11	Senator Forman moved the following amendment:
12	
13	Senate Amendment
14	On page 14, lines 5-16, delete those lines
15	
16	and insert: different areas of the state. In developing the
17	uniform wetland mitigation assessment method, the department
18	and water management districts shall consult with approved
19	local programs under s. 403.182 which have an established
20	wetland mitigation program. The department and water
21	management districts shall consider the recommendations
22	submitted by such approved local programs, including any
23	recommendations relating to the adoption by the department and
24	water management districts of any uniform wetland mitigation
25	methodology that has been adopted and used by an approved
26	local program in its established wetland mitigation program.
27	Environmental resource permitting rules may
