Representative(s) Peaden offered the following:

Amendment to Amendment (772921) (with title amendment)

On page 20, lines 11-30,
remove from the amendment: all of said lines

and insert in lieu thereof: state land planning agency. When a local government comprehensive plan enforces federal, state, or regional agency permitting requirements for the protection of wetlands, the local government shall not be required to duplicate data and analysis gathered through the required permitting process.~~The state land planning agency shall have 30 days to review comments from the various government agencies along with a local government's comprehensive plan or plan amendment. During that period, the state land planning agency shall transmit in writing its comments to the local government along with any objections and any recommendations for modifications.~~When a federal, state, or regional agency has implemented a permitting program, the state land planning agency shall not require a local government to duplicate or exceed that permitting program in its comprehensive plan or to
