

By Senator Diaz-Balart

37-1496-00

1 A bill to be entitled
2 An act relating to health care; directing the
3 Department of Health and the Agency for Health
4 Care Administration to convene a task force to
5 identify and implement strategies to improve
6 quality control and quality assurance for the
7 state's health care delivery system; providing
8 for a chair of the task force; providing for a
9 report to the Legislature; providing for
10 abolition of the task force; providing an
11 effective date.

12
13 Be It Enacted by the Legislature of the State of Florida:

14
15 Section 1. The Legislature directs the Department of
16 Health and the Agency for Health Care Administration to
17 convene a task force to identify and implement strategies to
18 improve quality control and quality assurance in Florida's
19 health care delivery system. The task force will be jointly
20 chaired by the Secretary of Health and the Executive Director
21 of the Agency for Health Care Administration. Strategies
22 considered by this task force must include the most recent
23 recommendations of the Institute of Medicine on the subject.
24 The task force shall provide a report to the Legislature no
25 later than February 1, 2001. This task force is abolished June
26 1, 2001.

27 Section 2. This act shall take effect upon becoming a
28 law.

SENATE SUMMARY

Directs the Department of Health and the Agency for Health Care Administration to convene a task force to identify and implement strategies to improve quality control and quality assurance for the state's health care delivery system. Provides that the secretary of the department and the director of the agency shall chair the task force. Requires a report to the Legislature no later than February 1, 2001. Abolishes the task force on June 1, 2001.
