s. 627.0613, four ~~±~~ consumer representatives
3 ~~representative~~ appointed by the Insurance Commissioner, four ~~±~~
4 consumer representatives ~~representative~~ appointed by the
5 Governor, and six ~~±2~~ additional members appointed as specified
6 in the plan of operation. One of the six ~~±2~~ additional members
7 shall be elected by the domestic companies of this state on
8 the basis of cumulative weighted voting based on the net
9 direct premiums of domestic companies in this state. ~~Nothing~~
10 ~~in the 1997 amendments to this paragraph terminates the~~
11 ~~existing board or the terms of any members of the board.~~

12 (III) The plan of operation shall provide a formula
13 whereby a company voluntarily providing hurricane windstorm
14 coverage in affected areas will be relieved wholly or
15 partially from apportionment of a regular assessment pursuant
16 to sub-sub-subparagraph d.(I) or sub-sub-subparagraph d.(II).

17 (IV) A company which is a member of a group of
18 companies under common management may elect to have its
19 credits applied on a group basis, and any company or group may
20 elect to have its credits applied to any other company or
21 group.

22 (V) There shall be no credits or relief from
23 apportionment to a company for emergency assessments collected
24 from its policyholders under sub-sub-subparagraph d.(III).

25 (VI) The plan of operation may also provide for the
26 award of credits, for a period not to exceed 3 years, from a
27 regular assessment pursuant to sub-sub-subparagraph d.(I) or
28 sub-sub-subparagraph d.(II) as an incentive for taking
29 policies out of the Residential Property and Casualty Joint
30 Underwriting Association. In order to qualify for the
31 exemption under this sub-sub-subparagraph, the take-out plan

Amendment No. ____ (for drafter's use only)

1 must provide that at least 40 percent of the policies removed
2 from the Residential Property and Casualty Joint Underwriting
3 Association cover risks located in Dade, Broward, and Palm
4 Beach Counties or at least 30 percent of the policies so
5 removed cover risks located in Dade, Broward, and Palm Beach
6 Counties and an additional 50 percent of the policies so
7 removed cover risks located in other coastal counties, and
8 must also provide that no more than 15 percent of the policies
9 so removed may exclude hurricane ~~windstorm~~ coverage. With the
10 approval of the department, the association may waive these
11 geographic criteria for a take-out plan that removes at least
12 the lesser of 100,000 Residential Property and Casualty Joint
13 Underwriting Association policies or 15 percent of the total
14 number of Residential Property and Casualty Joint Underwriting
15 Association policies, provided the governing board of the
16 Residential Property and Casualty Joint Underwriting
17 Association certifies that the take-out plan will materially
18 reduce the Residential Property and Casualty Joint
19 Underwriting Association's 100-year probable maximum loss from
20 hurricanes. With the approval of the department, the board
21 may extend such credits for an additional year if the insurer
22 guarantees an additional year of renewability for all policies
23 removed from the Residential Property and Casualty Joint
24 Underwriting Association, or for 2 additional years if the
25 insurer guarantees 2 additional years of renewability for all
26 policies removed from the Residential Property and Casualty
27 Joint Underwriting Association.

28 b. Assessments to pay deficits in the association
29 under this subparagraph shall be included as an appropriate
30 factor in the making of rates as provided in s. 627.3512.

31 c. The Legislature finds that the potential for

Amendment No. ____ (for drafter's use only)

1 unlimited deficit assessments under this subparagraph may
2 induce insurers to attempt to reduce their writings in the
3 voluntary market, and that such actions would worsen the
4 availability problems that the association was created to
5 remedy. It is the intent of the Legislature that insurers
6 remain fully responsible for paying regular assessments and
7 collecting emergency assessments for any deficits of the
8 association; however, it is also the intent of the Legislature
9 to provide a means by which assessment liabilities may be
10 amortized over a period of years.

11 d.(I) When the deficit incurred in a particular
12 calendar year is 10 percent or less of the aggregate statewide
13 direct written premium for property insurance for the prior
14 calendar year for all member insurers, the association shall
15 levy an assessment on member insurers in an amount equal to
16 the deficit.

17 (II) When the deficit incurred in a particular
18 calendar year exceeds 10 percent of the aggregate statewide
19 direct written premium for property insurance for the prior
20 calendar year for all member insurers, the association shall
21 levy an assessment on member insurers in an amount equal to
22 the greater of 10 percent of the deficit or 10 percent of the
23 aggregate statewide direct written premium for property
24 insurance for the prior calendar year for member insurers. Any
25 remaining deficit shall be recovered through emergency
26 assessments under sub-sub-subparagraph (III).

27 (III) Upon a determination by the board of directors
28 that a deficit exceeds the amount that will be recovered
29 through regular assessments on member insurers, pursuant to
30 sub-sub-subparagraph (I) or sub-sub-subparagraph (II), the
31 board shall levy, after verification by the department,

Amendment No. ____ (for drafter's use only)

1 emergency assessments to be collected by member insurers and
2 by underwriting associations created pursuant to this section
3 which write property insurance, upon issuance or renewal of
4 property insurance policies other than National Flood
5 Insurance policies in the year or years following levy of the
6 regular assessments. The amount of the emergency assessment
7 collected in a particular year shall be a uniform percentage
8 of that year's direct written premium for property insurance
9 for all member insurers and underwriting associations,
10 excluding National Flood Insurance policy premiums, as
11 annually determined by the board and verified by the
12 department. The department shall verify the arithmetic
13 calculations involved in the board's determination within 30
14 days after receipt of the information on which the
15 determination was based. Notwithstanding any other provision
16 of law, each member insurer and each underwriting association
17 created pursuant to this section shall collect emergency
18 assessments from its policyholders without such obligation
19 being affected by any credit, limitation, exemption, or
20 deferment. The emergency assessments so collected shall be
21 transferred directly to the association on a periodic basis as
22 determined by the association. The aggregate amount of
23 emergency assessments levied under this sub-sub-subparagraph
24 in any calendar year may not exceed the greater of 10 percent
25 of the amount needed to cover the original deficit, plus
26 interest, fees, commissions, required reserves, and other
27 costs associated with financing of the original deficit, or 10
28 percent of the aggregate statewide direct written premium for
29 property insurance written by member insurers and underwriting
30 associations for the prior year, plus interest, fees,
31 commissions, required reserves, and other costs associated

Amendment No. ____ (for drafter's use only)

1 with financing the original deficit. The board may pledge the
2 proceeds of the emergency assessments under this
3 sub-sub-subparagraph as the source of revenue for bonds, to
4 retire any other debt incurred as a result of the deficit or
5 events giving rise to the deficit, or in any other way that
6 the board determines will efficiently recover the deficit. The
7 emergency assessments under this sub-sub-subparagraph shall
8 continue as long as any bonds issued or other indebtedness
9 incurred with respect to a deficit for which the assessment
10 was imposed remain outstanding, unless adequate provision has
11 been made for the payment of such bonds or other indebtedness
12 pursuant to the document governing such bonds or other
13 indebtedness. Emergency assessments collected under this
14 sub-sub-subparagraph are not part of an insurer's rates, are
15 not premium, and are not subject to premium tax, fees, or
16 commissions; however, failure to pay the emergency assessment
17 shall be treated as failure to pay premium.

18 (IV) Each member insurer's share of the total regular
19 assessments under sub-sub-subparagraph (I) or
20 sub-sub-subparagraph (II) shall be in the proportion that the
21 insurer's net direct premium for property insurance in this
22 state, for the year preceding the assessment bears to the
23 aggregate statewide net direct premium for property insurance
24 of all member insurers, as reduced by any credits for
25 voluntary writings for that year.

26 (V) If regular deficit assessments are made under
27 sub-sub-subparagraph (I) or sub-sub-subparagraph (II), or by
28 the Residential Property and Casualty Joint Underwriting
29 Association under sub-subparagraph (6)(b)3.a. or
30 sub-subparagraph (6)(b)3.b., the association shall levy upon
31 the association's policyholders, as part of its next rate

Amendment No. ____ (for drafter's use only)

1 filing, or by a separate rate filing solely for this purpose,
2 a market equalization surcharge in a percentage equal to the
3 total amount of such regular assessments divided by the
4 aggregate statewide direct written premium for property
5 insurance for member insurers for the prior calendar year.
6 Market equalization surcharges under this sub-sub-subparagraph
7 are not considered premium and are not subject to commissions,
8 fees, or premium taxes; however, failure to pay a market
9 equalization surcharge shall be treated as failure to pay
10 premium.

11 e. The governing body of any unit of local government,
12 any residents of which are insured under the plan, may issue
13 bonds as defined in s. 125.013 or s. 166.101 to fund an
14 assistance program, in conjunction with the association, for
15 the purpose of defraying deficits of the association. In order
16 to avoid needless and indiscriminate proliferation,
17 duplication, and fragmentation of such assistance programs,
18 any unit of local government, any residents of which are
19 insured by the association, may provide for the payment of
20 losses, regardless of whether or not the losses occurred
21 within or outside of the territorial jurisdiction of the local
22 government. Revenue bonds may not be issued until validated
23 pursuant to chapter 75, unless a state of emergency is
24 declared by executive order or proclamation of the Governor
25 pursuant to s. 252.36 making such findings as are necessary to
26 determine that it is in the best interests of, and necessary
27 for, the protection of the public health, safety, and general
28 welfare of residents of this state and the protection and
29 preservation of the economic stability of insurers operating
30 in this state, and declaring it an essential public purpose to
31 permit certain municipalities or counties to issue bonds as

Amendment No. ____ (for drafter's use only)

1 will provide relief to claimants and policyholders of the
2 association and insurers responsible for apportionment of plan
3 losses. Any such unit of local government may enter into such
4 contracts with the association and with any other entity
5 created pursuant to this subsection as are necessary to carry
6 out this paragraph. Any bonds issued under this
7 sub-subparagraph shall be payable from and secured by moneys
8 received by the association from assessments under this
9 subparagraph, and assigned and pledged to or on behalf of the
10 unit of local government for the benefit of the holders of
11 such bonds. The funds, credit, property, and taxing power of
12 the state or of the unit of local government shall not be
13 pledged for the payment of such bonds. If any of the bonds
14 remain unsold 60 days after issuance, the department shall
15 require all insurers subject to assessment to purchase the
16 bonds, which shall be treated as admitted assets; each insurer
17 shall be required to purchase that percentage of the unsold
18 portion of the bond issue that equals the insurer's relative
19 share of assessment liability under this subsection. An
20 insurer shall not be required to purchase the bonds to the
21 extent that the department determines that the purchase would
22 endanger or impair the solvency of the insurer. The authority
23 granted by this sub-subparagraph is additional to any bonding
24 authority granted by subparagraph 6.

25 3. The plan shall also provide that any member with a
26 surplus as to policyholders of \$20 million or less writing 25
27 percent or more of its total countrywide property insurance
28 premiums in this state may petition the department, within the
29 first 90 days of each calendar year, to qualify as a limited
30 apportionment company. The apportionment of such a member
31 company in any calendar year for which it is qualified shall

Amendment No. ____ (for drafter's use only)

1 not exceed its gross participation, which shall not be
2 affected by the formula for voluntary writings. In no event
3 shall a limited apportionment company be required to
4 participate in any apportionment of losses pursuant to
5 sub-sub-subparagraph 2.d.(I) or sub-sub-subparagraph 2.d.(II)
6 in the aggregate which exceeds \$50 million after payment of
7 available plan funds in any calendar year. However, a limited
8 apportionment company shall collect from its policyholders any
9 emergency assessment imposed under sub-sub-subparagraph
10 2.d.(III). The plan shall provide that, if the department
11 determines that any regular assessment will result in an
12 impairment of the surplus of a limited apportionment company,
13 the department may direct that all or part of such assessment
14 be deferred. However, there shall be no limitation or
15 deferment of an emergency assessment to be collected from
16 policyholders under sub-sub-subparagraph 2.d.(III).

17 4. The plan shall provide for the deferment, in whole
18 or in part, of a regular assessment of a member insurer under
19 sub-sub-subparagraph 2.d.(I) or sub-sub-subparagraph 2.d.(II),
20 but not for an emergency assessment collected from
21 policyholders under sub-sub-subparagraph 2.d.(III), if, in the
22 opinion of the commissioner, payment of such regular
23 assessment would endanger or impair the solvency of the member
24 insurer. In the event a regular assessment against a member
25 insurer is deferred in whole or in part, the amount by which
26 such assessment is deferred may be assessed against the other
27 member insurers in a manner consistent with the basis for
28 assessments set forth in sub-sub-subparagraph 2.d.(I) or
29 sub-sub-subparagraph 2.d.(II).

30 5.a. The plan of operation may include deductibles and
31 rules for classification of risks and rate modifications

Amendment No. ____ (for drafter's use only)

1 consistent with the objective of providing and maintaining
2 funds sufficient to pay catastrophe losses.

3 b. The association may require arbitration of a rate
4 filing under s. 627.062(6). It is the intent of the
5 Legislature that the rates for coverage provided by the
6 association be actuarially sound and not competitive with
7 approved rates charged in the admitted voluntary market such
8 that the association functions as a residual market mechanism
9 to provide insurance only when the insurance cannot be
10 procured in the voluntary market. The plan of operation shall
11 provide a mechanism to assure that, beginning no later than
12 January 1, 1999, the rates charged by the association for each
13 line of business are reflective of approved rates in the
14 voluntary market for hurricane coverage for each line of
15 business in the various areas eligible for association
16 coverage.

17 c. The association shall provide for hurricane
18 ~~windstorm~~ coverage on residential properties in limits up to
19 \$10 million for commercial lines residential risks and up to
20 \$1 million for personal lines residential risks. If coverage
21 with the association is sought for a residential risk valued
22 in excess of these limits, coverage shall be available to the
23 risk up to the replacement cost or actual cash value of the
24 property, at the option of the insured, if coverage for the
25 risk cannot be located in the authorized market. The
26 association must accept a commercial lines residential risk
27 with limits above \$10 million or a personal lines residential
28 risk with limits above \$1 million if coverage is not available
29 in the authorized market. The association may write coverage
30 above the limits specified in this subparagraph with or
31 without facultative or other reinsurance coverage, as the

Amendment No. ____ (for drafter's use only)

1 association determines appropriate.

2 d. The plan of operation must provide objective
3 criteria and procedures, approved by the department, to be
4 uniformly applied for all applicants in determining whether an
5 individual risk is so hazardous as to be uninsurable. In
6 making this determination and in establishing the criteria and
7 procedures, the following shall be considered:

8 (I) Whether the likelihood of a loss for the
9 individual risk is substantially higher than for other risks
10 of the same class; and

11 (II) Whether the uncertainty associated with the
12 individual risk is such that an appropriate premium cannot be
13 determined.

14
15 The acceptance or rejection of a risk by the association
16 pursuant to such criteria and procedures must be construed as
17 the private placement of insurance, and the provisions of
18 chapter 120 do not apply.

19 e. The plan of operation must provide for an insured's
20 choice of full replacement cost or actual cash value for all
21 covered losses, at a cost of no more than the approved rate of
22 the authorized insurer with the highest percentage of market
23 share.

24 f.e. The policies issued by the association must
25 provide that if the association obtains an offer from an
26 authorized insurer to cover the risk at its approved rates
27 under either a standard policy including hurricane wind
28 coverage or, if consistent with the insurer's underwriting
29 rules as filed with the department, a basic policy including
30 hurricane wind coverage, the risk is no longer eligible for
31 coverage through the association. Upon termination of

Amendment No. ____ (for drafter's use only)

1 eligibility, the association shall provide written notice to
2 the policyholder and agent of record stating that the
3 association policy must be canceled as of 60 days after the
4 date of the notice because of the offer of coverage from an
5 authorized insurer. Other provisions of the insurance code
6 relating to cancellation and notice of cancellation do not
7 apply to actions under this sub-subparagraph.

8 g.f. Association policies and applications must
9 include a notice that the association policy could, under this
10 section, be replaced with a policy issued by an authorized
11 insurer that does not provide coverage identical to the
12 coverage provided by the association. The notice shall also
13 specify that acceptance of association coverage creates a
14 conclusive presumption that the applicant or policyholder is
15 aware of this potential.

16 h. The plan shall provide for granting credits against
17 premiums for policies issued by the association for:

18 (I) Separate flood insurance.

19 (II) Separating out any peril other than hurricane
20 that might otherwise be covered under policies issued by the
21 association.

22 (III) Mitigation of loss from damage resulting from a
23 hurricane.

24
25 6.a. The plan of operation may authorize the formation
26 of a private nonprofit corporation, a private nonprofit
27 unincorporated association, a partnership, a trust, a limited
28 liability company, or a nonprofit mutual company which may be
29 empowered, among other things, to borrow money by issuing
30 bonds or by incurring other indebtedness and to accumulate
31 reserves or funds to be used for the payment of insured

Amendment No. ____ (for drafter's use only)

1 catastrophe losses. The plan may authorize all actions
2 necessary to facilitate the issuance of bonds, including the
3 pledging of assessments or other revenues.

4 b. Any entity created under this subsection, or any
5 entity formed for the purposes of this subsection, may sue and
6 be sued, may borrow money; issue bonds, notes, or debt
7 instruments; pledge or sell assessments, market equalization
8 surcharges and other surcharges, rights, premiums, contractual
9 rights, projected recoveries from the Florida Hurricane
10 Catastrophe Fund, other reinsurance recoverables, and other
11 assets as security for such bonds, notes, or debt instruments;
12 enter into any contracts or agreements necessary or proper to
13 accomplish such borrowings; and take other actions necessary
14 to carry out the purposes of this subsection. The association
15 may issue bonds or incur other indebtedness, or have bonds
16 issued on its behalf by a unit of local government pursuant to
17 subparagraph (g)2., in the absence of a hurricane or other
18 weather-related event, upon a determination by the association
19 subject to approval by the department that such action would
20 enable it to efficiently meet the financial obligations of the
21 association and that such financings are reasonably necessary
22 to effectuate the requirements of this subsection. Any such
23 entity may accumulate reserves and retain surpluses as of the
24 end of any association year to provide for the payment of
25 losses incurred by the association during that year or any
26 future year. The association shall incorporate and continue
27 the plan of operation and articles of agreement in effect on
28 the effective date of chapter 76-96, Laws of Florida, to the
29 extent that it is not inconsistent with chapter 76-96, and as
30 subsequently modified consistent with chapter 76-96. The board
31 of directors and officers currently serving shall continue to

Amendment No. ____ (for drafter's use only)

1 serve until their successors are duly qualified as provided
2 under the plan. The assets and obligations of the plan in
3 effect immediately prior to the effective date of chapter
4 76-96 shall be construed to be the assets and obligations of
5 the successor plan created herein.

6 c. In recognition of s. 10, Art. I of the State
7 Constitution, prohibiting the impairment of obligations of
8 contracts, it is the intent of the Legislature that no action
9 be taken whose purpose is to impair any bond indenture or
10 financing agreement or any revenue source committed by
11 contract to such bond or other indebtedness issued or incurred
12 by the association or any other entity created under this
13 subsection.

14 7. On such coverage, an agent's remuneration shall be
15 that amount of money payable to the agent by the terms of his
16 or her contract with the company with which the business is
17 placed. However, no commission will be paid on that portion of
18 the premium which is in excess of the standard premium of that
19 company.

20 8. Subject to approval by the department, the
21 association may establish different eligibility requirements
22 and operational procedures for any line or type of coverage
23 for any specified eligible area or portion of an eligible area
24 if the board determines that such changes to the eligibility
25 requirements and operational procedures are justified due to
26 the voluntary market being sufficiently stable and competitive
27 in such area or for such line or type of coverage and that
28 consumers who, in good faith, are unable to obtain insurance
29 through the voluntary market through ordinary methods would
30 continue to have access to coverage from the association. When
31 coverage is sought in connection with a real property

Amendment No. ____ (for drafter's use only)

1 transfer, such requirements and procedures shall not provide
2 for an effective date of coverage later than the date of the
3 closing of the transfer as established by the transferor, the
4 transferee, and, if applicable, the lender.

5 9. Notwithstanding any other provision of law:

6 a. The pledge or sale of, the lien upon, and the
7 security interest in any rights, revenues, or other assets of
8 the association created or purported to be created pursuant to
9 any financing documents to secure any bonds or other
10 indebtedness of the association shall be and remain valid and
11 enforceable, notwithstanding the commencement of and during
12 the continuation of, and after, any rehabilitation,
13 insolvency, liquidation, bankruptcy, receivership,
14 conservatorship, reorganization, or similar proceeding against
15 the association under the laws of this state or any other
16 applicable laws.

17 b. No such proceeding shall relieve the association of
18 its obligation, or otherwise affect its ability to perform its
19 obligation, to continue to collect, or levy and collect,
20 assessments, market equalization or other surcharges,
21 projected recoveries from the Florida Hurricane Catastrophe
22 Fund, reinsurance recoverables, or any other rights, revenues,
23 or other assets of the association pledged.

24 c. Each such pledge or sale of, lien upon, and
25 security interest in, including the priority of such pledge,
26 lien, or security interest, any such assessments, emergency
27 assessments, market equalization or renewal surcharges,
28 projected recoveries from the Florida Hurricane Catastrophe
29 Fund, reinsurance recoverables, or other rights, revenues, or
30 other assets which are collected, or levied and collected,
31 after the commencement of and during the pendency of or after

Amendment No. ____ (for drafter's use only)

1 any such proceeding shall continue unaffected by such
2 proceeding.
