Senator Rossin moved the following amendment to amendment (461200):

**Senate Amendment (with title amendment)**

On page 1, line 29, through page 2, line 13, delete those lines

and insert: The study shall evaluate various "hold harmless" provisions so that no participating municipality or special fire control district shall receive in subsequent year less funding than was received during the year 1999. The Department of Revenue shall submit to the Legislature by February 1, 2001, a report containing the results of its study and the department's recommended legislation. Until July 1, 2001, the Department of Insurance shall limit audits or pending audits of insurers with respect to the accuracy of coding the location of insured properties for purposes associated with these premium taxes to a random sampling of not more than 10 percent of the total number of policies of any insurer and shall withhold assessing any fines or penalties as a result of any discrepancy in property location until July 1, 2001.
