(S)

# I. SUMMARY:

The bill repeals obsolete sections of chapter 393, F.S., related to Developmental Services. The provisions related to the privatization of the South Florida State Hospital, a mental health treatment facility, are repealed. The requirement that the Department of Children & Family Services (DCFS) prepare a report on licensure fees for substance abuse providers is repealed.

The advisory committee for assisted living facilities is repealed. The Board of Regents' responsibility to establish a multidisciplinary center on independent housing and other living environments for the elderly at one or more of the state universities is repealed. The requirement that DCFS create and maintain a statewide registry of community residential homes is repealed.

The long term care interagency advisory council is repealed. The Medicaid workgroup on access to nursing home beds and the Panel for the Study of Skilled Nursing Care are repealed from chapter law.

Conforming and technical changes are made.

The bill is effective upon becoming law.
