The Committee on Health Care Licensing & Regulation offered the following:

Amendment

On page 49, line 24 through page 50, line 10, remove from the bill: all of said lines

and insert in lieu thereof: (4) The organization shall ensure that only a physician licensed under chapter 458 or chapter 459, or an allopathic or osteopathic physician with an active, unencumbered license in another state with similar licensing requirements may render an adverse determination regarding a service provided by a physician licensed in this state. The organization shall submit to the treating provider and the subscriber written notification regarding the organization's adverse determination within 2 working days after the subscriber or provider is notified of the adverse determination. The written notification must include the utilization review criteria or benefits provisions used in the adverse determination, identify the physician who rendered the adverse determination, and be signed by an authorized

Amendment No. 6 (for drafter's use only)

1 representative of the organization or the physician who
2 rendered the adverse determination. The organization must
3 include with the notification of an adverse determination
4 information concerning the appeal process for adverse
5 determinations.
