20 (e) A hospital designated as a Critical Access
21 Hospital by the Department of Health in accordance with
22 federal regulations and state requirements.

26 Section 3. Subsection (7) of section 409.9116, Florida
27 Statutes, is amended to read:

28 409.9116 Disproportionate share/financial assistance
29 program for rural hospitals.--In addition to the payments made
30 under s. 409.911, the Agency for Health Care Administration
31 shall administer a federally matched disproportionate share

1 program and a state-funded financial assistance program for
2 statutory rural hospitals. The agency shall make
3 disproportionate share payments to statutory rural hospitals
4 that qualify for such payments and financial assistance
5 payments to statutory rural hospitals that do not qualify for
6 disproportionate share payments. The disproportionate share
7 program payments shall be limited by and conform with federal
8 requirements. In fiscal year 1993-1994, available funds shall
9 be distributed in one payment, as soon as practicable after
10 the effective date of this act. In subsequent fiscal years,
11 funds shall be distributed quarterly in each fiscal year for
12 which an appropriation is made. Notwithstanding the provisions
13 of s. 409.915, counties are exempt from contributing toward
14 the cost of this special reimbursement for hospitals serving a
15 disproportionate share of low-income patients.

16 (7) This section ~~only~~ applies only to hospitals that
17 were defined as statutory rural hospitals, or their
18 successor-in-interest hospital, prior to July 1, 1998. Any
19 additional hospital that is defined as a statutory rural
20 hospital, or its successor-in-interest hospital, on or after
21 July 1, 1998, is not eligible for programs under this section
22 unless additional funds are appropriated each fiscal year
23 specifically to the rural hospital disproportionate share and
24 financial assistance programs in an amount necessary to
25 prevent any hospital, or its successor-in-interest hospital,
26 eligible for the programs prior to July 1, 1998, from
27 incurring a reduction in payments because of the eligibility
28 of an additional hospital to participate in the programs. A
29 hospital, or its successor-in-interest hospital, which
30 received funds pursuant to this section before July 1, 1998,
31 and which qualifies under s. 395.602(2)(e), shall be included

1 in the programs under this section and is not required to seek
2 additional appropriations under this subsection.

3 Section 4. This act shall take effect July 1, 2000.
